## AMERLIFE CNS060

# AMERLIFE Farmhouse Armoire Wardrobe Closet User Manual

Model: CNS060

## INTRODUCTION

Thank you for choosing the AMERLIFE Farmhouse Armoire Wardrobe Closet. This versatile storage solution is designed to provide ample space for your clothing and other items, featuring a classic farmhouse aesthetic with durable construction. This manual provides essential information for assembly, safe operation, and maintenance to ensure long-lasting use of your product.

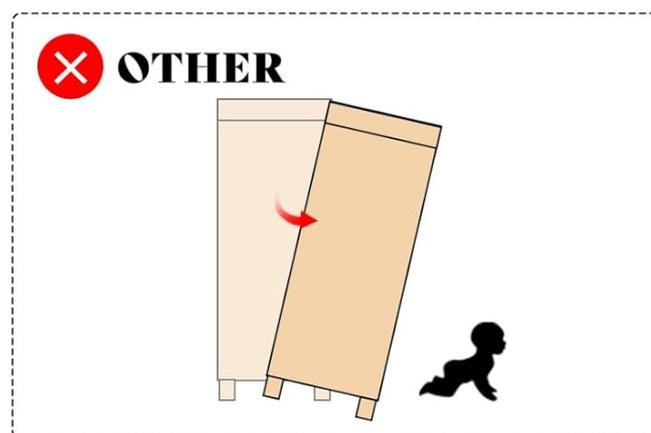

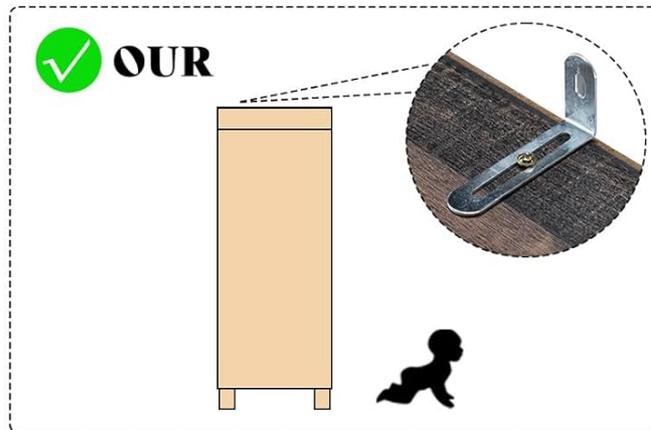

## SAFETY INFORMATION

### Important Safety Warnings:

- Always secure the cabinet to the wall using the anti-tipping device provided. This prevents accidental tipping, especially important in households with children or pets.
- Never attempt to move the cabinet when it is fully loaded. Empty the cabinet before relocating it to prevent injury or damage.
- Always supervise children when they are near the cabinet. Do not allow children to climb on or play with the armoire.

# Humanized Anti-tipping Design

If you have children or pets we highly recommend that install an anti-tipping device and fix it to the wall to avoid potential risks

**Figure 1: Humanized Anti-tipping Design.** This image illustrates the proper installation of the anti-tipping device to secure the armoire to the wall, preventing it from falling over. It shows a comparison between a secured cabinet and an unsecured one, highlighting the safety benefit.

## PARTS LIST

Before beginning assembly, ensure all components are present and undamaged. The package includes:

- Engineered Wood Panels (various sizes for frame, doors, shelves)
- Aluminum Clothes Hanging Pole
- Black Metal Handles
- Black Arrow Shape Hinges
- Magnetic Door Catches
- Hardware (screws, dowels, cam locks, anti-tipping device)
- Installation Instructions (this manual)

## SETUP AND ASSEMBLY

The AMERLIFE Farmhouse Armoire is designed for effortless self-assembly. It is recommended that 1-2 people complete the installation within 30-45 minutes. Please follow the detailed instructions provided in this manual carefully.

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Match each part to its corresponding code as indicated in the detailed assembly diagrams.
2. **Assemble the Frame:** Begin by connecting the base and side panels using the provided hardware (dowels and cam locks). Ensure all connections are secure.
3. **Install Shelves and Hanging Rod:** Insert the shelf supports into the pre-drilled holes. Place the top shelf and then install the aluminum clothes hanging pole. Ensure the pole is firmly seated in its supports.
4. **Attach Doors:** Secure the barn-style doors using the black arrow shape hinges. Adjust as necessary to ensure smooth opening and closing. Install the black metal door handles.
5. **Install Drawers:** Assemble the two drawers according to the instructions, then slide them into their designated compartments.
6. **Secure Anti-Tipping Device:** For safety, attach the anti-tipping device to the top rear of the armoire and secure it to a wall stud.

## OPERATING INSTRUCTIONS

The AMERLIFE Farmhouse Armoire offers versatile storage options to organize your belongings efficiently.

- **Hanging Rod:** Utilize the sturdy aluminum hanging rod to store clothes that require hanging, such as dresses, coats, shirts, and pants. The 50-inch hanging height helps keep garments wrinkle-free. The rod supports up to 50 lbs.
- **Upper Shelf:** The top shelf provides additional storage for folded items, storage boxes, or decorative pieces. It can hold up

to 30 lbs.

- **Drawers:** The two bottom drawers are ideal for smaller items, accessories, or folded clothing.
- **Door Operation:** The barn doors open smoothly. Magnetic door catches ensure the doors remain securely closed when not in use.

## MAINTENANCE

To maintain the appearance and longevity of your AMERLIFE Farmhouse Armoire, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Dusting:** Regularly dust the armoire with a dry, soft cloth to prevent dust buildup.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.

## TROUBLESHOOTING

If you encounter any issues with your armoire, refer to the following common problems and solutions:

- **Doors do not close properly:** Check if the hinges are aligned correctly and tightened. Ensure the magnetic catches are properly installed and making contact.
- **Drawers are difficult to open/close or do not open:** Verify that the drawer slides are installed correctly and are not obstructed. Ensure all screws on the drawer slides and drawer boxes are tightened. If a drawer is stuck, do not force it, as this may cause damage. Carefully inspect the runners for any misalignments or foreign objects.
- **Wobbling or Instability:** Ensure the armoire is placed on a level surface. Double-check that all assembly hardware is securely tightened. Confirm the anti-tipping device is properly installed and anchored to the wall.
- **Scratches or Dents:** For minor imperfections, touch-up pens or furniture repair kits designed for engineered wood can be used.
