1. SAFETY INFORMATION

Important Safety Instructions:

- Always assemble according to the provided instructions to ensure stability.
- Be cautious of pinch points on the guardrails and ladder during assembly and use.
- Do not exceed the maximum weight limit of **400 lbs** for the bed.
- Ensure all connections are securely tightened before use and periodically check for tightness.
- Keep small children away from the assembly area.
- Only use mattresses that comply with the recommended thickness of **6 inches** to ensure guardrail effectiveness.

2. SETUP & ASSEMBLY

The Merax Full Size Loft Bed requires assembly. It is recommended that two adults assemble this product. Please ensure you have sufficient space and all components before beginning.

2.1 Unpacking and Component Check

- Carefully unpack all components from the packaging.
- Verify that all parts and hardware listed in the included assembly instructions are present. Do not discard packaging until assembly is complete.
- Place components on a soft, clean surface to prevent scratches.

2.2 Assembly Steps

Follow the step-by-step instructions provided in the separate assembly manual included with your product. All necessary tools are typically included.

1. Begin by assembling the main bed frame structure.
2. Attach the ladder and guardrails securely.
3. Assemble the integrated desk and storage shelves according to the diagrams.
4. Ensure all screws, bolts, and fasteners are tightened. Do not overtighten.

3. OPERATION

3.1 Using the Loft Bed

- Access the bed using the integrated ladder. Always use caution when climbing up or down.
- Ensure the mattress fits snugly within the bed frame and does not exceed the recommended 6-inch thickness to maintain guardrail safety.
- The full-length guardrails are designed to prevent falls. Do not lean over them excessively.

3.2 Utilizing the Desk and Storage

- The integrated desk provides a dedicated workspace for studying or other activities.
- The storage shelves and drawers are designed to help organize books, supplies, and personal items. Distribute weight evenly within the storage compartments.

4. MAINTENANCE

4.1 Cleaning

- Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- For spills, clean immediately to prevent staining.

4.2 Fastener Checks

- Periodically check all screws, bolts, and connections to ensure they remain tight. Loose fasteners can compromise the bed's stability and safety.
- Tighten any loose fasteners as needed, but do not overtighten.

5. TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose fasteners or incorrect assembly.	Check all bolts and screws and tighten them securely. Refer to the assembly manual to ensure all parts are correctly installed.
Drawers do not slide smoothly.	Obstruction in the drawer slides or misaligned tracks.	Clear any debris from the drawer slides. Ensure the drawer tracks are properly aligned and secured.
Squeaking noises from the bed.	Loose connections or friction between wooden parts.	Tighten all fasteners. Apply a small amount of furniture wax or silicone spray to contact points if the noise persists.

6. SPECIFICATIONS

Feature	Detail
Model Number	B0DL5MFN22
Brand	Merax
Size	Full
Product Dimensions (L x W x H)	78"L x 57.6"W x 70.9"H
