MERITLINE wall bed with shelves

MERITLINE Full Size Murphy Bed with Top Storage Cabinets User Manual

Model: wall bed with shelves

1. Introduction

This manual provides essential information for the safe and efficient use of your MERITLINE Full Size Murphy Bed with Top Storage Cabinets. This space-saving furniture solution is designed for multi-use rooms such as guest rooms, home offices, or small apartments, allowing you to maximize your floor space. Please read all instructions carefully before assembly and operation.

2. Safety Information

Adhering to these safety guidelines is crucial for preventing injury and ensuring the longevity of your Murphy bed.

- **Caution during operation:** Always use caution when folding and unfolding the bed. Ensure the area around the bed is clear of obstructions.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 600 pounds (including mattress and occupants). Overloading can lead to structural damage or injury.
- **Assembly:** Follow the assembly instructions carefully to ensure the bed is stable and secure. Improper assembly can result in instability and potential hazards.
- **Wall Mounting:** This Murphy bed must be securely anchored to a wall. Consult a professional if you are unsure about proper wall mounting techniques for your wall type.
- **Children and Pets:** Keep children and pets away from the bed during folding and unfolding operations.
- **Top Cabinets:** Do not place heavy objects on top cabinets. Distribute weight evenly within the cabinets.

3. Setup and Assembly

Your MERITLINE Murphy Bed requires assembly. It will arrive in three separate packages, which may be delivered on different dates. Please ensure all packages have arrived before beginning assembly.

3.1 Unpacking and Inventory

- Carefully unpack all components from the boxes.
- Verify that all parts, hardware, and tools listed in the included assembly manual are present. The package includes all necessary tools, a manual, hardware, and the full Murphy bed with top cabinets.
- If any parts are missing or damaged, contact MERITLINE customer support immediately.

3.2 Assembly Steps

Refer to the detailed, step-by-step assembly manual provided in your package for specific instructions. General steps include:

1. Assemble the main cabinet structure.
2. Attach the top storage cabinets to the main structure.
3. Install the bed frame mechanism.
4. Securely anchor the entire unit to a sturdy wall using the provided hardware. This step is critical for safety and stability.
5. Install the mattress support slats.

Note: A full-size mattress (not included) with a recommended thickness of 6 inches is required.

4. Operating Instructions

4.1 Folding the Bed (Cabinet Mode)

1. Ensure no items are on the bed or obstructing its movement.
2. Lift the bed frame from the foot end.
3. Gently guide the bed frame upwards until it is fully vertical and secured within the cabinet.
4. Confirm the bed is securely latched in the upright position.

4.2 Unfolding the Bed (Bed Mode)

1. Ensure the area in front of the cabinet is clear.
2. Locate the handles on the cabinet front.
3. Gently pull on the handles to release the bed from its upright position.
4. Slowly lower the bed frame towards the floor.
5. Flip the support legs down onto the floor to stabilize the bed.

5. Maintenance

Proper maintenance ensures the longevity and appearance of your Murphy bed.

- **Cleaning:** Dust regularly with a soft, dry cloth. For spills, wipe immediately with a damp cloth and dry thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Sunlight Exposure:** Keep the furniture away from direct sunlight to prevent fading or discoloration of the finish.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain structural integrity.
- **Mechanism Inspection:** Inspect the folding mechanism periodically for any signs of wear or damage. If you notice any issues, contact customer support.

6. Troubleshooting

If you encounter issues with your MERITLINE Murphy Bed, refer to the following common solutions:

- **Bed difficult to fold/unfold:** Ensure all bedding is clear of the mechanism. Check that the support legs are properly engaged/disengaged. Verify that the wall anchors are secure and the unit is level.
- **Squeaking noises:** Check all assembly hardware and tighten any loose screws. Lubrication of moving parts may be necessary, but consult customer support before applying any lubricants.
- **Cabinet doors not closing properly:** Check hinges for alignment and tightness. Ensure nothing is obstructing the door's path.
- **Instability:** Re-verify that the unit is securely anchored to the wall as per the assembly instructions. Ensure the floor is

level.

For persistent issues or concerns not addressed here, please contact MERITLINE customer support.
