

MFSTUDIO 60x38x28 in

MFSTUDIO Outdoor Dining Set for 6 (Model: 60x38x28 in) - Instruction Manual

Model: 60x38x28 in

SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use of this product. Failure to follow these instructions may result in injury or product damage.

- **Warning:** Check stability regularly and ensure all screws are tightened.
- Do not exceed the weight capacity of **300 lbs** per chair.
- Keep away from children when assembling or disassembling to prevent accidents.
- Ensure all components are correctly installed and secured before use.

PRODUCT OVERVIEW

The MFSTUDIO Outdoor Dining Set for 6 is designed for durability and comfort in outdoor environments. This 7-piece set includes a rectangular table with an umbrella hole and six stackable chairs.

Key Features

- **Sturdy & Durable:** High-quality powder-coated steel frame with electrophoretic coating for rust and weather resistance.
- **Stackable Chairs:** Designed for comfort and convenient stacking to save space when not in use.
- **Rectangular Metal Table:** Measures L60" x W38" x H28", suitable for family dinners or gatherings.
- **Umbrella Hole:** Features a 1.57" umbrella hole for installing a patio umbrella (umbrella not included).
- **Easy to Assemble:** Requires self-assembly; all necessary tools are included.

ASSEMBLY INSTRUCTIONS

The MFSTUDIO Outdoor Dining Set requires self-assembly. Please follow the steps below carefully. All necessary tools are included in the package.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the parts list are present and undamaged.
- 2. Assemble the Table Frame:** Attach the table legs to the tabletop frame using the provided bolts and Allen wrench. Do not fully tighten bolts until all components are aligned.
- 3. Secure Tabletop:** Ensure the tabletop is securely fastened to the frame.
- 4. Assemble Chairs:** For each chair, attach the backrest to the seat and then attach the legs. Again, do not fully tighten bolts until all parts are aligned.
- 5. Final Tightening:** Once all parts are assembled and aligned, fully tighten all bolts on both the table and chairs. Periodically check and re-tighten all bolts to maintain stability.

OPERATION

Using the Umbrella Hole

The rectangular table features a central 1.57-inch umbrella hole. To install a patio umbrella (not included), simply

remove the cap from the hole. Ensure the umbrella pole is securely placed and, if applicable, use a base for added stability.

Stacking Chairs for Storage

The chairs are designed to be stackable, allowing for convenient storage and space-saving when not in use. To stack, lift one chair and carefully place it on top of another, aligning the legs and seats. Ensure the chairs are stable when stacked to prevent tipping.

Comfortable Seating

Ergonomically designed metal dining chairs provide both comfort and style. The chairs feature curved backrests and spacious seats, deliver a pleasant dining experience.

MAINTENANCE AND CARE

Proper maintenance will extend the life and appearance of your MFSTUDIO Outdoor Dining Set.

- **Cleaning:** Wipe down the table and chairs regularly with a soft cloth and mild soap and water. Rinse thoroughly with clean water and dry completely to prevent water spots and rust.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, bleach, or strong chemical solutions, as these can damage the powder-coated finish and electrophoretic coating.
- **Weather Protection:** While the set is weather-resistant, consider using outdoor furniture covers during prolonged periods of harsh weather, heavy rain, snow, or extreme temperatures to further protect the finish.
- **Rust Prevention:** Inspect the furniture periodically for any signs of rust or damage to the coating. Touch up any scratches or chips promptly with appropriate outdoor furniture paint to prevent rust from spreading.
- **Stability Check:** Regularly check and tighten all bolts and fasteners to ensure the structural integrity and stability of the furniture.

TROUBLESHOOTING

If you encounter any issues with your dining set, please refer to the following common solutions:

- **Wobbling Table or Chairs:** Ensure all bolts are fully tightened. If the issue persists, loosen all bolts slightly, place the item on a flat surface, apply even pressure, and then re-tighten all bolts.
- **Difficulty Assembling:** Double-check the instruction manual to ensure all steps are followed correctly and all parts are oriented as shown in the diagrams. Ensure you are using the correct hardware for each step.
- **Surface Scratches/Chips:** Minor scratches can be touched up with outdoor-grade metal paint matching the furniture's color to prevent rust.
- **Rust Spots:** If rust appears, clean the area thoroughly, remove any loose rust, and apply a rust-inhibiting primer followed by outdoor-grade paint.
