# POVISON Modular Sectional Sofa Ottoman Instruction Manual

Model: B0DL5PPLX9

## INTRODUCTION

---

Thank you for choosing the POVISON Modular Sectional Sofa Ottoman. This ottoman is designed to provide versatile and comfortable seating, seamlessly integrating with other POVISON modular sofa components. Crafted from Russian pine wood and featuring high-performance velvet fabric, it offers durability and ease of maintenance. This manual provides essential information for setup, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your ottoman.

## SETUP

---

The POVISON Modular Sectional Sofa Ottoman is designed for straightforward assembly. No complex tools are required. Simply unbox and arrange the module as desired.

### Unpacking and Initial Placement

1. Carefully remove the ottoman from its packaging. Inspect all components for any damage.
2. Place the ottoman in your desired location. Ensure the area is clear and provides sufficient space for any additional modular components.
3. The ottoman features pre-installed feet. No additional leg attachment is necessary.

## OPERATING

---

The POVISON Modular Sectional Sofa Ottoman is designed for versatile use within your living space. Its primary function is to provide additional seating, a footrest, or a surface for items.

### Usage as a Footrest or Extra Seating

Position the ottoman in front of a sofa or chair to serve as a comfortable footrest. Its sturdy construction also allows it to be used as additional seating for guests.

# Liquid-Resistant

## MAINTENANCE

Proper care and maintenance will help preserve the appearance and extend the lifespan of your POVISON ottoman.

### Fabric Care

The ottoman features SGS-certified, high-performance velvet fabric that is designed to be water-resistant and scratch-resistant, making it suitable for homes with children and pets.

- **Spill Cleaning:** For liquid spills like water, coffee, soda, or juice, gently blot the area immediately with a clean, dry cloth to prevent stains from forming. The fabric is designed to temporarily repel liquids.
- **General Cleaning:** For routine cleaning, vacuum the fabric regularly using a soft brush attachment to remove dust and debris.
- **Stain Removal:** For tougher stains, use a mild fabric cleaner and follow the product instructions. Always test on an inconspicuous area first. Avoid harsh chemicals or abrasive cleaners.

## Frame Care

The internal frame is constructed from Russian pine wood. Avoid exposing the ottoman to excessive moisture or direct sunlight for prolonged periods, as this can affect the wood's integrity and fabric color.

## TROUBLESHOOTING

---

If you encounter any issues with your POVISON ottoman, please refer to the following common solutions:

- **Wobbly Unit:** Ensure all modular connectors (if used) are securely fastened. Check that the ottoman is placed on a flat, even surface.
- **Fabric Stains:** Refer to the 'Fabric Care' section for cleaning instructions. Act quickly on spills to prevent permanent staining.
- **Discoloration:** Avoid prolonged exposure to direct sunlight, which can cause fabric fading. Rotate modular units periodically to ensure even wear and exposure.
