LIKIMIO Wardrobe Closet Instruction Manual

Model: HK-YG-02

Brand: LIKIMIO

1. PRODUCT OVERVIEW

The LIKIMIO Wardrobe Closet is designed to provide ample storage space for your bedroom. It features a 3-door design with a hanging rod for longer garments, two wardrobe drawers, and two additional drawers at the bottom for personal belongings. Constructed from high-quality MDF wood, this wardrobe is built for stability and durability, offering a modern and refined aesthetic that complements various home decors. It also includes a transparent half-length mirror and four metal hooks on the side for added convenience.

2. IMPORTANT SAFETY INFORMATION

To ensure the safe use of your LIKIMIO Wardrobe Closet, please adhere to the following safety guidelines:

2.1 Anti-Tipping Device

Always secure the wardrobe to the wall using the anti-tip device provided to prevent tipping and potential injury. This device is crucial for stability, especially in households with children or pets.

Figure 2.1: Diagram illustrating the proper installation and function of the anti-tipping device to secure the wardrobe to a wall.

- Do not allow children to climb on or play with the wardrobe.
- Ensure all screws and fasteners are tightened securely during assembly and periodically check them for looseness.
- Place the wardrobe on a level surface to prevent instability.

3. SETUP AND ASSEMBLY

The LIKIMIO Wardrobe Closet is designed for easy assembly. Each part is marked and numbered to correspond with the assembly instructions provided in the packaging. Please follow the step-by-step guide carefully.

3.1 Dimensions

Before assembly, ensure you have adequate space for the wardrobe. The overall dimensions are approximately 36.2"D x 22"W x 68.4"H.

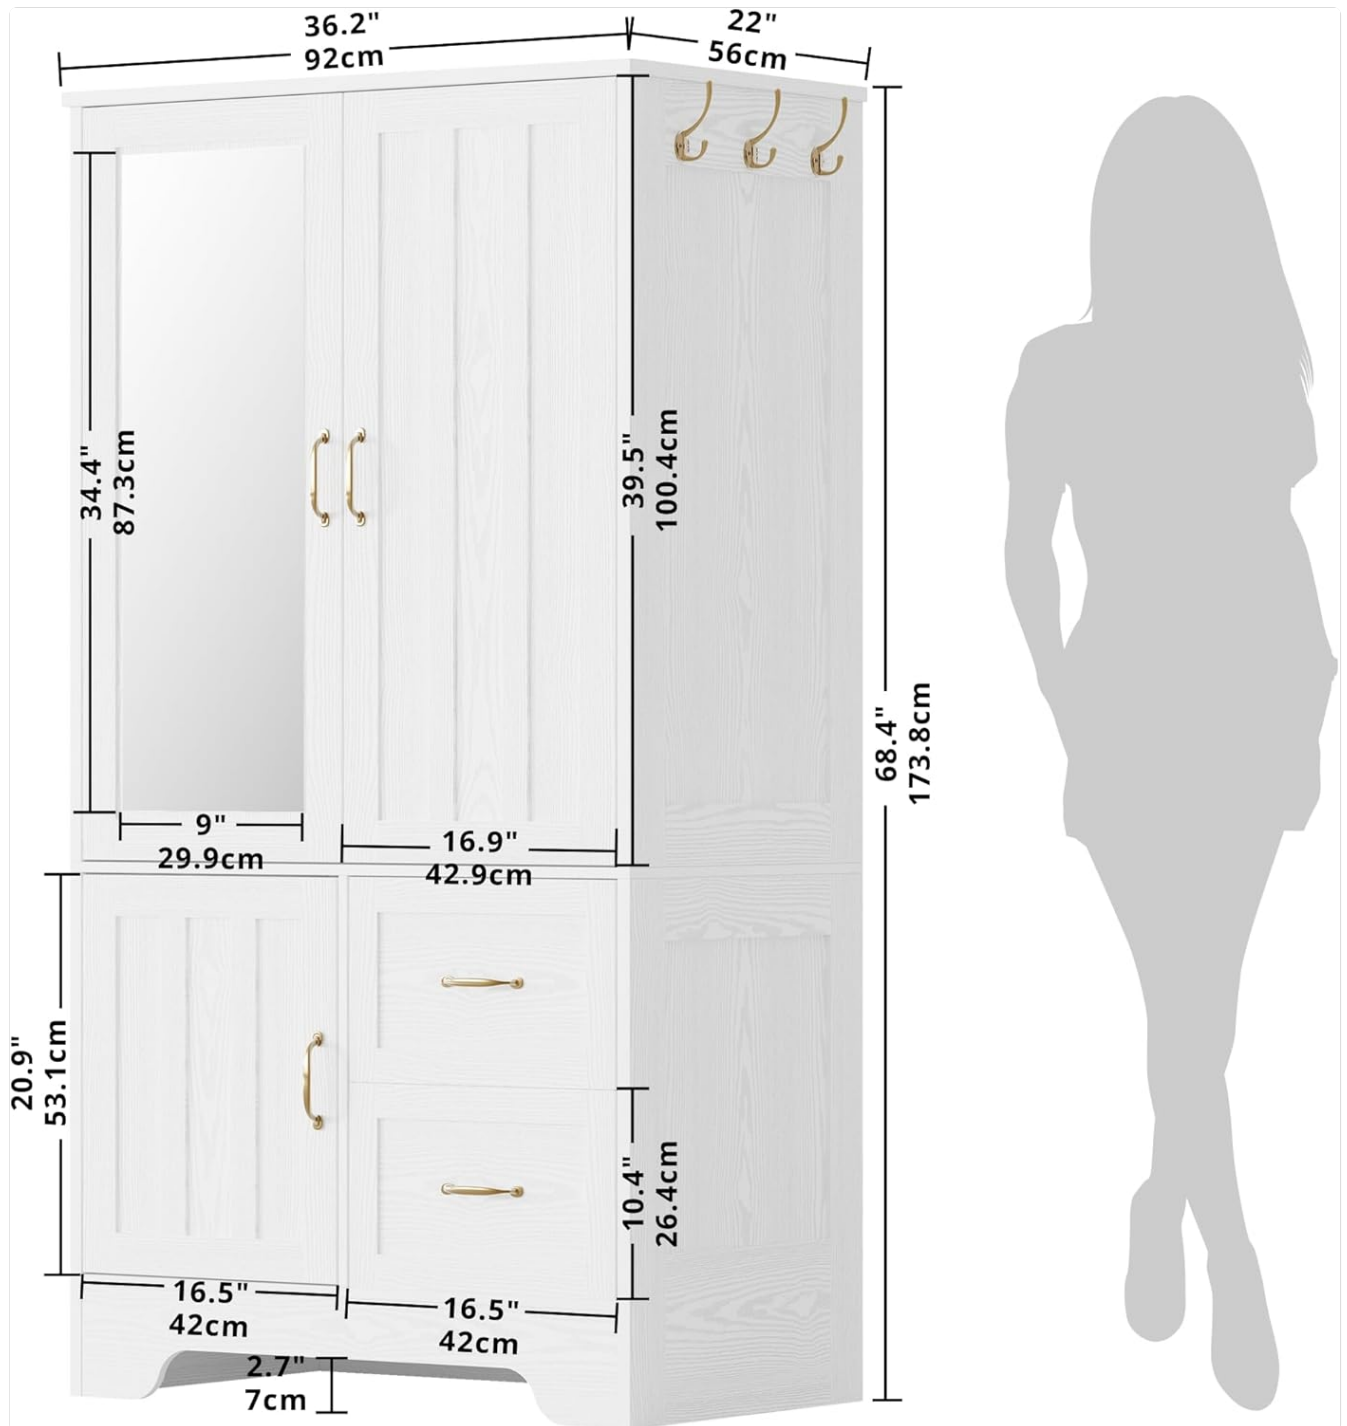

Figure 3.1: Detailed dimensions of the LIKIMIO Wardrobe Closet, including height, width, and depth measurements for various sections.

3.2 Key Components

Familiarize yourself with the main components and hardware before beginning assembly.

Figure 3.2: Close-up views of key components including metal hinges, slide rails for drawers, the strong clothes rod, metal handles, and extra side hooks.

Tools Required: A screwdriver (not included) is typically needed for assembly.

Assembly Tips:

- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws to avoid damaging the wood.
- Ensure all parts are correctly oriented before tightening.

4. OPERATING INSTRUCTIONS

Your LIKIMIO Wardrobe Closet offers versatile storage solutions:

4.1 Storage Capacity

The wardrobe features a dedicated hanging area with a sturdy rod for dresses, coats, and other hanging garments. Below, you'll find a stacking area for folded clothes or storage boxes, and two private storage drawers for smaller items or personal belongings.

Figure 4.1: Internal view of the wardrobe showing designated areas for hanging clothes, stacking items, and private storage in drawers.

Figure 4.2: The wardrobe with its doors and drawers open, displaying ample space for hanging garments, folded items, and accessories.

4.2 Transparent Half-Length Mirror

The integrated mirror on one of the doors allows you to conveniently check your outfit and appearance.

4.3 Side Hooks

Utilize the four metal hooks located on the side of the wardrobe to hang scarves, bags, hats, or other accessories for easy access.

5. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your wardrobe:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Humidity:** Maintain a stable room temperature and humidity level to prevent warping or cracking of the wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

6. TROUBLESHOOTING GUIDE

If you encounter any issues with your LIKIMIO Wardrobe Closet, please refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Wardrobe feels unstable or wobbly.	Not properly secured to the wall; uneven floor; loose fasteners.	Ensure the anti-tip device is correctly installed and secured to a wall stud. Check that the wardrobe is on a level surface. Retighten all assembly screws.
Drawers do not slide smoothly.	Misaligned drawer slides; debris in tracks; overtightened screws.	Check that drawer slides are correctly installed and aligned. Clear any dust or debris from the tracks. Loosen screws slightly if they are too tight.
Doors do not close properly.	Misaligned hinges; loose hinge screws; wardrobe not level.	Adjust the hinges as per assembly instructions. Tighten hinge screws. Ensure the wardrobe is on a level surface.
Mirror appears loose.	Mounting hardware for mirror is loose.	Carefully check and tighten the screws securing the mirror to the door frame.

If the problem persists after attempting these solutions, please contact customer support.
