

JONR ED12 Pro Floor Brush

JONR ED12 PRO Replacement Roller Brush Instruction Manual

Model: ED12 Pro Floor Brush

INTRODUCTION

This manual provides instructions for the installation and maintenance of the JONR ED12 PRO Replacement Roller Brush. This brush is specifically designed for the JONR ED12 Pro wet dry vacuum mop to ensure optimal cleaning performance.

The JONR ED12 PRO Replacement Brush is engineered to effectively pick up dirt, debris, and pet hair from hard floors. Its durable and flexible design allows it to reach into corners and crevices, maintaining your vacuum mop's performance for both wet and dry cleaning tasks.

COMPATIBILITY

This replacement roller brush is designed exclusively for the **JONR ED12 PRO wet dry vacuum mop**. Before installation, verify your vacuum mop model to ensure proper compatibility.

INSTALLATION

Follow these steps to replace the roller brush in your JONR ED12 PRO vacuum mop:

1. Ensure the JONR ED12 PRO vacuum mop is powered off and unplugged from any charging source.
2. Locate the brush cover on the bottom of the vacuum mop.
3. Open the brush cover. Refer to your JONR ED12 PRO vacuum mop's main manual for specific instructions on opening the brush compartment.
4. Carefully remove the old roller brush.
5. Insert the new JONR ED12 PRO Replacement Roller Brush into the designated slot. Ensure it is properly seated. The brush is designed for easy, tool-free installation.
6. Close the brush cover securely.

Compatible with JONR ED12 Pro

Figure 1: Installation of the JONR ED12 PRO Replacement Roller Brush. The image displays the roller brush being slid into the brush compartment of the JONR ED12 Pro vacuum mop, with an arrow indicating the direction of insertion.

OPERATION AND FEATURES

Once installed, the JONR ED12 PRO Replacement Roller Brush works seamlessly with your JONR ED12 PRO wet dry vacuum mop.

- **Hard Floor Cleaning:** Made with high-quality microfiber, this brush effectively vacuums and mops simultaneously, especially when utilizing the JONR ED12 PRO's hot air drying function.
- **Dual-Edge Structure:** The unique dual-edge design allows for efficient cleaning of narrow spaces, baseboards, and corners, ensuring comprehensive coverage.

Figure 2: Dual-edge design in action. The image shows the JONR ED12 Pro vacuum mop with the roller brush cleaning dirt near a wall, highlighting its ability to reach edges with a clearance of less than 0.1 inch.

MAINTENANCE

Regular maintenance of your JONR ED12 PRO Replacement Roller Brush is essential for optimal performance and longevity.

- **Cleaning:** The roller brush is washable. After each use, remove the brush and rinse it under running water to remove trapped debris and dirt.
- **Drying:** Allow the brush to air dry completely before reinstalling it into the vacuum mop.
- **Replacement Cycle:** For best results, it is recommended to replace the roller brush every 3-4 months, depending on usage frequency and cleaning habits. The brush is reusable after cleaning.

Replacement Cycle: 3-4 Months

Figure 3: Maintenance guidelines. This image shows the roller brush partially submerged in water, with icons indicating "Washable" and "Reusable," and text recommending a "Replacement Cycle: 3-4 Months."

Figure 4: Brush construction details. The image highlights three key features: a durable brush roll tab, a well-fitted slot for secure installation, and the high-quality microfiber material of the brush.

TROUBLESHOOTING

If you encounter issues with your JONR ED12 PRO Replacement Roller Brush, consider the following:

- **Brush Not Spinning:**

- Ensure the brush is correctly installed and seated in its slot.
- Check for any hair or debris tangled around the brush ends or within the brush compartment. Clean as necessary.
- Verify that the brush cover is securely closed.

- **Reduced Cleaning Performance:**

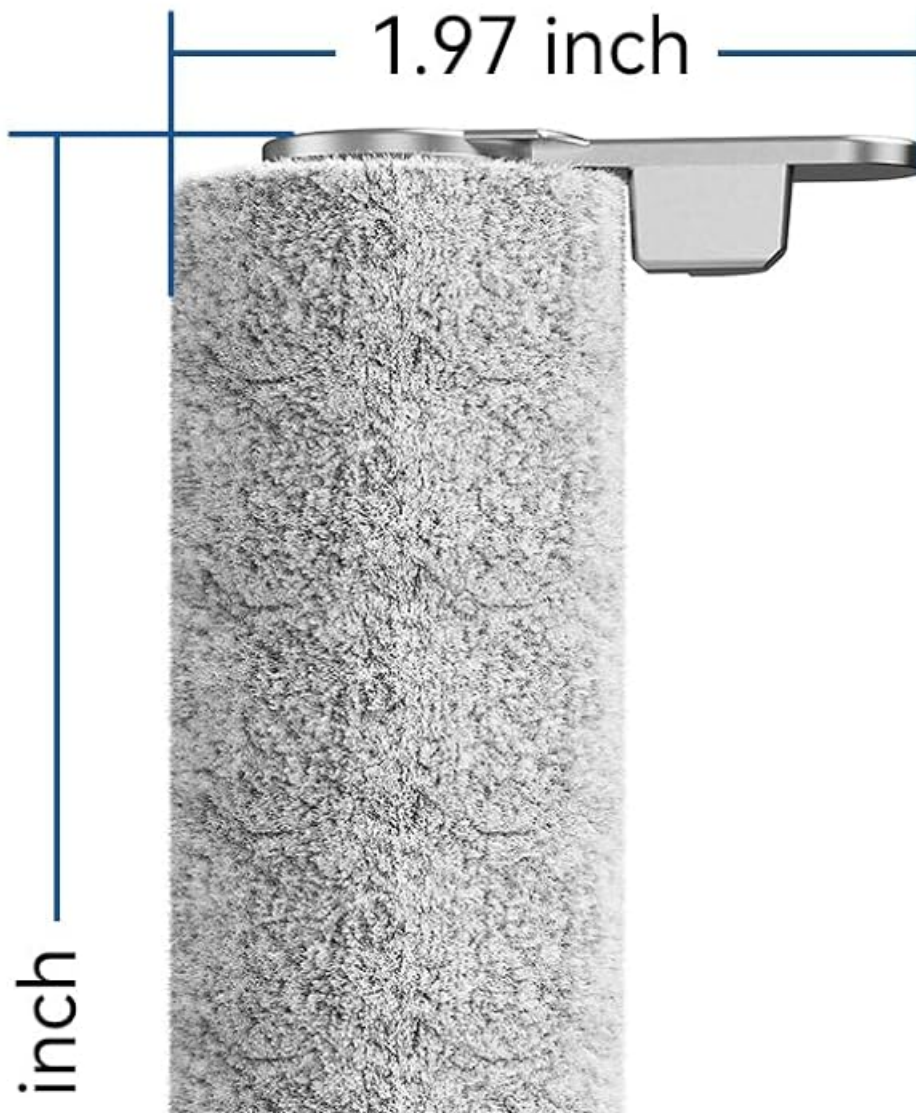

- Clean the roller brush thoroughly to remove accumulated dirt and grime.
- If the brush appears worn or damaged, it may be time for a replacement (recommended every 3-4 months).

For further assistance, refer to the main JONR ED12 PRO vacuum mop user manual or contact JONR customer support.
