5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Asucoora Loveseat.

5.1 Fabric Care (Corduroy/Polyester)

- **Regular Cleaning:** Vacuum regularly using an upholstery attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for corduroy or polyester, testing on an

inconspicuous area first.

- **Removable Cushions:** The seat and back cushions are removable. Refer to any care tags on the cushions for specific washing instructions.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the fabric to fade. Position your furniture away from direct sunlight or use curtains/blinds.
