› Nobleza Retractable Baby and Pet Safety Gate (Model B0DL8YBQDV) - Instruction Manual

Nobleza B0DL8YBQDV

Nobleza Retractable Baby and Pet Safety Gate

Model: B0DL8YBQDV

INTRODUCTION

Thank you for choosing the Nobleza Retractable Baby and Pet Safety Gate. This gate is designed to provide a secure barrier for children aged 6 to 24 months and various pets, preventing access to restricted areas in your home. Its retractable design offers versatility and space-saving convenience, making it suitable for doorways, hallways, and the bottom of staircases. Please read this manual carefully before installation and use to ensure proper function and safety.

HOW TO LOCK

Press The Bottom To Unlock

After pressing the button, the telescopic door will automatically return to the locked state after **30 seconds**

IMPORTANT SAFETY WARNINGS

WARNING: Incorrect installation can be dangerous. Failure to follow these instructions could result in serious injury or death.

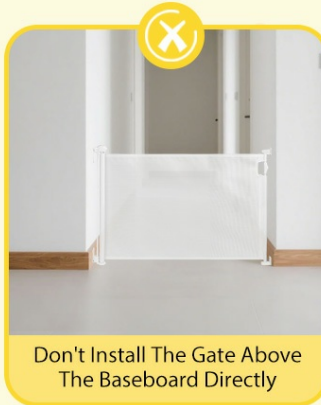

- This safety gate is intended for use with children from 6 to 24 months of age.
- Never use this gate as a barrier for windows or glass panels.
- Do not install the gate directly above a baseboard. Adjustments must be made to accommodate skirting boards to ensure a secure fit.
- Do not install the gate between stair steps. It must be installed at the bottom of a staircase or across a doorway/hallway opening.
- **Do not install this gate at the top of stairs.** This gate is designed for bottom-of-stair use only.
- Always ensure the gate is securely latched and fully extended when in use.

- Regularly check all fittings and mounting hardware to ensure they are tight and secure.
- Never leave children unattended near the gate.

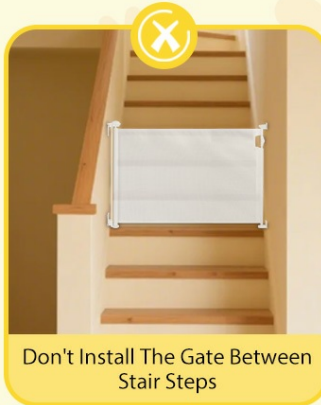

WARNING: INCORRECT INSTALLATION CAN BE DANGEROUS

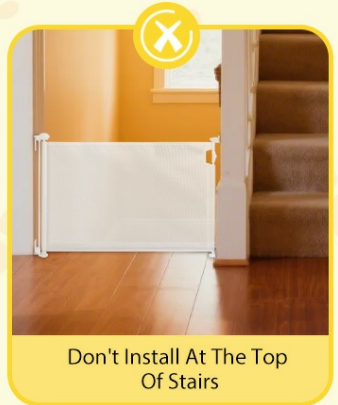

Don't Install The Gate To The Window Or Glass

Don't Install The Gate Above The Baseboard Directly

Don't Install The Gate Between Stair Steps

Don't Install At The Top Of Stairs

SETUP AND INSTALLATION

The Nobleza Retractable Safety Gate is designed for pressure mounting with optional screws for added security. Follow these steps for proper installation:

1. **Mark Holes:** Position the fixing brackets at the desired height and width. Use a pencil to mark the screw hole locations on the wall. Ensure the gate will be installed on a flat, stable surface.
2. **Drill Holes:** Using an appropriate drill bit for your wall type (wood or hard wall), drill pilot holes at the marked locations.
3. **Install Brackets:** Secure the fixing buckles and brackets to the wall using the provided screws. If your wall has a skirting board, select the appropriate skirting board gasket to ensure the gate is mounted flush and securely.
4. **Attach Gate:** Insert the bottom of the gate unit into the bottom fixing buckle.
5. **Latch Mounts:** Secure the upper part of the gate unit into the top fixing buckle. Ensure both top and bottom are firmly seated and the gate mechanism operates smoothly.

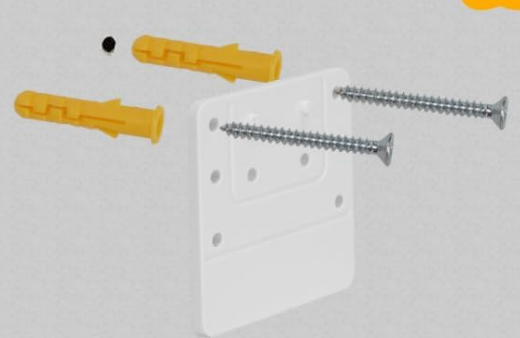

EASY INSTALLATION

1

Drill the screw holes according to the instructions on the installation guide

2

Select the appropriate screws to install the fixing buckles and fixing brackets

3

Select appropriate skirting board gasket according to the actual thickness of the skirting board.

4

Insert the bottom of the door body into the bottom fixing buckle, then secure the upper fixing buckle

Image: A four-step visual guide demonstrating the installation process: marking holes, drilling, installing brackets, and attaching the gate.

The gate extends up to 180 cm in width and has a height of 88 cm. Its retractable design means it retracts completely when not in use, preventing tripping hazards and saving space.

Retractable Design

Retracts when not in use to avoid tripping or taking up space

SUITABLE FOR MOST BABIES AND PETS

OPERATING INSTRUCTIONS

The Nobleza Retractable Safety Gate features a convenient one-hand operation mechanism.

To Open/Unlock:

1. Locate the button on the top of the gate's main unit.
2. Press and hold the button. This will unlock the gate mechanism.
3. While holding the button, gently pull the gate handle to extend the mesh or push to retract it.
4. Once released, the gate will automatically return to a locked state after approximately 30 seconds.

To Close/Secure:

1. Extend the mesh across the opening.

2. Hook the gate handle into the receiving latch on the opposite side.
3. Ensure the gate is fully extended and securely latched. The automatic locking feature will engage.

MAINTENANCE

To ensure the longevity and proper function of your Nobleza Safety Gate, follow these simple maintenance guidelines:

- **Cleaning:** The gate features an elegant white finish and is easy to clean. Wipe the mesh and plastic components with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals, as these can damage the material.
- **Inspection:** Periodically inspect the gate for any signs of wear, damage, or loose components. Ensure all screws and brackets are securely fastened. If any part is damaged, discontinue use and contact customer support for replacement parts or guidance.
- **Mechanism Check:** Regularly test the retraction and locking mechanism to ensure it operates smoothly and securely.

ENVIRONMENTALLY FRIENDLY MATERIALS

Mesh Structure Provides Soft Protection For Your Children Or Pet

Image: A close-up of the mesh material, emphasizing its soft and protective qualities for children and pets, made from environmentally friendly materials.

TROUBLESHOOTING

If you encounter any issues with your Nobleza Safety Gate, please refer to the following common solutions:

- **Gate does not retract or extend smoothly:** Check for any obstructions in the retraction mechanism. Ensure the mesh is not twisted or caught. Clean any debris from the tracks.
- **Gate does not lock securely:** Verify that the gate is fully extended and the handle is properly engaged with the receiving latch. Ensure all mounting brackets are securely fastened to the wall. The automatic locking feature should engage within 30 seconds of closing.
- **Gate feels loose after installation:** Re-check all screws and ensure they are tightened appropriately. Confirm that the skirting board gaskets are correctly installed if applicable, providing a flush and stable mount.

If these steps do not resolve the issue, please contact Nobleza customer support for further assistance.

PRODUCT SPECIFICATIONS

Feature	Specification
Model	B0DL8YBQDV
Brand	Nobleza
Color	White
Adjustable Width	0 - 180 cm
Height	88 cm
Product Weight	1 kg
Mounting Type	Pressure Mount (with optional screws)
Recommended Age	6 - 24 months (children)
