

## AWEI T28

# AWEI T28 Wireless Earbuds User Manual

Model: T28 | Brand: AWEI

### INTRODUCTION

Thank you for choosing the AWEI T28 Wireless Earbuds. These Bluetooth headphones are designed to provide a high-fidelity audio experience with powerful bass, clear calls, and a comfortable, lightweight in-ear fit. Featuring Bluetooth 5.3 technology, smart touch controls, and IPX6 waterproofing, the T28 earbuds are suitable for various activities, from daily commutes to workouts.

### WHAT'S IN THE BOX

- Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual
- Eartips (various sizes)

### PRODUCT OVERVIEW

The AWEI T28 earbuds come with a compact charging case. The earbuds are designed for a secure and comfortable fit, while the case provides convenient charging and storage.

## SETUP

### 1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB Type-C cable to the charging port on the case and a power source. The charging case takes approximately 1.5 hours to fully charge. The earbuds will charge automatically when placed inside the case.

### 2. Initial Pairing

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for "AWEI T28" in the list of available Bluetooth devices and select it to connect.
4. Once connected, you will hear a confirmation prompt, and the earbuds will be ready for use.

The earbuds feature Bluetooth 5.3 technology for a faster and more stable signal transmission with low latency, offering a range of up to 10 meters.

## OPERATING INSTRUCTIONS

### Wearing the Earbuds

Gently insert the earbuds into your ears, ensuring a snug and comfortable fit. The ergonomic design and soft silicone ear caps are designed for extended wear comfort.

### Smart Touch Controls

The AWEI T28 earbuds feature intuitive touch controls on both earbuds for easy management of audio playback and calls:

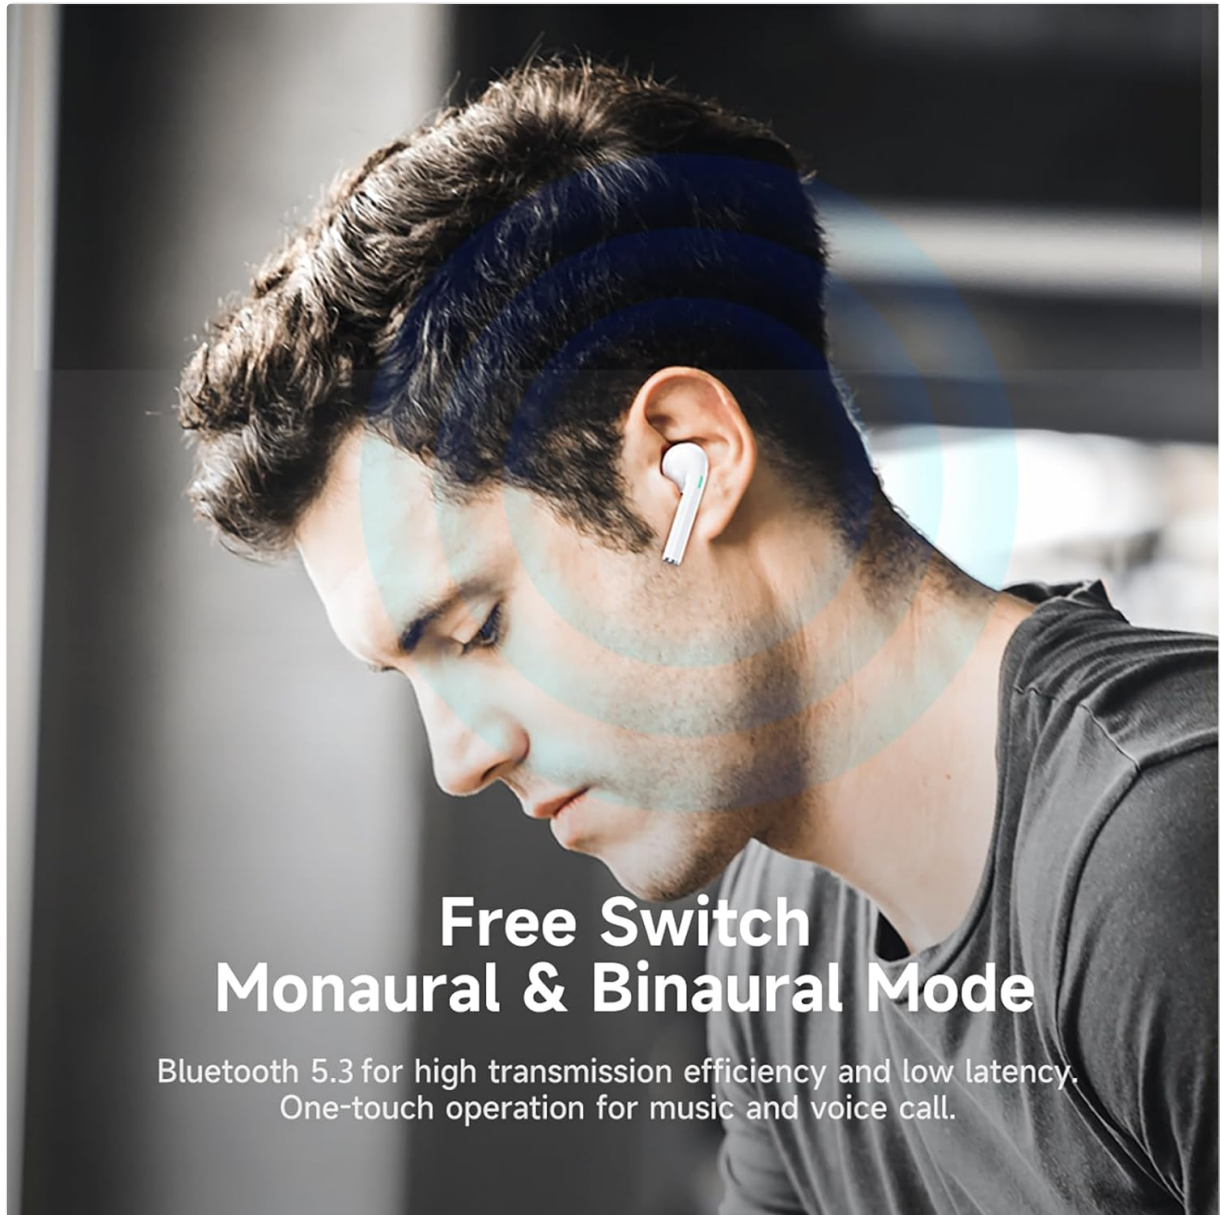

- **Play/Pause:** Single tap on either earbud.
- **Next Song:** Double tap on the right earbud.
- **Previous Song:** Double tap on the left earbud.
- **Volume Up:** Triple tap on the right earbud.
- **Volume Down:** Triple tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold on either earbud during an incoming call.

- **Activate Voice Assistant:** Press and hold for 2 seconds on either earbud (when not on a call).

### **Monaural and Binaural Modes**

The earbuds support both single-ear (monaural) and dual-ear (binaural) modes. You can use either earbud independently or both together. When using a single earbud, the other can remain in the charging case.

## **Free Switch Monaural & Binaural Mode**

Bluetooth 5.3 for high transmission efficiency and low latency.  
One-touch operation for music and voice call.

### **Battery Life**

The AWEI T28 earbuds provide approximately 7 hours of continuous use on a single charge. The 300mAh charging case extends the total playtime to 35 hours in dual-ear mode. By alternating between left and right earbuds in single-ear mode, you can achieve up to 70 hours of music time.

# Breathtaking and Smooth Updated Bluetooth Version: 5.1

Immersive - No delay for games,  
music, and movies.

## MAINTENANCE

### Cleaning

Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals. Ensure charging contacts on both earbuds and case are clean to maintain proper charging.

### Water Resistance (IPX6)

The AWEI T28 earbuds are rated IPX6 waterproof, meaning they are protected against powerful water jets. This makes them suitable for use during workouts or in light rain, effectively preventing erosion from rain and sweat. However, they are not designed for submersion in water.

# IPX6 for Water Repellency

Effectively prevent the erosion from rain and sweat  
No matter in Gym or outdoors

## TROUBLESHOOTING

Problem	Solution
Earbuds not pairing	Ensure earbuds are charged. Place them back in the case, close, then open again to re-enter pairing mode. Turn off and on Bluetooth on your device. Forget "AWEI T28" from your device's Bluetooth list and re-pair.
Only one earbud working	Ensure both earbuds are charged. Place both earbuds back in the charging case, close the lid for 5 seconds, then open. They should automatically reconnect to each other. If not, try resetting the earbuds (refer to manual for specific reset instructions if available, otherwise try forgetting device and re-pairing).
Low volume or poor sound quality	Adjust volume on both your device and the earbuds. Ensure earbuds are clean and free of debris. Try different sized eartips for a better seal.

Problem	Solution
Charging issues	Check the charging cable and adapter. Ensure charging contacts on earbuds and case are clean and dry.
Bluetooth connection drops frequently	Ensure your device is within the 10-meter Bluetooth range. Avoid obstacles between the earbuds and your device. Reduce interference from other wireless devices.
