T4TREAM Farmhouse Queen Size Bed Frame Instruction Manual

Model: TFHCQBW2DR | Brand: T4TREAM

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your T4TREAM Farmhouse Queen Size Bed Frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Important Safety Information

- Ensure mattress height is between 8-14 inches for optimal fit and safety.
- Assemble carefully following all instructions to prevent instability.
- Do not exceed the maximum weight capacity of 900 lbs.
- Always use two people for assembly to ensure safety and ease of construction.
- Keep small parts away from children during assembly.

Package Contents

Verify that all components are present before beginning assembly. The product is shipped in multiple boxes and may not arrive on the same day.

- Headboard (54" Tall Geometric Design)
- Footboard (18" Elevated)
- Side Rails
- 2 Large Storage Drawers with metal handles and smooth-gliding slides
- Wood Slats (approximately 30 sturdy hardwood slats)
- Metal Skeletons (2)
- Support Legs (4 additional)
- Assembly Hardware (screws, bolts, upgraded locking system components)

- Assembly Instructions

Figure 1: Product Dimensions and Key Features. Note the two boxes for shipping.

Setup and Assembly Instructions

Assembly of this bed frame requires two individuals. All parts are clearly labeled, and detailed instructions are included in your package. Please follow the step-by-step guide provided with your product for a smooth assembly process.

Key Assembly Considerations:

- **Tools:** While basic tools are usually provided, a drill set can expedite the process.
- **Component Identification:** Match all labeled parts to the diagrams in the included instruction booklet.
- **Frame Construction:** The bed frame is constructed from high-density engineered wood and reinforced with two metal skeletons and four additional support legs for enhanced stability.
- **Slat Installation:** The 30 sturdy hardwood slats and upgraded locking system ensure a strong foundation. Ensure

each slat is securely fastened.

- **Drawer Assembly:** Carefully assemble the two large storage drawers, ensuring the smooth-gliding slides are correctly installed for effortless operation.

Operating Instructions

Mattress Placement

This platform bed frame is designed to be used without a box spring. Place your queen-size mattress directly onto the installed wood slats. Ensure your mattress height is between 8 and 14 inches for the best aesthetic and functional fit with the 54-inch tall headboard and 18-inch elevated footboard.

Using the Storage Drawers

The two large storage drawers located at the foot of the bed provide convenient hidden storage. To open, gently pull the

metal handles. The drawers are equipped with smooth-gliding slides for easy and quiet access. These are ideal for storing bedding, pillows, or seasonal clothing, helping to keep your bedroom organized and clutter-free.

Figure 3: Open Storage Drawers demonstrating capacity.

Maintenance and Care

To maintain the appearance and longevity of your T4TREAM bed frame, follow these care instructions:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the distressed finish.
- **Regular Checks:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary to maintain structural integrity.
- **Under-bed Cleaning:** The 6.1-inch under-bed clearance allows for easy cleaning, including access for robotic vacuums.

Troubleshooting

If you encounter any issues during assembly or use, please refer to the following common solutions:

- **Difficulty Assembling:** Ensure all parts are correctly oriented according to the diagrams in the instruction manual. Double-check that you are using the correct hardware for each step. Assembly is significantly easier with two people.
- **Drawers Not Sliding Smoothly:** Verify that the drawer slides are installed correctly and are free from obstructions. Ensure the drawer box itself is assembled squarely.
- **Bed Frame Instability/Creaking:** Confirm that all bolts and screws are fully tightened. Ensure all support legs are making firm contact with the floor. The upgraded locking system for the slats should be properly engaged.
- **Missing Parts:** If any parts are missing, please contact T4TREAM customer support with your model number and a description of the missing components.

Specifications

Feature	Detail
Model Number	TFHCQBW2DR
Size	Queen (U.S. Standard)
Product Dimensions (L x W x H)	85.1" x 64.7" x 54"
Headboard Height	54"
Footboard Height	18"
