## SETUP AND FIRST USE

---

Your Generic Madam 5 Perfume is ready for immediate use upon unboxing. No assembly or special preparation is required.

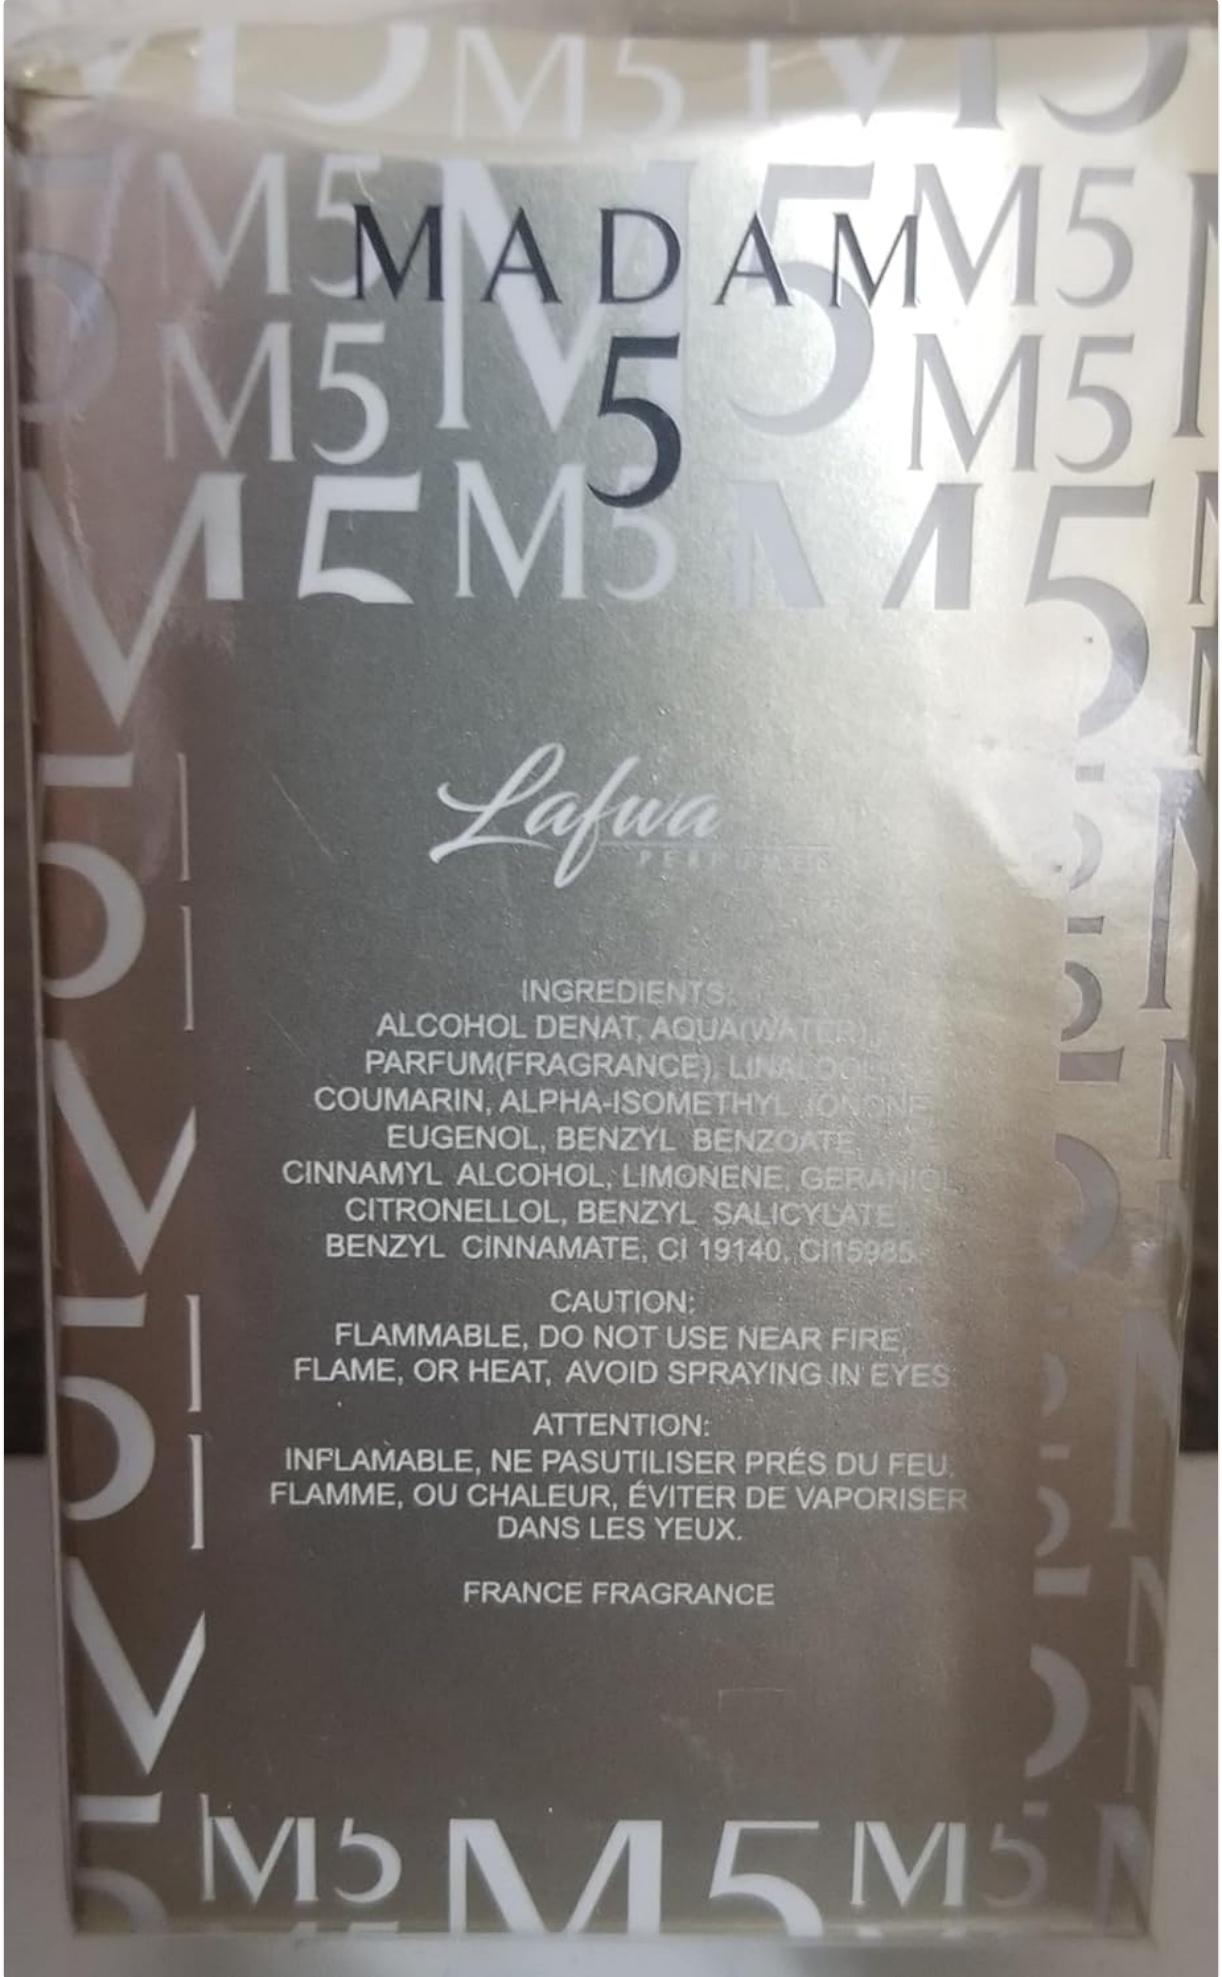

1. Carefully remove the perfume bottle from its packaging.
2. Remove the cap from the spray nozzle.
3. For first use, you may need to prime the pump by pressing the spray nozzle a few times until a fine mist appears.

## OPERATING INSTRUCTIONS

---

To apply the Generic Madam 5 Perfume:

1. Hold the bottle approximately 6-8 inches (15-20 cm) away from your skin.
2. Apply 2-3 sprays to pulse points such as wrists, neck, and behind the ears for long-lasting wear.
3. Avoid rubbing the perfume into your skin after application, as this can alter the fragrance.

## CARE AND MAINTENANCE

- Always replace the cap after use to prevent evaporation and maintain fragrance integrity.
- Store the perfume in its original packaging or a cool, dark place, away from direct sunlight and extreme temperatures.
- Do not store in humid environments like bathrooms, as this can degrade the fragrance over time.
- Clean the exterior of the bottle with a soft, dry cloth if needed. Do not use harsh chemicals.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Sprayer not working	Nozzle is clogged or pump needs priming.	Press the sprayer several times to prime. If clogged, gently wipe the nozzle with a damp cloth.
Fragrance seems weak or doesn't last	Improper application or storage.	Ensure application to pulse points. Store in a cool, dark place away from heat and light.
Skin irritation after application	Allergic reaction to an ingredient.	Discontinue use immediately. Consult a healthcare professional if irritation persists.
