Groove Electronics Wireless Bluetooth Earbuds

Model: X31

[Overview](#) [Setup](#) [Operation](#) [Introduction](#) [What's in the Box](#) [Product](#)
[Maintenance](#) [Troubleshooting](#) [Specifications](#) [Warranty & Support](#)

1. INTRODUCTION

Thank you for choosing the Groove Electronics Wireless Bluetooth Earbuds, Model X31. These earbuds are designed to provide a high-fidelity audio experience with the convenience of wireless connectivity, perfect for an active lifestyle. Featuring IPX7 waterproof protection, a secure comfort fit, and extended battery life, they are built to accompany you through workouts, daily commutes, and leisure activities. This manual provides essential information on how to set up, operate, maintain, and troubleshoot your new earbuds to ensure optimal performance and longevity.

2. WHAT'S IN THE BOX

Please verify that all items listed below are included in your package:

- Groove Electronics Wireless Bluetooth Earbuds (Left & Right)
- Portable Charging Case
- USB-C Charging Cable
- Multiple Sizes of Eartips (Small, Medium, Large)

Contents of the product packaging, including the wireless earbuds, charging case, ear tips, and USB-C charging cable.

3. PRODUCT OVERVIEW

The Groove Electronics X31 earbuds are designed for comfort, durability, and superior sound quality. They feature an ergonomic ear hook design for a secure fit during any activity and are equipped with advanced Bluetooth 5.3 technology for stable and fast connections.

3.1 Key Features

- **IPX7 Waterproof Protection:** Resistant to sweat, rain, and accidental immersion.
- **Secure Comfort Fit:** Ergonomic ear hooks ensure stability during intense activities.
- **Extended Playtime:** Up to 14 hours on a single charge, and 80 hours with the charging case.
- **High-Fidelity Sound:** Dynamic drivers deliver crisp highs, rich mids, and powerful bass.
- **Intuitive Button Controls:** Easy management of music, calls, and voice assistant.
- **Fast Bluetooth 5.3 Pairing:** Quick and stable connection to your devices.

Groove Electronics Wireless Bluetooth Earbuds (Model X31) in their charging case, accompanied by a USB-C charging cable and various sizes of eartips.

Close-up of the earbuds with water droplets, highlighting their IPX7 waterproof and sweat-resistant design for active use.

Diagram illustrating the immersive high-definition stereo sound experience provided by the earbuds, with musical notes and a speaker icon.

4. SETUP

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The charging case features an LED display indicating the battery percentage.

1. Place the earbuds into the charging case, ensuring they are correctly seated.
2. Connect the USB-C charging cable to the charging port on the case and plug the other end into a USB power source (e.g., wall adapter, computer USB port).
3. The LED display on the case will show the charging status. Once fully charged, the display will indicate 100%.
4. A full charge provides up to 14 hours of playtime for the earbuds, and the charging case holds multiple charges for a total of up to 80 hours of listening time.

Illustration demonstrating the extended battery life of the earbuds, showing 14 hours on a single charge and up to 80 hours with the charging case, along with the convenient LED power display.

4.2 Pairing with Your Device

The earbuds will automatically enter pairing mode when taken out of the charging case.

1. Open the charging case and remove both earbuds. They will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, laptop, etc.), enable Bluetooth.
3. Search for new Bluetooth devices. Select "GROOVE-X31" from the list of available devices.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.
5. The earbuds will automatically reconnect to the last paired device when removed from the case, if Bluetooth is enabled on the device.

LIGHTNING ⚡ FAST BLUETOOTH PAIRING FOR SEAMLESS CONNECTIVITY

Image depicting the fast Bluetooth pairing process, showing the earbuds connecting to a smartphone with Bluetooth 5.3 technology for seamless connectivity.

5. OPERATION

5.1 Button Controls

The earbuds feature intuitive push-button controls on each earbud. The functions can be performed on either the left (L) or right (R) earbud unless specified.

Action	Control	Function
Single Press (x1)	L/R	Play/Pause Music, Answer/Hang Up Call
Double Press (x2)	L/R	Switch Song (Next Track)
Triple Press (x3)	L/R	Activate Voice Assistant (Siri, Google Assistant)
Press & Hold (2S)	L/R	Adjust Volume (L: Volume Down, R: Volume Up)
Press & Hold (2S)	L/R	Reject Call
Press & Hold (5S)	L/R	Power On/Off
Five Presses (x5)	L/R	Reset Earbuds

Detailed diagram of the intuitive push-button controls on the earbuds, outlining functions such as play/pause, track switching, volume adjustment, call management, voice assistant activation, and power on/off.

6. MAINTENANCE

Proper care and maintenance will ensure the longevity and optimal performance of your earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. For the eartips, remove them and clean with a mild soap solution if necessary, then rinse and dry thoroughly before reattaching. Ensure charging contacts are free of debris.
- **Water Exposure:** While IPX7 waterproof, avoid prolonged submersion. After exposure to sweat or water, wipe the earbuds dry before placing them back in the charging case to prevent corrosion of charging contacts.
- **Storage:** Store the earbuds in their charging case when not in use to protect them from dust and damage. Store in a cool, dry place away from extreme temperatures.
- **Battery Care:** To preserve battery life, avoid fully discharging the earbuds and charging case frequently. Charge them regularly, even if not used for extended periods.

7. TROUBLESHOOTING

If you encounter any issues with your earbuds, please refer to the following common solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Earbuds not powering on	Low battery	Place earbuds in the charging case and ensure the case is charged.
Cannot pair with device	Bluetooth off, out of range, or previously paired	Ensure Bluetooth is on. Move closer to device. Forget "GROOVE-X31" on your device's Bluetooth list and re-pair.
Only one earbud working	Connection issue between earbuds or with device	Place both earbuds back in the case, close it, then open and remove them again. If issue persists, perform a factory reset (see below).
No sound or low volume	Volume too low, incorrect audio output, or earbud blockage	Adjust volume on both earbuds and your device. Check device's audio output settings. Clean eartips and earbud mesh.
Charging case not charging	Faulty cable/adaptor or dirty port	Try a different USB-C cable and power adapter. Ensure the charging port is clean and free of debris.

7.1 Factory Reset

If you experience persistent connectivity issues or other malfunctions, a factory reset may resolve the problem:

1. Ensure both earbuds are in the charging case.
2. On each earbud, quickly press the control button five times (x5).
3. The earbuds will reset. Remove them from the case and attempt to re-pair with your device.

8. SPECIFICATIONS

Feature	Detail
Model Name	Groove Electronics Wireless Bluetooth Earbuds with Charging Case
Model Number	X31
Connectivity Technology	Wireless
Wireless Communication Technology	Bluetooth
Bluetooth Version	5.3
Bluetooth Range	50 Feet
Water Resistance Level	Waterproof (IPX7)
Battery Life (Earbuds)	Up to 14 Hours (single charge)

Feature	Detail
Total Playtime (with Case)	Up to 80 Hours
Control Method	Remote (Button Control)
Ear Placement	In Ear (with ear hook)
