1. SAFETY INSTRUCTIONS

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- All fabric and upholstered surfaces meet flammability standards. Keep away from open flames or high heat sources.
- Supervise children and pets to avoid entrapment risks, especially when operating the pull-out bed or storage compartments.
- Ensure all modules are securely connected before use to prevent shifting or instability.
- Do not stand on the sofa or use it as a step stool.
- Avoid placing heavy or sharp objects on the fabric to prevent damage.

4. SETUP AND ASSEMBLY

Assembly of this modular sectional sofa is designed to be straightforward. Follow these steps to set up your sofa:

1. Unpack all components from the 8 boxes. Lay out all parts and verify against the parts list (not provided in this document, refer to included paper manual if available).
2. Connect the individual modular sections using the provided connectors. Ensure each section is firmly interlocked to create a stable structure.
3. Place the seat cushions and back cushions onto their respective modules.
4. Arrange the modules into your desired configuration (e.g., L-shaped, U-shaped, or straight sofa).

5. OPERATING INSTRUCTIONS

5.1 Pull-Out Bed Function

To transform your sectional sofa into a sleeper bed, locate the pull-out mechanism on the designated module. Gently pull the handle to extend the bed section. Ensure it locks securely into place for a stable sleeping surface. To retract, lift slightly and push the section back into the sofa frame until it clicks into its original position.

6. MAINTENANCE

Proper care will extend the life and appearance of your Belfin sofa.

- **Cleaning:** The plush corduroy fabric covers are removable and machine washable. Use cold water and dry on low heat. Avoid harsh chemicals or abrasive cleaners.
- **Fluffing:** Cushions may require occasional fluffing to maintain their shape and comfort, especially after prolonged use or shipment. Allow up to 48 hours for cushions to fully expand after unpacking.
- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub.
- **General Care:** Vacuum regularly with a soft brush attachment to remove dust and debris.

7. TROUBLESHOOTING

- **Sofa feels too firm:** New cushions may feel firm initially. They will soften with use over time. Allow up to 48 hours for cushions to fully expand after unpacking.
- **Modules are shifting:** Ensure all connecting brackets between modules are properly engaged and secured.
- **Pull-out bed not extending/retracting smoothly:** Check for any obstructions in the mechanism. Ensure the module is on a flat, even surface.
- **Fabric appears wrinkled or flattened:** Gently fluff and pat the cushions. The plush corduroy will regain its texture.
