VINGLI DS0FMXJ-1

VINGLI Fireplace TV Stand (Model DS0FMXJ-1) Instruction Manual

Your guide to assembly, operation, and maintenance.

1. INTRODUCTION

Thank you for choosing the VINGLI Fireplace TV Stand, Model DS0FMXJ-1. This manual provides essential information for the safe assembly, operation, and maintenance of your new entertainment center. Please read all instructions carefully before beginning assembly or using the product to ensure proper function and safety.

2. SAFETY INFORMATION

General Safety Precautions:

- Always follow assembly instructions precisely. Incorrect assembly can lead to instability and injury.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight capacity of 420 lbs for the TV stand.
- Place the TV stand on a flat, level surface to prevent tipping.
- Keep children and pets away from the product during assembly and ensure they do not climb on or play with the stand.
- This product contains engineered wood and metal components. Handle with care.

Electric Fireplace Safety:

- The electric fireplace unit is designed for indoor use only.
- Do not block the air vents of the fireplace unit. Ensure adequate clearance around the unit for proper ventilation.
- Never cover the fireplace unit or place flammable materials near it.
- Ensure the power cord is not pinched or routed under the unit.

- The fireplace is equipped with overheating protection. If the unit overheats, it will automatically shut off. Unplug the unit and allow it to cool before restarting.
- Only use the fireplace with a properly grounded electrical outlet.
- Do not operate the fireplace if the cord or plug is damaged, or if the unit malfunctions. Contact customer support for assistance.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact VINGLI customer support immediately.

The VINGLI Fireplace TV Stand is typically delivered in two separate packages. These packages may arrive at different times.

18 INCH Fireplace With Remote Control

(burn with or without heater)

Authentic flame effect

0.5-6 Hours Timer

62°F-82°F

Seven Mesmerizing Flame Colors

Overheating protection

CSA Listed

Figure 3.1: Electric fireplace unit and packaging information. Note that the item will be delivered in 2 packages.

Included Components:

- TV Stand Panels (Engineered Wood)
- Electric Fireplace Unit

- Assembly Hardware (screws, dowels, cam locks, etc.)
- Remote Control for Fireplace
- Instruction Manual (this document)

4. SETUP AND ASSEMBLY

Assembly typically requires two adults. Clear a spacious area for assembly and have a Phillips head screwdriver and possibly a drill (for pilot holes if needed) readily available. Follow the included step-by-step diagrams carefully.

Assembly Steps Overview:

1. **Unpack and Identify Parts:** Lay out all panels and hardware. Match them against the parts list in your separate assembly guide.
2. **Assemble Side Frames:** Attach the criss-cross embellishments and support legs to the side panels.
3. **Construct Center Section:** Assemble the frame for the central fireplace compartment.
4. **Integrate Shelves:** Insert the adjustable shelves into the designated slots. The shelves can be positioned at various heights or removed entirely to accommodate different items.
5. **Connect Sections:** Join the side frames with the center section using the provided hardware.
6. **Install Top Panel:** Secure the top surface of the TV stand.
7. **Insert Fireplace Unit:** Carefully slide the electric fireplace unit into its designated opening in the center section. Ensure it fits snugly and is flush with the front of the stand.
8. **Final Tightening:** Once fully assembled, gently move the stand to its desired location and re-tighten all hardware to ensure stability.

Personalized Storage Options

Flexible storage to meet your specific needs

5. OPERATING INSTRUCTIONS (ELECTRIC FIREPLACE)

The integrated electric fireplace provides both aesthetic flame effects and heating functionality.

Controls: The fireplace can be operated using the control panel on the unit or the included remote control.

Functions:

- **Power On/Off:** Press the power button to turn the unit on or off.
- **Flame Effect:** Cycle through seven captivating flame colors by pressing the flame button. The flame effect can be used independently of the heater.
- **Heater:** Activate the heater function. The temperature can be adjusted within a range of 62°F to 82°F (17°C to 28°C).
- **Timer:** Set an automatic shut-off timer for 0.5 to 6 hours.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your VINGLI Fireplace TV Stand.

TV Stand Care:

- Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- Spills should be wiped immediately to prevent staining.
- Periodically check all hardware connections and re-tighten if necessary.

Fireplace Unit Care:

- Ensure the unit is unplugged and cool before cleaning.
- Wipe the exterior with a soft, damp cloth.
- Do not immerse the unit in water or spray liquids directly onto it.
- Keep the air intake and exhaust vents clear of dust and debris.

7. TROUBLESHOOTING

If you encounter issues with your VINGLI Fireplace TV Stand, refer to the following common solutions. If problems persist, contact customer support.

Assembly Issues:

- **Parts do not align or fit:** Double-check the assembly diagrams and ensure you are using the correct parts for each step. Sometimes, parts may appear similar but have subtle differences. Do not force components together.
- **Missing hardware or damaged parts:** Stop assembly immediately and contact VINGLI customer support for replacement parts.
- **Fireplace unit does not fit:** Ensure the fireplace opening is clear of any obstructions and that the unit is oriented correctly. Verify the model number of your fireplace unit matches the specifications for the TV stand.

Fireplace Operation Issues:

- **Fireplace does not turn on:** Ensure the unit is properly plugged into a working electrical outlet. Check if the circuit breaker has tripped. Verify the power button on the unit or remote is pressed.
- **No heat output:** Confirm the heater function is activated and the temperature setting is above the ambient room temperature. Check for any obstructions to the air vents. The overheating protection may have activated; unplug and allow to cool.
- **Remote control not working:** Replace the batteries in the remote control. Ensure there are no obstructions between the remote and the fireplace unit's sensor.
