QUI BK600-black-c

QUI Presentation Clicker User Manual

Model: BK600-black-c

Brand: QUI

1. INTRODUCTION

The QUI Presentation Clicker is a versatile wireless remote designed for seamless presentations. This device allows you to control your slides, use a laser pointer, and manage volume from a distance, enhancing your interaction with the audience. Its plug-and-play functionality ensures quick setup and broad compatibility with various operating systems and presentation software.

4. SETUP

4.1. Battery Installation

1. Open the battery compartment cover on the back of the presenter.
2. Insert one AAA battery, ensuring correct polarity (+/-).
3. Close the battery compartment cover securely.

4.2. Connecting the Receiver

The QUI Presentation Clicker features a magnetic design for the receiver, which is stored conveniently within the presenter itself. It supports both USB and USB-C connections.

Plug&Play

MAGNETIC DESIGN

Just Plug The Usb Receiver Into The Computer, No Need To Download Additional Drivers

Image: The QUI Presentation Clicker with its magnetic USB receiver being inserted into a laptop's USB port, illustrating the plug-and-play functionality.

2 in 1 USB Type C

The presenter clicker comes with a unique dual-head design, USB & TYPE-C can meet all your need.

Image: Close-up of the 2-in-1 USB Type-C receiver, showing its dual-head design for compatibility with both standard USB and USB-C ports on a laptop.

1. Gently pull out the USB/USB-C receiver from the bottom of the presenter.
2. Plug the receiver into an available USB or USB-C port on your computer.
3. Turn on the presenter using the Power On/Off switch. The LED indicator will light up, signifying a successful connection.

No software or additional drivers are required for installation. The device is ready for use immediately after connecting the receiver.

Model Number	BK600-black-c
Connectivity Technology	RF 2.4GHz Wireless
Wireless Range	Up to 328 feet (100 meters)
Laser Type	Red Laser
Receiver Type	2-in-1 USB and USB-C
Power Source	1 x AAA Battery (not included)
Item Weight	1.13 ounces (approx. 32 grams)
Package Dimensions	6.69 x 1.73 x 0.75 inches (approx. 17 x 4.4 x 1.9 cm)
Special Feature	Ergonomic design, Portable clip
Max Number of Supported Devices	1
Manufacturer	QUI Technology Co., Ltd.

8. TROUBLESHOOTING

If you encounter issues with your QUI Presentation Clicker, please refer to the following common solutions:

- **No Response from Presenter:**
 - Ensure the presenter is turned on using the Power On/Off switch.
 - Check if the AAA battery is inserted correctly and has sufficient charge. Replace if necessary.
 - Verify that the USB/USB-C receiver is securely plugged into your computer's port.
 - Try plugging the receiver into a different USB/USB-C port on your computer.
 - Ensure the presenter is within the effective wireless range (up to 328 feet) of the receiver.
- **Laser Pointer Not Working:**

- Make sure the presenter is powered on.
 - Ensure you are pressing and holding the Laser Key correctly.
 - Check the battery level. A low battery might affect laser performance.
- **Buttons Not Functioning Correctly:**
 - Confirm that the receiver is properly connected and the presenter is paired.
 - Restart your computer and try reconnecting the receiver.
 - Ensure your presentation software is active and in focus.

9. MAINTENANCE

To ensure the longevity and optimal performance of your QUI Presentation Clicker, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the surface of the presenter. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the presenter in a cool, dry place when not in use. If storing for an extended period, remove the AAA battery to prevent leakage.
- **Handling:** Avoid dropping the presenter or subjecting it to strong impacts, which can damage internal components.
- **Receiver Care:** Always store the USB/USB-C receiver in its designated magnetic slot within the presenter to prevent loss or damage.

10. WARRANTY AND SUPPORT

Specific warranty details for the QUI Presentation Clicker are not provided in this manual. For information regarding warranty coverage, technical support, or service inquiries, please contact the seller or manufacturer directly through their official channels.

Manufacturer: QUI Technology Co., Ltd.

Please retain your purchase receipt as proof of purchase for any warranty claims.
