STARBLITZ WIZZ-9

STARBLITZ WIZZ-9 Camera Shoulder Bag Instruction Manual

Model: WIZZ-9 (Z1250039)

1. INTRODUCTION

Thank you for choosing the STARBLITZ WIZZ-9 Camera Shoulder Bag. This manual provides essential information for the proper use, setup, and maintenance of your new camera bag. Please read these instructions carefully to ensure optimal protection and longevity for your photographic equipment.

1.1 Package Contents

- STARBLITZ WIZZ-9 Camera Shoulder Bag
- Adjustable Shoulder Strap
- Removable Internal Separator

2. FEATURES

The STARBLITZ WIZZ-9 is a versatile and protective shoulder bag designed for hybrid cameras and camcorders. Key features include:

- **Hydrophobic Fabric:** The exterior material is designed to repel water, offering enhanced protection against light rain and splashes.
- **Protective Padding:** Internal padding safeguards your equipment from impacts, friction, and scratches.
- **Removable Separator:** An adjustable internal divider allows for customized organization of your camera body, lens, and accessories.
- **Multiple Carrying Options:** Equipped with an adjustable shoulder strap and integrated belt loops for flexible transport.
- **Internal Mesh Pocket:** A convenient mesh pocket inside the lid provides storage for small accessories like memory cards or batteries.

3. SETUP

3.1 Attaching the Shoulder Strap

1. Locate the D-rings on each side of the bag.
2. Attach the clips of the adjustable shoulder strap to these D-rings.
3. Adjust the strap length to your preferred carrying height.

3.2 Organizing the Interior

The WIZZ-9 bag features a removable separator to adapt the interior space to your equipment.

1. Open the main compartment of the bag.
2. Position the removable separator using the hook-and-loop fasteners to create compartments that snugly fit your camera body, lens, and any other accessories.
3. Ensure your equipment is securely placed and well-padded to prevent movement during transport.

4. OPERATING

4.1 Carrying the Bag

The WIZZ-9 offers two primary carrying methods:

- **Shoulder Carry:** Use the adjustable shoulder strap for comfortable over-the-shoulder or cross-body carrying.
- **Belt Carry:** Thread your belt through the integrated loops on the back of the bag for secure waist-level transport.

4.2 Accessing Equipment

The main compartment is accessed via a zippered opening on the top of the bag. The internal mesh pocket is located on the underside of the lid for quick access to small items.

Figure 3: Exterior view of the STARBLITZ WIZZ-9 camera shoulder bag, highlighting its compact design.

5. MAINTENANCE

5.1 Cleaning

- For light dirt, wipe the exterior with a soft, damp cloth.
- Do not use harsh chemicals or abrasive cleaners, as these may damage the hydrophobic coating or fabric.
- Allow the bag to air dry completely before storing or using.
- The interior can be gently cleaned with a soft brush or vacuum cleaner to remove dust and debris.

5.2 Storage

Store the bag in a cool, dry place away from direct sunlight when not in use to preserve its material integrity.

6. TROUBLESHOOTING

- **Equipment does not fit:** Ensure the removable separator is adjusted correctly. If your equipment is larger than the bag's capacity, consider a larger bag.
- **Bag feels unstable when carried:** Adjust the shoulder strap for a snug fit, or utilize the belt loops for added stability.
- **Zippers are stiff:** Apply a small amount of zipper lubricant or wax to the zipper teeth.

7. SPECIFICATIONS

Brand	STARBLITZ
-------	-----------

Model Name	WIZZ-9
Model Number	Z1250039
Material	Fabric (Hydrophobic)
Color	Black (as pictured)
Approximate External Dimensions	40 x 35 x 30 cm (L x W x H)
