VECELO KHD-TBC01-BLK

VECELO Tilt Out Kitchen Trash Bin Cabinet User Manual

Model: KHD-TBC01-BLK

1. INTRODUCTION

Thank you for choosing the VECELO Tilt Out Kitchen Trash Bin Cabinet. This innovative product is designed to provide a discreet and hygienic solution for your waste management needs, while also offering additional storage and air purification capabilities. Its elegant design seamlessly integrates into various home environments, keeping your space tidy and odor-free.

This cabinet features a tilt-out mechanism to conceal your trash bin, preventing pets from accessing its contents and maintaining a clean aesthetic. Additionally, it includes an integrated ozone purifier with negative ion functions to effectively eliminate odors and harmful substances, ensuring a fresh and healthy living environment.

The VECELO Tilt Out Kitchen Trash Bin Cabinet, designed to blend seamlessly into your home decor.

2. SAFETY INFORMATION

- This kitchen trash cabinet is intended for home use only.
- For safety reasons, children should not climb on or play with the product.
- Do not exceed the product's maximum weight limit of 35 pounds (approximately 16 kilograms) on the wooden countertop.
- Ensure the cabinet is placed on a stable, level surface to prevent tipping.
- Keep the ozone purifier away from water and excessive moisture.

Ozone Purifier Product Size	205 x 30 x 60 mm
Color	Black
UPC	840408951463

Detailed dimensions of the VECELO Tilt Out Kitchen Trash Bin Cabinet.

4. SETUP AND ASSEMBLY

The VECELO Tilt Out Kitchen Trash Bin Cabinet requires assembly. All necessary tools and a detailed step-by-step instruction manual are included in the package. Please follow the provided assembly guide carefully to ensure proper and secure construction.

Assembly Tips:

- Unpack all components and verify against the parts list in the assembly manual.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly.
- Ensure all connections are secure before use.

The tilt-out mechanism allows for easy access to the trash bin.

5. OPERATING INSTRUCTIONS

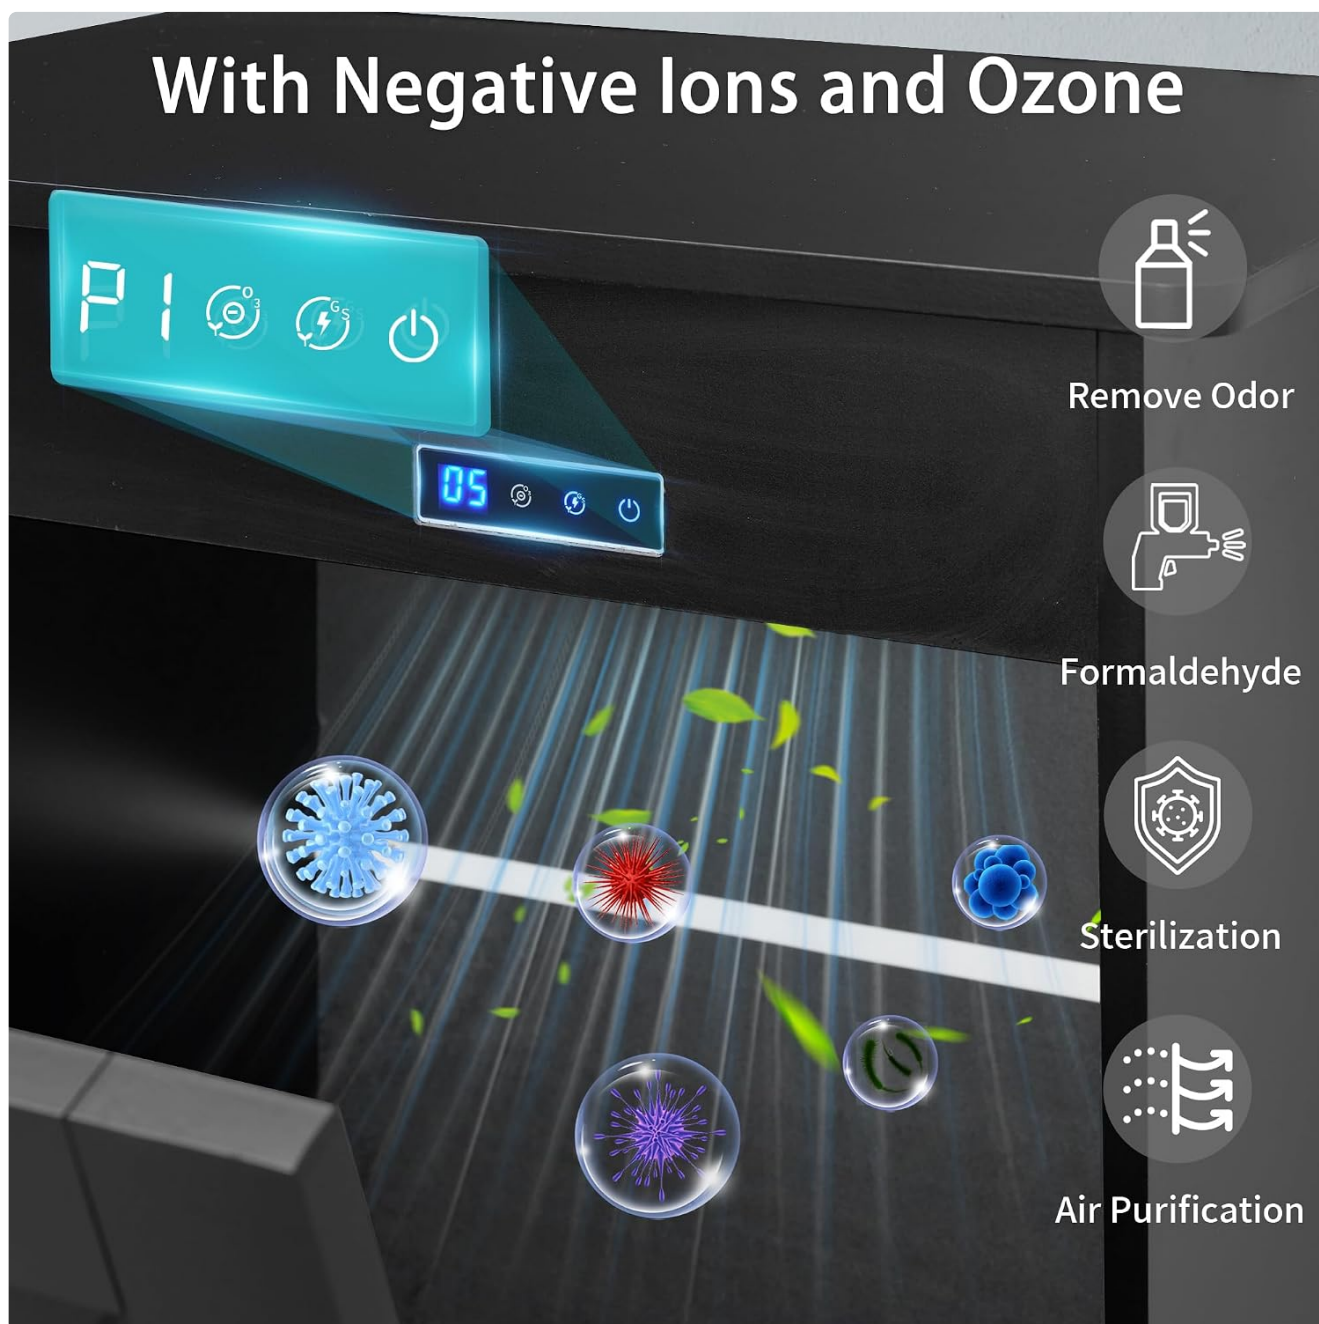

The VECELO Tilt Out Kitchen Trash Bin Cabinet is designed for ease of use and includes an integrated ozone purifier for enhanced hygiene.

Using the Tilt-Out Mechanism:

- To open the cabinet, gently pull the handle located on the top front panel. The panel will tilt forward, allowing access to the trash bin compartment.
- Insert a 10-13 gallon trash bin (not included) into the designated space.
- To close, push the panel back into its upright position until it is securely closed.

Operating the Ozone Purifier:

The ozone purifier helps eliminate odors and harmful substances like formaldehyde. It features negative ion functions for air purification.

The control panel for the ozone purifier, indicating its deodorization and purification functions.

- Locate the control panel on the top surface of the cabinet.
- Ensure the purifier is connected to a 5V power source (e.g., a USB adapter).
- Press the power button to turn the purifier on or off.
- Refer to the specific purifier instructions in the included manual for detailed operation modes and settings.

6. MAINTENANCE

- **Regular Cleaning:** Regularly clean the cabinet surfaces with a soft, damp cloth. Avoid abrasive cleaners that may damage the finish.
- **Trash Bin Management:** Ensure the trash bin inside is not overfilled. Excessive trash can put undue stress on the tilt-out mechanism and cabinet doors, potentially causing damage.
- **Ozone Purifier Care:** Keep the purifier clean and free of dust. Do not attempt to disassemble the purifier.
- **Hardware Check:** Periodically check all screws and fittings to ensure they remain tight and secure. Tighten if necessary.

7. TROUBLESHOOTING

- **Cabinet Door Not Closing Properly:** Check for any obstructions in the tilt-out mechanism or if the trash bin inside is too large or improperly placed. Ensure all assembly hardware is correctly installed and tightened.
- **Ozone Purifier Not Functioning:** Verify that the purifier is properly connected to a 5V power source and that the power button has been pressed. Check the power cable for any damage.
- **Odor Persistence:** Ensure the ozone purifier is running. If odors persist, check if the trash bin is sealed properly or if the purifier needs to be cleaned. For strong odors, consider emptying the trash more frequently.
- **Wobbling/Instability:** Ensure the cabinet is on a flat, level surface. Check all assembly screws and tighten any loose connections.

8. WARRANTY AND SUPPORT

VECELO is committed to providing high-quality products. While specific warranty details are not provided in this manual, we encourage you to retain your proof of purchase for any potential warranty claims.

If you encounter any issues with your VECELO Tilt Out Kitchen Trash Bin Cabinet, or have any concerns regarding its assembly, operation, or maintenance, please do not hesitate to contact our customer support team. We are dedicated to ensuring your satisfaction.

Please refer to the contact information provided on the product packaging or the VECELO official website for the most up-to-date support channels.
