# Kikihouse Manicure Table Nail Desk Instruction Manual

Model: US13020700 | Brand: Kikihouse

## INTRODUCTION

Thank you for choosing the Kikihouse Manicure Table Nail Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new manicure table. Please read it thoroughly before use and retain it for future reference.

## IMPORTANT SAFETY INFORMATION

**WARNING:** Always assemble this product with the recommended number of people (2) to ensure stability. Be cautious when lifting or moving the desk due to its weight (114.3 pounds). Always follow the provided assembly instructions carefully to prevent any safety hazards.

## SETUP AND ASSEMBLY

This manicure table requires assembly. Please ensure all components are present before beginning. It is recommended that two adults assemble this unit to ensure safety and proper construction.

1. Unpack all components and verify against the included parts list.
2. Identify all hardware and tools provided.
3. Follow the step-by-step instructions in the separate assembly manual provided with your product.
4. Ensure all screws and fasteners are securely tightened before use.

*Note: A detailed assembly manual and tools are included with your purchase.*

## OPERATING INSTRUCTIONS

### Electric Dust Collector

The professional manicure table is equipped with a sturdy and efficient electric dust collector. To operate, simply press the designated switch. The dust collector will activate, drawing nail shavings and dust into the included dust bags, helping to maintain a clean and tidy workspace.

### **Wrist Rest**

The manicure desk includes a soft sponge wrist pad. Position the wrist pad to provide comfortable support for the client's arms, reducing discomfort during extended nail art sessions.

### **Versatile Use**

Beyond manicures, this desk can function as a dressing table in a salon or bedroom, or as a computer desk in a living room, offering versatile utility.

## **MAINTENANCE AND CARE**

### **Cleaning the Tabletop**

The glass countertop is waterproof and acetone-resistant, making it easy to clean. Wipe the surface with a damp cloth and mild cleaner. Avoid abrasive materials that could scratch the glass.

### **Dust Collector Bags**

Regularly check and replace the dust collector bags to ensure optimal performance of the dust collection system. Four dust bags are included with the product.

### **General Care**

To maintain the appearance and longevity of your manicure table, avoid exposing it to excessive moisture or direct sunlight for prolonged periods. Periodically check all fasteners and tighten if necessary.

## TROUBLESHOOTING

- **Dust Collector Not Functioning:** Ensure the power cord is securely plugged into a working outlet and the switch is in the "on" position. Check if the dust bag is full and needs replacement.
- **Stability Issues:** Verify that all assembly screws are tightened. Ensure the table is placed on a flat, even surface.
- **Drawers Sticking:** Check for any obstructions in the drawer slides. Ensure the slides are clean and free of debris.
