## Charging Station

The integrated charging station provides convenient power access.

- The charging station includes 2 standard 3-prong AC outlets (125V/12A) and 2 USB ports (5V/2.1A).
- Plug in your phone, tablet, desk lamp, or laptop directly into the available outlets or USB ports.
- Ensure devices are compatible with the provided power specifications.

## MAINTENANCE

### Care and Cleaning

Proper care will help maintain the appearance and longevity of your nightstand.

- Wipe the surfaces with a dry cloth to remove dust and light dirt.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- For spills, wipe immediately with a soft, damp cloth and then dry thoroughly.
- Periodically check all fasteners and tighten if necessary to ensure stability.

## TROUBLESHOOTING

If you encounter any issues with your Rovaurx Rattan Nightstand, refer to the following common problems and solutions.

- **Drawers are stiff or not sliding smoothly:** Check if the metal slides are properly aligned and free from obstructions. Ensure all assembly screws for the drawers and slides are tightened correctly.
- **Charging station not working:** Verify that the nightstand's power cord is securely plugged into a functional wall outlet. Test the outlet with another device. Ensure your devices are properly connected to the USB ports or AC outlets.
- **Nightstand feels wobbly:** Check all leg and frame connections. Tighten any loose screws. Ensure the nightstand is placed on a flat, even surface.
