BrickTribe 20003

BrickTribe Haunted House Building Set with Light

Model: 20003

INTRODUCTION

Thank you for choosing the BrickTribe Haunted House Building Set. This set allows you to construct a detailed haunted mansion replica, complete with LED lighting and intricate features. Designed for builders aged 6 and up, this 581-piece set provides an engaging and rewarding building experience.

SAFETY INFORMATION

- **Small Parts Warning:** This set contains small parts and is not suitable for children under 3 years due to choking hazards.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger children.
- **Battery Safety:** If the LED light requires batteries, ensure they are inserted correctly and dispose of used batteries responsibly. Do not mix old and new batteries.
- **Handling:** Handle all pieces with care to prevent breakage.

PARTS LIST

This building set includes 581 pieces, organized into individually sealed bags to facilitate the building process. An instruction manual is also included.

Before beginning assembly, carefully open all bags and verify that all pieces are present according to the parts list provided

in the included instruction booklet. Sort pieces by color and type to streamline construction.

ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included manual. Each step is illustrated to guide you through the construction of the Haunted House. Take your time and ensure each connection is secure.

1. **Preparation:** Unpack all building blocks and the instruction manual. Organize the pieces into groups as suggested by the manual or by color/type.
2. **Base Construction:** Begin by assembling the base of the haunted house, including the foundation and initial wall structures.
3. **Main Structure:** Continue building upwards, following the numerical sequence in the manual to form the main body of the house.
4. **Detailed Features:** Integrate the various decorative elements such as spiders, cobwebs, pumpkins, skeletons, and the iron gates as instructed.
5. **Rooftop and LED Light:** Construct the rooftop and carefully install the LED light component according to the manual's diagrams. Ensure all connections for the light are firm.
6. **Final Touches:** Add any remaining small details to complete your Haunted House.

OPERATING THE LED LIGHT

The BrickTribe Haunted House features an integrated LED light to enhance its spooky ambiance. To activate the light, locate the power switch or battery compartment as indicated in your instruction manual. Ensure batteries are correctly installed if required.

The LED light illuminates the rooftop, casting an atmospheric glow that brings the haunted mansion to life, especially in low-light conditions.

MAINTENANCE

- **Cleaning:** To clean the building set, gently wipe with a dry or slightly damp cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the assembled model or individual pieces in a cool, dry place away from direct sunlight to prevent discoloration or damage.
- **Battery Replacement:** If the LED light dims or stops working, replace the batteries as per the instructions in the manual.

TROUBLESHOOTING

- **Missing Pieces:** If you find any pieces missing, please contact BrickTribe customer support with details of the missing part and your purchase information.
- **Difficulty Connecting Pieces:** Ensure pieces are aligned correctly and apply gentle, even pressure. Avoid forcing

pieces together, as this may cause damage.

- **LED Light Not Working:** Check that batteries are correctly inserted and are not depleted. Ensure the power switch is in the 'on' position.

SPECIFICATIONS

Feature	Detail
Brand	BrickTribe
