## Soundcore A3388

# Soundcore AeroClip Open-Ear Earbuds User Manual

Model: A3388

Brand: Soundcore

## INTRODUCTION

---

The Soundcore AeroClip open-ear earbuds are designed to provide a comfortable and secure audio experience without blocking your ear canal. Featuring Hi-Res audio, powerful bass, and AI-boosted clear calls, these clip-on headphones are ideal for all-day wear and various activities. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance of your AeroClip earbuds.

## WHAT'S IN THE BOX

---

Verify that all items listed below are included in your package:

- Soundcore AeroClip Earbuds (x1 pair)
- Charging Case (x1)
- M/L Ear Grips (x2 pairs)
- USB-C Cable (x1)
- Quick Start Guide + Safety Card (x1)

Image: Contents of the Soundcore AeroClip package.

## SETUP

---

### Before First Use: Remove Insulation Film

Before using your Soundcore AeroClip earbuds for the first time, it is essential to remove the insulation film from the charging contacts on the earbuds. This enables Bluetooth connectivity and allows the earbuds to charge properly.

1. Remove the insulation film from both earbuds.
2. Place the earbuds back into the charging case and close the lid.
3. Reopen the lid to automatically enter pairing mode.

Image: Steps to remove insulation film and initiate pairing.

## How to Wear

For optimal comfort and sound experience, ensure the earbuds are worn correctly:

- Identify the left (L) and right (R) earbuds.
- Clip the earbuds onto the thinnest point of your ear's outer edge.
- Adjust the position for a secure and comfortable fit.

Image: Proper wearing technique for AeroClip earbuds.

The AeroClip earbuds feature an adaptive open-ring design for flexible and secure fit. You can also choose between M/L ear grips for a tighter fit.

Image: Options for ear grip sizes to customize fit.

## Pairing with Devices

The Soundcore AeroClip earbuds utilize Bluetooth 5.4 for stable and efficient connections. They support multipoint connection, allowing seamless switching between two paired devices, such as a laptop and a phone.

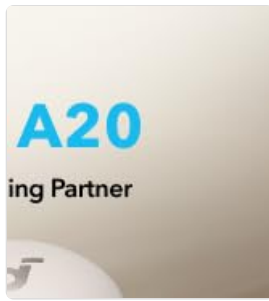

Image: Multipoint connection capability.

To pair, ensure the earbuds are in pairing mode (after removing insulation film and closing/reopening the case). Then, select "Soundcore AeroClip" from your device's Bluetooth settings.

## Soundcore App Customization

Enhance your listening experience by downloading the Soundcore app. The app allows you to:

- Customize the equalizer (EQ) settings.
- Set up tap controls for various functions.
- Access additional features and firmware updates.

**Note: Update the Soundcore app to the latest version for the best experience.**

Image: Soundcore app interface for customization.

## OPERATING INSTRUCTIONS

---

### Tap Controls

The Soundcore AeroClip earbuds feature intuitive tap controls for managing audio playback and calls. The recommended tap area is on the outer ring of the earbud.

- **Double Tap:** Play/Pause audio, Answer or End a call.
- **Triple Tap:** Skip to the next track, Reject a call.

Additional controls, such as volume adjustment and voice assistant activation, can be customized via the Soundcore app.

## Battery Life and Charging

The Soundcore AeroClip earbuds offer extended listening time:

- Up to 8 hours of playback on a single charge.
- An additional 24 hours of battery life from the charging case, totaling 32 hours.
- Fast charging: 10 minutes of charge provides 3 hours of listening time.

## MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your earbuds.

### Cleaning the Earbud Mesh

Regularly clean the earbud mesh to prevent debris buildup and maintain sound quality.

Your browser does not support the video tag.

Video: Instructions on how to clean the earbud mesh.

For general cleaning, use a soft, dry cloth. Avoid using abrasive materials or harsh chemicals.

## TROUBLESHOOTING

If you encounter any issues with your Soundcore AeroClip earbuds, please refer to the official Troubleshooting Guide for detailed solutions. This guide can be accessed via the following link:

[Download Troubleshooting Guide \(PDF\)](#)

Common issues and their solutions are typically covered in the official guide.

## SPECIFICATIONS

| Feature                           | Specification            |
