Dreamegg Nite 1

Dreamegg Nite 1 Baby Sound Machine, Sleep Trainer, Night Light, and Alarm Clock User Manual

Model: Nite 1 | Brand: Dreamegg

INTRODUCTION

The Dreamegg Nite 1 is a versatile device designed to assist in establishing healthy sleep habits for babies, kids, and toddlers. It combines a sound machine, sleep trainer, night light, and alarm clock into one unit, offering a comprehensive solution for a peaceful sleep environment. With 34 soothing sounds, multiple night light modes, and convenient app control, the Nite 1 helps children understand sleep and wake-up cues, promoting consistent routines.

This particular variant includes charming cartoon coverlets, allowing for personalization and adding a delightful touch to the device. These coverlets are designed to enhance the visual appeal of your Dreamegg Nite 1, creating an atmosphere your child will love.

PRODUCT FEATURES

- **Effective Sleep Habits:** Combines light and music to signal sleep and wake times, aiding in building healthy sleep routines.
- **34 Soothing Sounds:** Includes 11 nature sounds, 7 ambient sounds, 6 white noise sounds, and 10 melodies to help children relax and fall asleep faster.
- **3 Night Light Modes:** Offers Solid Color, Sunlight, and Dynamic modes (Color Changing, Color Fading, Sunlight Breathing) to suit individual preferences and curiosity.
- **Effortless App Control:** Manage sleep routines, 'Ok to Wake' clocks, night light modes, timers, child lock, and display brightness remotely via a user-friendly app interface.
- **Automatic Time Adjustment:** The device automatically adjusts the time, eliminating manual adjustments.

SETUP

1. **Unboxing:** Carefully remove the Dreamegg Nite 1 device and its power cable from the packaging.
2. **Power Connection:** Plug the provided power cable into the device and then into a standard electrical outlet. The device display should light up.

3. **App Download:** Download the Dreamegg app from your smartphone's app store (iOS or Android).
4. **App Connection:** Open the app and follow the on-screen instructions to connect your Dreamegg Nite 1 device via Wi-Fi or Bluetooth. This typically involves pressing a pairing button on the device (often located on the bottom) and confirming the connection in the app.
5. **Coverlet Installation:** If using coverlets, gently slide the chosen coverlet over the top of the Dreamegg Nite 1 device, ensuring it fits snugly and does not obstruct any buttons or the speaker.

OPERATING INSTRUCTIONS

Device Controls (Top Panel)

The top panel of the Dreamegg Nite 1 features several touch-sensitive buttons for direct control:

- **Power/Play/Pause Button (Center):** Tap to turn the device on/off or to play/pause the current sound.
- **Volume Up/Down Buttons:** Adjust the sound volume.
- **Sound Selection Buttons:** Cycle through the available soothing sounds.
- **Light Mode Button:** Change between different night light colors and modes.
- **Brightness Button:** Adjust the brightness level of the night light.

App Controls

For full customization and remote management, use the Dreamegg app:

- **Sound Selection:** Browse and select from 34 soothing sounds (nature, ambient, white noise, melodies). Adjust volume precisely.
- **Night Light Customization:** Choose from Solid Color, Sunlight, or Dynamic modes. For Dynamic mode, select Color Changing, Color Fading, or Sunlight Breathing. Adjust color and brightness levels.
- **Sleep Routines & Alarms:** Set personalized sleep routines and 'Ok to Wake' alarms to help children establish consistent sleep-wake schedules.
- **Timers:** Set timers for sounds and lights to automatically turn off after a specified duration.
- **Child Lock:** Activate the child lock feature to prevent accidental changes by little hands.
- **Display Brightness:** Adjust the brightness of the digital clock display on the device.

MAINTENANCE

- **Cleaning:** Wipe the device with a soft, dry cloth. Do not use liquid cleaners or abrasive materials.
- **Coverlets:** Remove coverlets for cleaning as per their specific care instructions (usually hand wash or gentle machine wash).
- **Storage:** Store the device in a cool, dry place when not in use.

TROUBLESHOOTING

- **Device Not Turning On:** Ensure the power cable is securely connected to both the device and a working power outlet.
- **App Connectivity Issues:** Verify your device's Wi-Fi/Bluetooth is enabled and within range. Ensure the Dreamegg app is updated to the latest version. Try restarting both the device and your smartphone.
- **No Sound/Light:** Check the volume and brightness settings on both the device and within the app. Ensure the device is not in child lock mode.
- **Time Display Incorrect:** The time should automatically adjust via the app connection. If incorrect, check

your app settings and ensure the device is properly synced.

SPECIFICATIONS

- **Model Name:** MBZ228-COVERLETS-US
- **Item Model Number:** D40-Coverlets Set -CA
- **Brand:** Dreamegg
- **Material:** Acrylonitrile Butadiene Styrene (ABS), Plastic
- **Power Source:** Battery Powered (Note: The device is typically powered via a cable and does not operate on internal batteries for extended periods, implying it needs to be plugged in for continuous use.)
