2. SAFETY INFORMATION

Important Safety Warning:

Always secure the cabinet to the wall using the provided anti-tip brackets to prevent tipping and potential injury, especially if there are children or pets in the household. Failure to do so can result in serious injury or death.

- Ensure all parts are present and undamaged before assembly.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly.
- Keep small parts away from children during assembly.
- Do not stand or climb on the cabinet.
- Distribute weight evenly across shelves and drawers.

5.2 Using the Cabinet Doors and Adjustable Shelves

The four cabinet doors open to reveal spacious storage compartments. The shelves within these compartments are adjustable, allowing you to customize the height to accommodate items of different sizes. To adjust a shelf:

1. Empty the shelf of all contents.
2. Carefully lift the shelf to disengage it from the support pins.
3. Remove the support pins from their current holes.
4. Insert the support pins into the desired new holes at the preferred height.
5. Place the shelf back onto the support pins, ensuring it is level and secure.

6. MAINTENANCE

To ensure the longevity and appearance of your Keyluv Buffet Sideboard, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish. The tabletop is waterproof for easy cleaning of spills.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Spills:** Clean spills immediately to prevent staining.

- **Hardware:** Periodically check and tighten all screws and hardware to maintain stability.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading.

7. TROUBLESHOOTING

If you encounter any issues with your Keyluv Buffet Sideboard, please refer to the following common troubleshooting tips:

- **Uneven Drawers or Doors:** If drawers or doors appear crooked or do not close properly, check the alignment of the drawer slides and door hinges. Adjust screws as needed to ensure proper fit. Sometimes, minor adjustments to hinge screws can correct door alignment.
- **Wobbling Cabinet:** Ensure the cabinet is placed on a level surface. Check that all assembly screws are securely tightened. If the issue persists, verify that the anti-tip brackets are properly installed and secured to the wall.
- **Missing Parts:** If any parts are missing upon arrival, please contact customer support immediately with your product model number and a description of the missing parts.
