MAINTENANCE AND CARE

To maintain the appearance and structural integrity of your bed frame, follow these care instructions:

- **Cleaning:** Wipe with a dry cloth. For more stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all bolts and screws to ensure they are tight. Loose connections can affect the stability and lifespan of the bed frame.
- **Placement:** Avoid placing the bed frame in direct sunlight or near heat sources, as this can cause wood to dry out, crack, or fade.

Solid Hardwood

Our furniture is crafted from solid hardwood, promising timeless beauty, remarkable durability, and a touch of natural elegance to elevate your space.
