

RALGEND 7801DSUDWH

RALGEND Farmhouse Fireplace TV Stand (Model 7801DSUDWH)

User Manual

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions and safety warnings before assembly and use of this product. Failure to follow these instructions may result in electric shock, fire, property damage, or personal injury.

- Keep all packaging materials away from children.
- Do not overload the TV stand. Ensure the weight of your television and other items does not exceed the stand's capacity. This stand is designed for TVs up to 80 inches.
- Ensure the product is assembled on a flat, stable surface.
- The electric fireplace features overheat protection. If the heater overheats, it will automatically shut off. Unplug the unit and allow it to cool before restarting.
- Do not block the air vents of the fireplace. Maintain adequate clearance around the unit for proper ventilation.
- Only use the provided power cord and ensure it is not pinched or damaged.
- Keep liquids away from electrical components, including the charging station and fireplace.
- This product is intended for indoor use only.

2. PRODUCT OVERVIEW

The RALGEND Farmhouse Fireplace TV Stand (Model 7801DSUDWH) is a versatile entertainment center designed to accommodate TVs up to 80 inches. It features a 36-inch electric fireplace, integrated LED lighting, a convenient charging station, and ample storage with six drawers and three open compartments.

3. SETUP AND ASSEMBLY

The TV stand is shipped in two separate packages. It is recommended that two people assemble this unit for ease and safety. All necessary assembly tools, numbered parts, and illustrated instructions are included.

Before You Begin:

- Unpack all components and verify against the parts list in the included instruction manual.
- Ensure you have sufficient space for assembly.
- Keep small parts out of reach of children.

Assembly Steps:

1. Follow the step-by-step illustrated instructions provided in the separate manual.
2. Attach the anti-tip device to the TV stand and wall as per instructions to prevent accidental tipping.

3. Carefully install the 36-inch electric fireplace insert into the designated opening.
4. Connect the LED light strip according to the instructions.
5. Ensure all screws and fasteners are securely tightened.

4. OPERATING INSTRUCTIONS

4.1 Electric Fireplace Operation

The 36-inch electric fireplace can be controlled via its integrated control panel or a remote control (if included). Refer to the specific fireplace manual for detailed instructions.

- **Power:** Press the power button to turn the fireplace ON/OFF.
- **Flame Brightness:** Adjust between 5 levels (L1-L5) to suit your preference.
- **Heat Settings:** Set the desired temperature between 64°F and 82°F. The heater will activate to reach and maintain this temperature.
- **Timer:** Set an automatic shut-off timer for 1 to 8 hours.
- **Overheat Protection:** The unit will automatically shut off if it detects overheating.

4.3 Charging Station Usage

The built-in charging station provides convenient power access for your electronic devices.

- Plug the TV stand's main power cord into a standard wall outlet.
- Use the 3 AC outlets (120V 12A) for larger electronics.
- Use the 2 USB ports (5V 2A) for charging smartphones, tablets, and other USB-powered devices.
- Utilize the cable management holes to keep wires tidy and organized.

5. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your RALGEND TV stand.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the unit to prevent buildup.
- **Fireplace:** Ensure the fireplace vents are clear of obstructions. Refer to the fireplace manual for specific cleaning instructions.
- **Electrical Components:** Keep the charging station and power cords clean and free from dust. Do not attempt to repair electrical components yourself.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight.

6. TROUBLESHOOTING

If you encounter issues with your TV stand or electric fireplace, refer to the following common solutions.

- **Fireplace Not Turning On:**
 - Check if the power cord is securely plugged into a working outlet.
 - Ensure the main power switch on the fireplace (if present) is ON.
 - If the unit recently shut off, it might be due to overheat protection. Unplug and allow it to cool for 15-20 minutes before trying again.
 - Check the remote control batteries if using the remote.
- **No Heat from Fireplace:**
 - Verify that the heat setting is activated and set to a desired temperature.
 - Ensure the air vents are not blocked.
- **LED Lights Not Working:**
 - Check the connection of the LED strip to the power source.
 - Ensure the remote control batteries are functional.
- **Charging Station Not Working:**
 - Confirm the TV stand's main power cord is plugged in.
 - Test the outlets/USB ports with a different device.

For persistent issues or problems not listed here, please contact customer support.
