2. SAFETY INFORMATION

- Always follow assembly instructions carefully. Incorrect assembly can lead to instability and injury.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight limit of 330 pounds per seat.
- Keep small parts away from children during assembly to prevent choking hazards.
- Avoid standing or jumping on the sofa.
- When converting the sofa to a bed or accessing storage, ensure no obstructions are present and operate mechanisms smoothly.

3. PACKAGE CONTENTS

Your sectional sofa will be delivered in multiple boxes. Please verify all items are present before assembling. If any damage or missing parts occur during transit, promptly take photographs and contact customer service.

The package typically includes:

- Sofa modules (various sections for seating, corner, and armrests)
- Pull-out bed mechanism
- Storage components
- Cushions (seat and back)
- Legs and mounting hardware
- Assembly tools (Hex Key)
- Instruction manual

4. SETUP AND ASSEMBLY

Assembly is required for this sectional sofa. It is recommended that two people assemble the product. All necessary tools, including a Hex Key, are included.

4.1 Unpacking and Preparation

1. Carefully open all boxes and remove components. Lay them out on a clean, soft surface to prevent scratches.
2. Identify all parts against the parts list provided in your package.

4.2 Assembly Steps

Follow the step-by-step instructions provided in the video below for a visual guide to assembling your sectional sofa.

Video 4.1: A detailed assembly guide demonstrating the step-by-step process of setting up the HOMYEDAMIC sectional sofa, including attaching legs, connecting modules, and installing the pull-out bed mechanism.

1. Attach the furniture legs to the bottom of each sofa module using the provided screws and Hex Key.
2. Connect the individual sofa modules using the component connectors. Ensure they are securely interlocked.
3. Assemble the pull-out bed frame and integrate it into the designated module as per the instructions.
4. Place the seat and back cushions onto the assembled frame.

5. OPERATING INSTRUCTIONS

5.1 Converting to a Sleeper Bed

The sectional features a pull-out sleeper module for convenient guest accommodation.

1. Locate the pull handle on the front of the designated module.
2. Gently pull the handle outwards to extend the bed frame.
3. Lift the extended section upwards and then push down to lock it into a flat bed position.
4. To revert to sofa mode, reverse these steps: lift the bed section, pull it slightly, then push it back into the sofa frame until it locks securely.

5.2 Utilizing Storage Compartments

The sofa includes hidden storage compartments for organization.

1. Lift the seat cushion of the storage module.
2. The lid will open to reveal a spacious compartment.
3. Store items such as blankets, pillows, or toys.
4. Close the lid securely before placing the cushion back.

6. MAINTENANCE

6.1 Cleaning Instructions

The sofa is upholstered in high-quality chenille fabric, known for its stain-resistant and durable properties. For general cleaning:

- For spills or marks, immediately wipe with a damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the fabric.
- Vacuum regularly using an upholstery attachment to remove dust and debris.
- The pillow covers are washable. Refer to the care label for specific washing instructions.

DEEP SEAT COMFORT

6.2 General Care

- Keep the sofa away from direct sunlight to prevent fading.
- Avoid placing the sofa near heat sources like radiators or fireplaces.
- Rotate cushions periodically to ensure even wear.

7. TROUBLESHOOTING

7.1 Common Issues and Solutions

Issue	Possible Cause	Solution
Sofa feels unstable or wobbly.	Loose connections or uneven legs.	Ensure all module connectors are securely fastened. Check and tighten all leg screws. Adjust leg levelers if applicable.

Issue	Possible Cause	Solution
Pull-out bed mechanism is stiff or not extending smoothly.	Obstruction or mechanism not aligned.	Check for any objects obstructing the mechanism. Ensure the module is correctly assembled and aligned. Apply a silicone-based lubricant to moving parts if necessary.
Cushions feel too firm or too soft.	New product settling or personal preference.	Cushions may take time to break in. Rotate and fluff cushions regularly to maintain shape and comfort.
