

Bestier B7012C

Bestier King Bed Frame with Storage Headboard & LED

Model: B7012C

INTRODUCTION

Thank you for choosing the Bestier King Bed Frame. This upholstered platform bed frame features a storage headboard with integrated RGB LED lighting, adjustable headboard height, and sturdy wood slat support. This manual provides essential information for safe assembly, operation, and maintenance to ensure long-lasting enjoyment of your new bed frame.

SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Be cautious when handling self-tapping screws during assembly.
- Do not exceed the maximum weight capacity of **1500 lbs**.
- Always follow the instructions for safe use of the LED lights.
- Ensure all connections are secure before use to prevent shifting and noise.
- Assembly requires two adults for optimal safety and ease.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. Refer to the included parts list in your packaging for detailed identification.

- Headboard (with integrated storage shelf and LED strip)
- Bed Frame Rails
- Wood Slats
- Support Legs
- Assembly Hardware (screws, bolts, Allen wrench)
- RGB LED Remote Control

SETUP AND ASSEMBLY

The Bestier King Bed Frame is designed for straightforward assembly. All parts are labeled for easy identification. Follow the step-by-step instructions provided in your product packaging. Assembly typically requires two adults and can be completed in under an hour.

Key Assembly Steps:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Attach the side rails to the headboard and footboard using the provided hardware.
3. Install the central support beam and support legs.
4. Place the wood slats evenly across the frame and secure them according to the instructions.
5. Connect the LED strip power cable to a suitable USB power source.

No box spring is required for this platform bed frame, as the wood slats provide direct mattress support.

OPERATING INSTRUCTIONS

LED Lighting System:

The integrated RGB LED lights on the headboard provide ambient illumination. Use the included remote control to adjust settings.

- **Power On/Off:** Press the power button on the remote.
- **Color Selection:** Choose from 7 static colors using the color buttons.
- **Mode Selection:** Cycle through 22 dynamic lighting modes.
- **Brightness Adjustment:** Use the brightness up/down buttons to set desired intensity.
- **USB Power:** The LED lights are powered via a USB connection. Ensure it is connected to a functional USB port.

Adjustable Headboard Shelf:

The headboard features a 4.5-inch wide top ledge for storing small items. The headboard height is adjustable to accommodate different mattress thicknesses.

- The headboard offers two preset height options to pair with 8–10 inch and 10–12 inch mattresses.
- Adjust the headboard height during assembly or by carefully disassembling and reassembling the headboard attachment points to the desired setting.

MAINTENANCE

To maintain the appearance and longevity of your Bestier bed frame:

- **Cleaning:** Wipe the upholstered surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Regular Checks:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary to maintain stability and prevent noise.
- **LED Care:** Keep the LED strip and remote control dry. If the LED lights stop working, check the USB power connection.

TROUBLESHOOTING

Common Issues and Solutions:

- Bed Frame Squeaks/Wobbles:**
Solution: Ensure all bolts and screws are securely tightened. Check that all support legs are making firm contact with the floor. Uneven flooring can sometimes cause wobbling; consider using furniture pads to level the frame.
- LED Lights Not Working:**
Solution: Verify that the USB power cable is properly connected to a functional power source. Check the remote control battery and ensure there are no obstructions between the remote and the LED receiver.
- Difficulty Assembling:**
Solution: Review the assembly instructions carefully, ensuring all parts are correctly oriented and matched. Do not force parts together. If a part seems incorrect, double-check the labels and diagrams. Contact customer support if parts are missing or damaged.
