2. INITIAL SETUP

2.1. Package Contents

Before you begin, ensure all items are present in the package:

- BNCF Bpad 10 Tablet
- User Manual
- Type-C Charging Cable (5V/2A)
- Charge Adapter (5V/2A)
- SIM Card Ejector Pin

2.3. Powering On/Off

- **To Power On:** Press and hold the Power button until the BNCF logo appears.
- **To Power Off:** Press and hold the Power button until the power options appear, then select 'Power off'.
- **To Restart:** Press and hold the Power button until the power options appear, then select 'Restart'.

2.4. Initial Configuration

Upon first power-on, follow the on-screen prompts to:

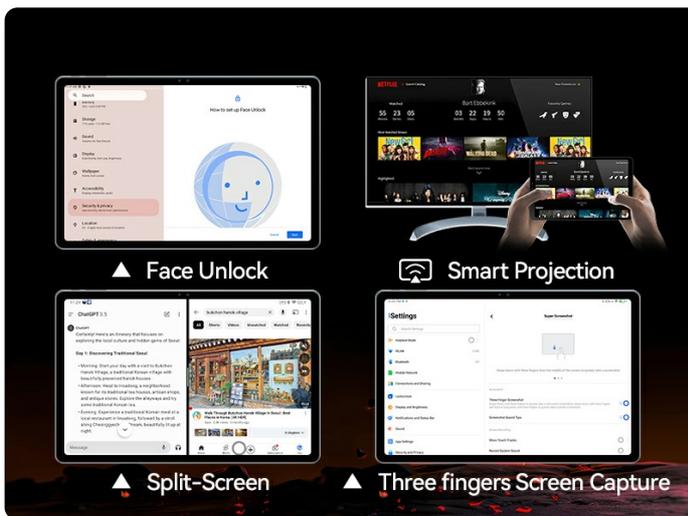

- Select your language.
- Connect to a Wi-Fi network.
- Set up your Google account.
- Configure date and time.
- Set up screen lock (PIN, pattern, password, or facial recognition).

3. OPERATING THE TABLET

3.1. Android 14 Features

The BNGF Bpad 10 runs on Android 14, offering enhanced multitasking, security, and user-friendly features:

- **Facial Recognition:** Unlock your device securely using your face.
- **Split-Screen:** Use two applications simultaneously side-by-side for improved productivity.
- **Smart Projection:** Cast your tablet's screen to compatible external displays.
- **Three-Finger Screenshot:** Quickly capture screenshots by swiping down with three fingers.
- **Parental Controls:** Manage and monitor device usage for children.

Experience Freedom with Android 14

Our tablet supports GMS certification and lets you download apps directly from Google Play. Powered by Android 14, it's fast, secure, and ready for anything.

4. MAINTENANCE

4.1. Battery Care

To prolong battery life:

- Avoid extreme temperatures.
- Do not let the battery drain completely before recharging regularly.

- Use the original charger and cable for optimal charging.

4.2. Storage Management

The tablet comes with 128GB of UFS storage, expandable up to 1TB via a MicroSD card. Regularly manage your storage by:

- Deleting unnecessary files and applications.
- Moving large media files to an external MicroSD card.
- Utilizing cloud storage services.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your BNCB Bpad 10 tablet.

Problem	Possible Cause	Solution
Tablet does not power on	Low battery; System crash	Charge the tablet for at least 30 minutes. If unresponsive, press and hold the Power button for 10-15 seconds to force a restart.
Slow performance/App crashes	Too many apps running; Low storage; Software glitch	Close background apps. Clear cache. Free up storage space. Restart the tablet. Update apps and Android OS.
Wi-Fi connection issues	Incorrect password; Router issue; Signal interference	Verify Wi-Fi password. Restart router and tablet. Ensure tablet is within Wi-Fi range.
Low audio volume	Volume settings; App specific volume; Speaker obstruction	Increase system volume. Check in-app volume settings. Ensure speakers are not covered.
GPS signal loss	Poor satellite reception; Software issue	Ensure you have a clear view of the sky. Restart GPS. Check location settings and permissions for apps.
