kececo Smartwatch User Manual

Model: 1dede2ba-e46e-47ef-a78a-0ec5b43491a1

INTRODUCTION

Welcome to the user manual for your new kececo Smartwatch. This device is designed to seamlessly integrate into your daily life, offering advanced features for health monitoring, sports tracking, and smart connectivity. With its built-in Alexa, GPS, and comprehensive health sensors, your smartwatch is a versatile companion for maintaining well-being and staying connected. Please read this manual carefully to ensure proper use and to maximize the benefits of your smartwatch.

WHAT'S IN THE BOX

- kececo Smartwatch (Model: 1dede2ba-e46e-47ef-a78a-0ec5b43491a1)
- Magnetic Charging Cable
- User Manual

SETUP

1. Initial Charging

Before first use, fully charge your kececo Smartwatch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a compatible power adapter (not included) or a computer's USB port. The watch display will indicate charging status. A full charge typically takes approximately 2 hours.

2. App Download and Pairing

To unlock the full functionality of your smartwatch, download the official companion app on your smartphone. The app is compatible with both iOS and Android operating systems.

1. Scan the QR code provided in the included User Manual or search for "VeryFit" (common app for these watches) in your phone's app store.
2. Install and open the app.

3. Follow the on-screen instructions to create an account or log in.
4. Enable Bluetooth on your smartphone.
5. In the app, select "Add Device" or "Pair Device" and choose your kececo Smartwatch from the list of available devices.
6. Confirm the pairing request on both your phone and the smartwatch.

Once paired, the watch will synchronize time and data with your phone.

OPERATING THE SMARTWATCH

Display and Navigation

The kececo Smartwatch features a vivid 1.32-inch AMOLED display, providing clear visuals even in bright sunlight. The Always-On Display (AOD) mode keeps essential information visible without excessive battery drain.

- **Touchscreen:** Swipe left/right, up/down to navigate menus and access different features. Tap to select.
- **Side Buttons:** Use the physical buttons on the side for quick access to functions or to return to the home screen.
- **Customizable Watch Faces:** Personalize your watch's appearance through the companion app, choosing from a variety of pre-set faces or creating your own.

Smart Features and Connectivity

Your smartwatch is equipped with a range of smart features to enhance convenience and productivity.

- **Built-in Alexa:** Use voice commands to control smart home devices, set reminders, check the weather, and more. Ensure your watch is connected to your phone and has internet access for Alexa functionality.
- **Notifications:** Receive instant alerts for incoming calls, text messages, and notifications from popular apps directly on your wrist.
- **Bluetooth Calling:** Make and receive calls directly from your smartwatch when connected to your phone via Bluetooth.
- **Music and Camera Control:** Remotely control music playback and your phone's camera from the watch.
- **Utility Tools:** Access a flashlight, find-my-phone function, Pomodoro timer for focused work, and a personal planner.

Sports Tracking

The smartwatch offers comprehensive sports tracking for over 110 activities, both indoor and outdoor.

- **Built-in GPS:** Accurately track your outdoor running, hiking, and cycling routes, distance, and pace without needing your phone.
- **VO2 Max & Recovery:** Monitor your VO2 Max, intensity levels, and recovery time to optimize your training.
- **Outdoor Essentials:** Utilize the built-in compass and altimeter barometer for navigation and elevation data during outdoor adventures.

Advanced Health Monitoring

The smartwatch provides continuous monitoring of vital health metrics.

- **Heart Rate & Blood Oxygen:** Track your heart rate and SpO2 levels throughout the day.
- **Stress & HRV:** Monitor stress levels and Heart Rate Variability (HRV) for insights into your body's response to stress.
- **Sleep Monitoring:** Gain in-depth insights into your sleep quality, including sleep stages and duration.
- **Women's Health:** Dedicated tracking for menstrual cycles and ovulation periods.
- **Noise Detection:** Alerts you to high noise levels in your environment.

MAINTENANCE

Cleaning Your Smartwatch

Regular cleaning helps maintain the appearance and functionality of your smartwatch.

- Wipe the screen and casing with a soft, lint-free cloth.
- For stubborn marks, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.
- Clean the charging contacts periodically to ensure efficient charging.

Water Resistance

The kececo Smartwatch is designed with robust waterproof protection, allowing you to swim, shower, and explore without worry. However, it is not suitable for diving or high-pressure water activities. Avoid exposing the watch to hot water or steam, as this may compromise the water seal.

Battery Care

To prolong battery life, avoid extreme temperatures and fully discharging the battery frequently. Charge the watch regularly, even if not in daily use.

TROUBLESHOOTING

If you encounter issues with your smartwatch, refer to the following common solutions:

Problem	Solution
Watch not turning on	Ensure the watch is fully charged. Connect to the charger and wait a few minutes before attempting to power on.
Unable to pair with phone	Ensure Bluetooth is enabled on your phone. Make sure the watch is within Bluetooth range (approx. 10 meters). Restart both your phone and the smartwatch. Clear Bluetooth cache on your phone (if applicable). Try unpairing and re-pairing the device through the app.
Inaccurate health readings	Ensure the watch is worn snugly on your wrist, about one finger's width above the wrist bone. Clean the sensor on the back of the watch.
Notifications not appearing	Check app notification settings on your phone and within the smartwatch app. Ensure the watch is connected via Bluetooth.
Short battery life	Reduce screen brightness, disable Always-On Display, limit frequent heart rate monitoring, and turn off unnecessary notifications.

For further assistance, please refer to the support section of this manual or contact customer service.

SPECIFICATIONS

Feature	Detail
Model Number	1dede2ba-e46e-47ef-a78a-0ec5b43491a1
