SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward and typically takes about 30 minutes. Follow the step-by-step instructions provided in the included manual and utilize the supplied tools.

Step 1: Prepare Components

Unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the labels (numbers or letters) and the hardware from the blister pack.

Step 2: Assemble the Headboard and Side Rails

Attach the headboard legs to the main headboard panel. Connect the side rails to the headboard and footboard using the provided bolts and Allen key. Ensure all connections are secure but do not overtighten until all parts are aligned.
