Aromar Waterless Cylinder Black

AROMAR Smart Waterless Oil Diffuser

Model: Waterless Cylinder Black

Brand: Aromar

INTRODUCTION

The AROMAR Smart Waterless Oil Diffuser utilizes cold-air diffusion technology to disperse essential oils without water or heat, preserving the integrity of the fragrance. This app-controlled device is designed to provide a customizable scent experience for various environments, covering areas up to 1000 sq.ft.

Key Features:

- **Cold-Air Diffusion:** Preserves essential oil purity and potency.
- **Waterless & Mess-Free:** Eliminates the need for water, preventing residue and spills.
- **App-Controlled:** Adjust scent intensity, schedule operating times, and manage settings remotely.
- **Wide Coverage:** Effectively scents spaces up to 1000 sq.ft.
- **Quiet Operation:** Designed for a noise-free experience.
- **Automatic Shut-Off:** Enhances safety and conserves essential oil.

PACKAGE CONTENTS

- AROMAR Smart Waterless Oil Diffuser
- Power Adapter
- Essential Oil Bottle (pre-filled with 'New York' scent)
- User Manual

SETUP GUIDE

Follow these steps to set up your AROMAR Smart Waterless Oil Diffuser:

1. **Unpack the Diffuser:** Carefully remove all components from the packaging.
2. **Access the Oil Compartment:** Gently twist the top section of the diffuser counter-clockwise to detach it from the base.

3. **Insert Essential Oil:** Remove the cap from the essential oil bottle. Insert the bottle into the designated slot in the diffuser's base. Ensure it is securely seated.
4. **Reassemble:** Align the top section with the base and twist clockwise until it clicks securely into place.
5. **Connect Power:** Plug the power adapter into the diffuser's port and then into a wall outlet. The diffuser is now ready for operation.

Figure 1: Quick and Easy Setup. This image illustrates the three simple steps to prepare your diffuser for use: twisting off the top, inserting the oil, and reattaching the top.

OPERATING INSTRUCTIONS

Your AROMAR diffuser offers both manual and app-controlled operation for a personalized scent experience.

Manual Controls:

- **Power Button:** Press to turn the diffuser On/Off.
- **Scent Intensity:** Use the dedicated button to cycle through Low, Medium, and High intensity settings.
- **Timer Settings:** Select desired operating duration (e.g., 1 hour, 3 hours, 6 hours, 12 hours) using the timer button. The diffuser will automatically shut off after the selected time.

App Control (Recommended):

For full customization and convenience, download the dedicated AROMAR app on your smartphone.

1. **Download App:** Search for 'Aroma Galaxy' in your device's app store.
2. **Pair Device:** Follow the in-app instructions to pair your diffuser via Bluetooth.
3. **Customize Settings:** Within the app, you can:
 - Adjust scent intensity (Low, Medium, High).
 - Schedule operating times and frequency for specific days.
 - Set password protection for secure access.
 - Monitor essential oil levels (if supported by app version).

The image shows a black, cylindrical Aromar+ diffuser on the left. To its right is the 'aromar+' logo. Below the logo, the text reads 'CUSTOMIZABLE & REMOTE SCENT CONTROL' in large, bold letters, followed by 'Easily customize your fragrance experience with our dedicated app.' in a smaller font. Three green checkmarks are listed: 'Schedule operating time and frequency.', 'Secure access with password protection.', and 'Adjust scent intensity on demand.' Below this, a hand holds a smartphone displaying the 'Aroma Galaxy' app interface. The app screen shows fields for 'Name' (white plug in), 'Remark', a 'Modify password' button, 'Mist' level (Low), 'Work mode' (on), and a 'Setting 1' section with a time range (08:00 - 18:00) and a 'Run Work' button. A 'SMART DIFFUSER' logo is at the bottom of the app screen. To the right of the phone is the 'Aroma Galaxy' app icon and a large white download arrow.

MAINTENANCE

Proper maintenance ensures optimal performance and longevity of your diffuser.

- **Cleaning the Nozzle:** If the mist output decreases or becomes inconsistent, the nozzle may be clogged.

Gently remove the essential oil bottle. Use a cotton swab lightly dampened with rubbing alcohol to clean the nozzle opening. Allow to air dry completely before reinserting the bottle.

- **Replacing Essential Oil:** When the essential oil bottle is empty, simply twist off the top section, remove the empty bottle, and replace it with a new one.
- **Exterior Cleaning:** Wipe the exterior of the diffuser with a soft, dry cloth to remove dust or smudges. Do not use harsh chemicals or abrasive cleaners.

TROUBLESHOOTING

- **No Mist Output:**
 - Ensure the essential oil bottle is correctly inserted and not empty.
 - Check if the nozzle is clogged (refer to Maintenance section).
 - Verify the power adapter is securely connected and the diffuser is turned on.
- **Weak Scent:**
 - Increase the scent intensity setting via manual controls or the app.
 - Ensure the diffuser is placed in an optimal location for scent dispersion (e.g., central to the room, not obstructed).
 - Consider using a different essential oil if the current one is too subtle for your preference.
- **App Connectivity Issues:**
 - Ensure Bluetooth is enabled on your smartphone.
 - Make sure the diffuser is within Bluetooth range.
 - Restart the app and/or the diffuser.
 - Check for app updates in your device's app store.

SPECIFICATIONS

Feature	Detail
Brand	Aromar
Model Number	Waterless Cylinder Black
Color	Black
Product Dimensions	2.6"L x 2.6"W x 11"H
Item Weight	2.94 pounds (1.34 Kilograms)
Material	Plastic
Coverage Area	Up to 1500 sq.ft.
Special Features	Automatic Shut-Off, Compact, Silent Operation
Power Source	Corded Electric

SAFETY INFORMATION

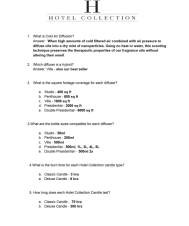

Please read and follow all safety instructions to prevent injury or damage.

- Avoid direct skin contact with undiluted essential oils.
- Ensure proper ventilation during use.
- Keep out of reach of children and pets.
- Use only oil-based essential oils. Do not use water-based oils or water.
- Do not attempt to disassemble or repair the device yourself. Contact customer support for assistance.

WARRANTY & SUPPORT

For any product inquiries, technical support, or warranty claims, please contact the manufacturer, Mar Company Group, directly. Refer to the product packaging or official Aromar website for contact details.
