SETUP AND ASSEMBLY

The Brabrety Murphy Bed Cabinet requires assembly. Please follow the included assembly instructions carefully. Ensure all parts are present before beginning assembly.

Key Components:

- Cabinet frame
- Folding foam mattress (0.59" Memory foam + 4.13" Rebound compression sponge)
- Oversized storage drawers
- Built-in sockets and USB ports
- Reliable wood and wheels for transformation

Assembly Tips:

- Clear a spacious area for assembly.
- Have at least two people for assembly, especially when handling larger components.
- Use the provided tools or appropriate household tools.
- Do not overtighten screws to avoid damaging the wood.

OPERATING INSTRUCTIONS

Transforming from Cabinet to Bed:

1. Ensure the area in front of the cabinet is clear of obstructions.
2. Gently pull out the oversized storage drawer located at the bottom of the cabinet. This drawer is on

wheels for easy movement.

3. Open the top lid of the cabinet. Locate and release the attention latch inside the cabinet that secures the bed frame.
4. Carefully pull the bed platform forward and down. The platform will unfold into a flat bed base.
5. Unfold the high-resilience compressed foam mattress onto the bed platform.
6. The bed is now ready for use.

Transforming from Bed to Cabinet:

1. Remove any bedding (sheets, blankets, pillows) from the mattress.
2. Fold the foam mattress in half and secure it within the cabinet.
3. Lift the bed platform back into the cabinet, ensuring the attention latch engages to secure it.
4. Push the oversized storage drawer back into the cabinet until it is fully closed.
5. Close the top lid of the cabinet.

MAINTENANCE

Cleaning:

- For the cabinet, wipe with a dry cloth to remove dust and debris.
- Avoid using harsh chemicals or abrasive cleaners, as they may damage the finish.
- For the mattress, follow the care instructions provided with the mattress. Spot clean as needed with a mild detergent and damp cloth, then allow to air dry completely.

General Care:

- Regularly check all screws and fasteners to ensure they are tight. Retighten as necessary.
- Inspect the wheels and slide tracks of the storage drawer for smooth operation. Clean any accumulated dust or debris.
- Ensure the attention latch for the bed frame is functioning correctly to prevent accidental unfolding.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed does not fully unfold/fold.	Obstruction in the path; latch not fully disengaged/engaged; mattress not properly folded.	Clear the area. Ensure the attention latch is fully released when unfolding and securely engaged when folding. Verify the mattress is folded correctly.
Drawers are difficult to open/close.	Debris in slide tracks; misaligned tracks; overloaded drawer.	Clean the slide tracks. Check for proper alignment and adjust if necessary. Reduce the weight in the drawer.
Charging station not working.	Power cable not plugged in; device cable faulty; power outlet issue.	Ensure the bed's power cable is securely plugged into a working wall outlet. Test the device's charging cable with another power source. Check the wall outlet with another appliance.
Unstable or wobbly bed.	Loose fasteners; uneven floor.	Check and tighten all assembly screws and bolts. Ensure the bed is placed on a level surface.
