Brand: HOOOWOOO

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your HOOOWOOO Outdoor Sectional Patio Furniture Set. This 13-piece set includes a fire pit table, swivel chairs, and ottomans, designed for comfort and versatility in outdoor living spaces. Please read this manual thoroughly before assembly and use to ensure safe and proper operation.

2. SAFETY INFORMATION

It is crucial to adhere to all safety guidelines to prevent injury or damage to the product. The following information is vital for safe use:

- Always keep a safe distance from the fire pit table when lit.
- Never leave the fire unattended.
- Do not use in wet or windy conditions.
- Keep children and pets away from the product when in use.
- Always follow the manufacturer's instructions for assembly, use, and maintenance.

4. SETUP AND ASSEMBLY

Assembly of the HOOOWOOO Patio Furniture Set requires careful attention. While the process is methodical, it can be time-consuming. We recommend the following tips for a smoother assembly:

1. **Unpack and Organize:** Lay out all pieces for each section before beginning assembly. Some pieces may appear similar but have slight differences.
2. **Labeling:** Note that individual furniture panels may not be explicitly labeled. Refer to the provided diagrams to identify the correct parts (e.g., front panel, side panel).
3. **Tools:** While a small Allen wrench is included, using a power drill with an appropriate Allen wrench bit is highly recommended to significantly speed up assembly and ensure all bolts are securely tightened.
4. **Modular Combination:** The sectional design allows for free combination of pieces. Use the included clips to fix the chairs together, ensuring stability and preventing shifting.

5. OPERATING INSTRUCTIONS

5.1 Fire Pit Table Operation

The fire pit table is CSA safety certified and features a stainless steel rust-free burner. It uses propane and includes lava stones for enhanced flame appearance and safety. Ensure proper propane tank connection and follow all safety warnings provided with the fire pit.

6. MAINTENANCE

Proper care will extend the life and appearance of your patio furniture set:

- **Wicker:** Wipe with a dry soft cloth to remove dust and debris.
- **Fabric (Cushions):** Wipe with a dry soft cloth or tissue. The fabric is yarn-dyed and treated for outdoor fading resistance and water repellency. Cushion covers are detachable and washable. Allow wet

cushions to dry quickly.

- **General:** Avoid harsh chemicals or abrasive cleaners. Store cushions indoors during prolonged periods of non-use or severe weather to maintain their quality.

7. TROUBLESHOOTING

If you encounter issues with your patio furniture set, consider the following common solutions:

- **Assembly Difficulty:** If parts are not labeled or seem difficult to fit, refer to the diagrams carefully. Ensure you have the correct orientation for each piece. Using a power drill with an Allen wrench bit can greatly assist in tightening bolts.
- **Loose Connections:** If furniture pieces shift or feel unstable, ensure all connecting clips are properly installed and secure. If clips break, contact customer support for replacements.
- **Fire Pit Issues:** If the fire pit is not lighting or has a weak flame, check the propane tank connection and ensure it has sufficient fuel. If the fire pit is excessively loud, ensure all components are correctly assembled and there are no obstructions.
- **Cushion Drying:** While cushions are water repellent, prolonged exposure to heavy rain can lead to saturation. Ensure cushions are placed in a well-ventilated area to dry completely to prevent mold or mildew.
