## PPMUE MC-G02

# PPMUE MC-G02 Maintenance Cartridge User Manual

Model: MC-G02 | Brand: PPMUE

## 1. INTRODUCTION

---

This manual provides essential information for the proper installation, operation, and maintenance of your PPMUE MC-G02 Maintenance Cartridge. This cartridge is designed to collect waste ink during printer cleaning cycles and printing operations, ensuring optimal performance and longevity of your compatible Canon printer.

The MC-G02 Maintenance Cartridge is compatible with a range of Canon printers, including G2520, G2560, G3520, G3560, G3620, G2960, G2962, G3920, G3923, G3960, G3962, G3963, and G3360 models.

## 2. SAFETY INFORMATION

---

Please read and understand the following safety precautions before handling or installing the maintenance cartridge:

- Keep the cartridge out of reach of children.
- Do not attempt to open, disassemble, or modify the cartridge.
- Avoid contact with ink. If ink comes into contact with skin or eyes, wash immediately with soap and water. Seek medical attention if irritation persists.
- Store the cartridge in its original packaging in a cool, dry place, away from direct sunlight and extreme temperatures.
- Dispose of used cartridges according to local environmental regulations. Do not incinerate.

## 3. PACKAGE CONTENTS

---

Your package should contain the following item:

- 1 x PPMUE MC-G02 Maintenance Cartridge (1 Pack Black)

Image: The PPMUE MC-G02 Maintenance Cartridge shown alongside its black packaging box, which features a colorful cat illustration and the text "Maintenance MC-G02 1 item".

## 4. SETUP AND INSTALLATION

---

Follow these steps to install the MC-G02 Maintenance Cartridge into your compatible Canon printer:

1. **Power Off Printer:** Ensure your printer is turned off and unplugged from the power source before beginning the installation.
2. **Locate Maintenance Cartridge Slot:** Refer to your printer's specific user manual to locate the maintenance cartridge compartment. This is typically found at the rear or side of the printer.
3. **Open Cover:** Open the maintenance cartridge cover.
4. **Remove Old Cartridge:** Carefully remove the old, full maintenance cartridge. Be cautious as it may contain waste ink. Place it in a plastic bag to prevent spills.
5. **Unpack New Cartridge:** Remove the new PPMUE MC-G02 Maintenance Cartridge from its packaging. Avoid

touching the electrical contacts or the ink absorption pad.

6. **Insert New Cartridge:** Insert the new cartridge into the slot, ensuring it clicks firmly into place. Make sure it is oriented correctly.
7. **Close Cover:** Close the maintenance cartridge cover securely.
8. **Power On Printer:** Plug in and power on your printer. The printer should recognize the new maintenance cartridge automatically.

For detailed, printer-specific instructions, always consult your Canon printer's official user manual.

## 5. OPERATING INSTRUCTIONS

---

The MC-G02 Maintenance Cartridge operates automatically within your printer. It collects waste ink generated during print head cleaning cycles and regular printing operations. There are no manual operating steps required for the cartridge itself. Your printer will notify you when the maintenance cartridge is nearing full capacity or is full. At this point, it will need to be replaced to ensure continued printer functionality and prevent ink overflow.

# COMPATIBLE WITH PRINTERS

**G2520 G2560 G3520 G3560  
G3620 G2960 G2962 G3920  
G3923 G3960 G3962 G3963  
G3360**

Image: A graphic displaying "COMPATIBLE WITH PRINTERS" and a list of Canon printer models: G2520, G2560, G3520, G3560, G3620, G2960, G2962, G3920, G3923, G3960, G3962, G3963, G3360.

## 6. MAINTENANCE

---

The MC-G02 Maintenance Cartridge is a consumable item and does not require user maintenance. It is designed to be replaced once it reaches its capacity.

To ensure optimal printer performance and extend the life of your printer, it is recommended to:

- Replace the maintenance cartridge promptly when indicated by your printer.
- Use only compatible and high-quality replacement cartridges.
- Keep the printer area clean and free of dust.

The graphic features a dark background with a colorful, swirling pattern at the bottom. In the upper right, there is a circular icon of a printer with a document being printed. The text is as follows:

**Number Of Printed Pages**  
**5% COVERAGE A4 PAPER**

**BLACK: 3000 Pages pages**

There is also a white paw print icon to the left of the 'BLACK: 3000 Pages pages' text.

Image: A graphic titled "Number Of Printed Pages" indicating a yield of "BLACK: 3000 Pages pages" at 5% coverage on A4 paper, accompanied by a printer icon.

## 7. TROUBLESHOOTING

If you encounter issues related to the maintenance cartridge, consider the following:

Problem	Possible Cause	Solution
Printer displays "Maintenance Cartridge Full" error.	The maintenance cartridge has reached its capacity.	Replace the maintenance cartridge with a new one.
Printer does not recognize the new cartridge.	Cartridge not installed correctly, or a faulty cartridge.	<ol style="list-style-type: none"><li>1. Remove and reinsert the cartridge, ensuring it clicks into place.</li><li>2. Power cycle the printer (turn off, unplug, wait 30 seconds, plug in, turn on).</li><li>3. If the issue persists, contact customer support.</li></ol>
Poor print quality (streaks, missing lines) after cartridge replacement.	This is usually not directly related to the maintenance cartridge but might indicate print head issues or low ink.	<ol style="list-style-type: none"><li>1. Perform a print head cleaning cycle via your printer's utility software.</li><li>2. Check ink levels of your ink tanks/cartridges.</li><li>3. If problems persist, consult your printer's manual or contact printer manufacturer support.</li></ol>

# THE CLEAR PRINT YOU EXPECT

Image: A comparison graphic titled "THE CLEAR PRINT YOU EXPECT" showing a blurry image labeled "OTHERS" next to a clear, sharp image labeled "OURS", demonstrating print quality difference.

## 8. SPECIFICATIONS

Feature	Detail
Product Name	PPMUE MC-G02 Maintenance Cartridge
Model Number	MC-G02
Compatibility	Canon G2520, G2560, G3520, G3560, G3620, G2960, G2962, G3920, G3923, G3960, G3962, G3963, G3360 printers
Page Yield	Up to 3000 pages (at 5% coverage on A4 paper)
Color	Black (Waste Ink)
