Kircuit 24V AC/DC Adapter

Kircuit 24V AC/DC Adapter User Manual for Naipo MGF-3600 Massager

Model: 24V AC/DC Adapter

Introduction

This manual provides essential information for the safe and effective use of your Kircuit 24V AC/DC Adapter. This adapter is designed to convert standard AC power into the DC power required by compatible devices, specifically the Naipo Model MGF-3600 and MGF3600 2-in-1 Foldable Foot and Calf Massager. It serves as a reliable power source for operating your device or charging its internal battery.
The Kircuit adapter has been thoroughly tested and validated to ensure compatibility and optimal performance with your device. It features built-in dynamic IC, charger IC, and power fuse for rapid charging and protection against overcharge.

Setup Instructions

Follow these steps to properly set up your Kircuit 24V AC/DC Adapter:

1. **Unpack the Adapter:** Carefully remove the AC/DC adapter and its power cord from the packaging. Inspect for any visible damage.
2. **Connect the Power Cord:** Insert the AC power cord into the adapter's input port. Ensure a secure connection.
3. **Connect to Device:** Plug the DC output connector (barrel connector) of the adapter into the power input port of your Naipo MGF-3600 or MGF3600 massager.
4. **Connect to Power Outlet:** Insert the AC plug of the power cord into a standard 100V-240V AC electrical wall outlet.
5. **Verify Connection:** Once connected, the adapter is ready to supply power to your device.

Image 2: The Kircuit 24V AC/DC adapter with its two main components: the power brick and the detachable AC power cord, laid out separately.

Image 3: The Kircuit 24V AC/DC adapter connected to a wall outlet, illustrating a typical setup for powering a device.

Operating Instructions

Once the adapter is properly connected to both the power outlet and your Naipo MGF-3600 massager, it will begin supplying power. The adapter is designed for continuous operation within its specified voltage and current limits.

- **Powering the Device:** The adapter provides stable 24V DC power to operate your massager.
- **Charging:** If your massager has a rechargeable battery, the adapter will also facilitate charging. Refer to your massager's manual for specific charging indicators and times.
- **Safety Features:** The adapter includes built-in protection against overcharge, ensuring the safety of your device during use and charging.

Maintenance and Care

Proper care and maintenance will extend the lifespan of your Kircuit AC/DC adapter:

- **Cleaning:** Disconnect the adapter from the power outlet and the device before cleaning. Use a soft, dry cloth to wipe the surface. Do not use liquid cleaners or solvents.
- **Storage:** When not in use, store the adapter in a cool, dry place, away from direct sunlight and extreme temperatures. Avoid tightly coiling the cables to prevent damage.
- **Handling:** Do not drop the adapter or subject it to strong impacts. Avoid bending or twisting the cables excessively.
- **Environmental Conditions:** Do not expose the adapter to water, high humidity, or corrosive environments.

Troubleshooting

If you encounter issues with your Kircuit AC/DC adapter, refer to the following common problems and solutions:

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Device not powering on/charging	• Loose connection • Faulty power outlet • Incorrect adapter • Damaged cable/adapter	• Ensure all connections (AC cord to adapter, adapter to device, AC plug to outlet) are secure. • Test the power outlet with another device. • Verify the adapter specifications match your device's requirements (24V DC, 3A). • Inspect cables and adapter for visible damage. If damaged, discontinue use and replace.
Adapter feels excessively hot	• Overload • Poor ventilation	• Ensure the device connected does not exceed the adapter's power rating (55W). • Place the adapter in a well-ventilated area, away from heat sources. • If overheating persists, discontinue use.

Product Specifications

Feature	Detail
Brand	Kircuit
Input Voltage	100V-240V AC
Output Voltage	24V DC
Output Current	3A
Power Output	55W
Connector Type	Barrel Connector
Compatible Devices	Naipo Model MGF-3600, MGF3600 2-in-1 Foldable Foot and Calf Massager
Special Features	100% Brand New, High Quality AC/DC Power Charger (non-OEM), Built-in Dynamic IC, Charger IC & Power fuse for rapid charging and overcharge protection.
Color	Black
Manufacturer	Shenzhen Waweis Technology Co., Ltd

Warranty Information

Specific warranty details for Kircuit products are typically provided at the point of purchase or on the manufacturer's official website. Please retain your proof of purchase for any warranty claims. For extended protection, consider purchasing a protection plan if available from your retailer.

- **2-Year Protection Plan:** Available for purchase from authorized retailers.
- **3-Year Protection Plan:** Available for purchase from authorized retailers.

Customer Support

For further assistance, technical support, or inquiries regarding your Kircuit 24V AC/DC Adapter, please refer to the contact information provided by your retailer or visit the official Kircuit support channels. When contacting support, please

have your product model and purchase details ready.
