T4TREAM RPC70FP42A-RBW-5

T4TREAM Farmhouse Fireplace TV Stand User Manual

Brand: T4TREAM | **Model:** RPC70FP42A-RBW-5

Product Overview

The T4TREAM Farmhouse Fireplace TV Stand combines rustic charm with modern functionality, serving as an elegant entertainment center for your living space. Designed to accommodate TVs up to 80 inches, this stand integrates a powerful 42-inch electric fireplace, offering both aesthetic appeal with realistic 3D flames and practical warmth for areas up to 400 sq. ft. It features customizable LED lighting, ample storage with smooth-sliding drawers, an open media cubby, and adjustable side cabinets, ensuring a tidy and organized setup.

Setup Instructions

Assembly of your T4TREAM TV Stand is designed to be straightforward. We recommend that two adults work together for a smooth and efficient setup. All parts are meticulously labeled, and clear instructions are provided to guide you through each step.

- Ensure you have all components and tools listed in the assembly guide before beginning.
- The item will be delivered in two separate packages, which may not arrive on the same day. Please ensure both packages have arrived before starting assembly.
- Assemble the unit close to its final desired location due to its weight and size once fully constructed.

Operating Instructions

Fireplace Operation

The integrated 42-inch electric fireplace offers both visual ambiance and heating functionality. You can control the fireplace using either the included remote control or the operating panel located on the unit.

- **Power On/Off:** Use the power button on the remote or operating panel to turn the fireplace on or off.
- **Flame Colors:** Cycle through 7 different flame colors to match your mood or decor.
- **Ember Bed:** The realistic 3D flame effect includes a lifelike log set and ember bed.
- **Heating:** The 5200 BTU heater can warm spaces up to 400 sq. ft. The flame effect and heating function can be controlled separately.
- **Timer:** Set a timer for 1 to 8 hours for automatic shut-off.

- **Overheating Protection:** The unit is equipped with overheating protection for safety.

Maintenance

Proper care and maintenance will ensure the longevity and continued aesthetic appeal of your TV stand.

- **Cleaning Surfaces:** Wipe down all surfaces with a soft, slightly damp cloth. Avoid using abrasive cleaners, harsh chemicals, or polishes that may damage the finish.
- **Fireplace Unit Care:** Periodically inspect the electric fireplace unit for dust accumulation, especially around the air intake and exhaust vents. Ensure these vents remain clear to prevent overheating and maintain optimal performance.
- **General Care:** Avoid placing hot items directly on the tabletop without protective coasters. Protect the unit from excessive moisture and direct sunlight to prevent warping or fading.

Troubleshooting

If you encounter any issues with your T4TREAM Farmhouse Fireplace TV Stand, please refer to the following common troubleshooting tips:

Issue	Possible Cause	Solution
Fireplace not turning on	Power cord unplugged, circuit breaker tripped, remote battery low	Check power connection, ensure outlet is functional, reset circuit breaker, replace remote batteries.
No heat from fireplace	Heat function not activated, thermostat setting too low, air vents blocked	Ensure heat function is on via remote/panel, increase thermostat setting, clear any obstructions from air vents.
LED lights not working	Loose connection, power issue, light switch off	Check all wiring connections for the LED lights, ensure the power supply is active, verify the light switch is in the 'on' position.
Drawers or doors stick/don't close smoothly	Misalignment during assembly, debris in tracks, loose hardware	Verify that all hardware is tightened correctly. Check for any debris in the drawer slides or door hinges and clear them. Adjust hinges or slides if necessary.

Product Specifications

- **Brand:** T4TREAM
- **Product Dimensions:** 15.6"D x 70"W x 32"H

- **Material:** Engineered Wood
- **Special Feature:** Flame Effect, LED Lighting, Adjustable Shelves, Cable Management
- **Style:** Farmhouse
- **Color:** Reclaimed Barnwood Color
- **Heating Coverage:** Up to 400 sq ft
