BUILDIFY F-A0629

BUILDIFY Little Shop of Horrors Audrey 2 Piranha Plant Building Blocks Set

Model: F-A0629

Brand: BUILDIFY

Introduction

Thank you for choosing the BUILDIFY Little Shop of Horrors Audrey 2 Piranha Plant Building Blocks Set. This set allows you to construct a detailed model inspired by the iconic piranha plant, featuring an openable mouth and intricate foliage. Designed for enthusiasts and collectors, this set provides an engaging building experience and results in a unique display piece.

What's in the Box

- Building Blocks Set (327 pieces)
- Instruction Manual

Assembly Instructions

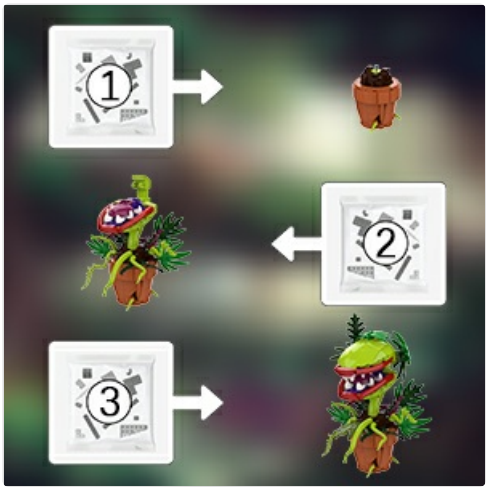

Follow the detailed paper instructions included in your package for step-by-step guidance. The building blocks are typically organized into numbered bags to simplify the assembly process.

This image depicts the various building block pieces laid out on a table, alongside the product box and a small, partially assembled version of the Piranha Plant, illustrating the components before full assembly.

Step-by-Step Guidance

The assembly is divided into stages, with corresponding numbered bags of bricks. Ensure you use the correct bag for each stage as indicated in the manual.

This diagram illustrates the first bag of building blocks, labeled '1', indicating the initial set of pieces required for the first stage of assembly, leading to the base of the plant.

This diagram illustrates the second bag of building blocks, labeled '2', indicating the pieces required for the second stage of assembly, which builds upon the base to form the plant's stem and initial leaves.

This diagram illustrates the third bag of building blocks, labeled '3', indicating the pieces required for the final stage of assembly, completing the plant's head, mouth, and additional foliage.

This image shows two children engaged in the assembly process of the building blocks set. The instruction manual is open on the table, indicating the step-by-step guidance provided for construction.

Assembly Overview Video

Your browser does not support the video tag.

This video provides an animated overview of the assembly process for the Audrey 2 Piranha Plant building blocks set, showing how the individual pieces come together to form the complete model.

This image displays the fully assembled Audrey 2 Piranha Plant model, showcasing its vibrant green and red colors, sharp teeth, and intricate vine details. The product box, labeled 'PIRANHA PLANT F-A0629', is visible to the left.

Operating the Model

The Audrey 2 Piranha Plant model features an interactive openable mouth. Gently press down on the top of the plant's head to open its jaws, revealing the detailed interior and teeth. Release to allow the mouth to close.

This image shows a child gently pressing the top of the Audrey 2 model to activate its openable mouth mechanism. Three insets illustrate the mouth in closed, partially open, and fully open positions.

Mouth Mechanism Demonstration Video

This video demonstrates the interactive feature of the Audrey 2 Piranha Plant model, showcasing how its mouth can be opened and closed, highlighting the movable parts and detailed interior.

This composite image provides detailed views of the Audrey 2 model. It shows the plant's openable mouth with sharp teeth and a purple tongue, along with close-ups of the flexible vines and leaf structures. An inset demonstrates the mouth opening and closing.

Maintenance

To maintain the appearance and integrity of your building block model, follow these guidelines:

- **Cleaning:** Use a soft, dry cloth or a soft brush to gently remove dust. For more stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model with care to avoid accidental disassembly of smaller pieces.

Troubleshooting

Issue	Possible Cause	Solution
Missing pieces	Packaging error or accidental loss during unboxing/assembly.	Carefully check all packaging materials. If pieces are still missing, contact BUILDIFY customer support.
Parts do not fit together or fall apart easily	Incorrect piece used, improper alignment, or manufacturing defect.	Refer to the instruction manual to ensure the correct pieces are used and properly aligned. Apply firm, even pressure when connecting bricks. If issues persist, contact customer support.
Model is unstable	Incorrect assembly of base or core structure.	Review the assembly steps for the base and main stem. Ensure all connections are secure and pieces are correctly oriented.

Specifications

- **Product Dimensions:** 8.07 x 5.12 x 2.44 inches (20.5 x 13 x 6.2 cm)
- **Item Weight:** 12.3 ounces
- **Number of Pieces:** 327
- **Recommended Age:** 6 years and up (Manufacturer recommended age)
- **Material:** ABS Plastic

This diagram illustrates the approximate dimensions of the assembled Audrey 2 model: 8.07 inches (20.5 cm) in length, 5.12 inches (13 cm) in width, and 2.44 inches (6.2 cm) in height. It also notes the set contains 327 pieces and is recommended for ages 8+.

Safety Information

WARNING:

The product contains small fragments. Please do not allow children under 4 years old to use or accidentally ingest these pieces. Adult supervision is recommended during assembly for younger children.
