## PAKASEPT FV-45S

# PAKASEPT Dog Crate Furniture Instruction Manual - Model FV-45S

Your guide to assembly, operation, and care.

## INTRODUCTION

Thank you for choosing the PAKASEPT Dog Crate Furniture. This manual provides essential information for the proper assembly, safe operation, and maintenance of your new pet furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

## SETUP AND ASSEMBLY

The PAKASEPT Dog Crate Furniture is designed for straightforward assembly. All necessary hardware tools and detailed installation instructions are included in the package. Each piece is labeled to assist with identification during the assembly process.

1. **Unpack and Organize:** Lay out all parts according to their corresponding numbers. This will help streamline the assembly process.
2. **Follow Instructions:** Adhere strictly to the step-by-step instructions provided in the enclosed manual. Pay close attention to the orientation and direction of each board to ensure correct assembly.
3. **Secure Connections:** Ensure all screws and fasteners are tightened securely to provide stability and safety for your pet.

Image: Overview of the PAKASEPT Dog Crate Furniture components, including the main structure, a separate storage drawer, and a pull-out feeder with two stainless steel bowls.

The crate features two metal locks for secure closure, ensuring your pet remains safely inside when needed. The robust construction of wood and metal doors contributes to its durability.

## OPERATING INSTRUCTIONS

This dog crate furniture offers a comfortable and functional space for your pet while seamlessly integrating into your home decor.

### Pet Comfort and Access

The dog crate has 2 fully extending doors on the left side and front, providing easy access and versatility for placement in any room.

Image: A golden retriever inside the crate, demonstrating the dual-door access. Both the front and side doors can be opened for versatile placement and easy entry/exit.

The crate features a **double door design**, allowing for flexible placement within your home without restriction. This design also facilitates easier cleaning of the interior. The spacious interior ensures your dog can stretch comfortably, promoting spinal health during rest. The thoughtful ventilation system maintains proper airflow, keeping your pet cool and comfortable.

### **Integrated Storage and Feeding**

## Comes with Two Dog Bowls

Allows Your Dog to Have a Dedicated Place to Enjoy Food and Water

Image: The integrated pull-out feeder with two bowls, designed for discreet storage when not in use, and the two-tier storage cabinet for pet supplies.

This furniture includes a convenient **side drawer-style feeder** that can be discreetly stored away when not in use, maintaining a tidy appearance. It also features **two layers of storage cabinets**, ideal for organizing pet supplies such as food, treats, and toys. Additionally, the spacious tabletop can support up to 200 pounds, making it suitable for displaying decorative items or even as a TV stand.

## MAINTENANCE AND CARE

To ensure the longevity and cleanliness of your PAKASEPT Dog Crate Furniture, regular maintenance is recommended.

- **Cleaning the Wood Surfaces:** Wipe wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish. Dry immediately with a clean cloth.
- **Cleaning the Metal Bars:** The metal bars can be cleaned with a mild soap and water solution. Ensure they are thoroughly dried to prevent rust.
- **Feeder Bowls:** The stainless steel feeder bowls are removable and dishwasher-safe for easy cleaning.
- **Pet Bedding:** Regularly clean or replace any bedding placed inside the crate to maintain hygiene and comfort for your pet.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten as necessary to maintain structural integrity.

## TROUBLESHOOTING

Should you encounter any issues with your PAKASEPT Dog Crate Furniture, please refer to the following common solutions:

- **Wobbly Structure:** If the crate feels unstable, re-check all assembly points and ensure all screws are fully tightened. Uneven flooring can also contribute to wobbling; consider placing a rug or leveling pads underneath.
- **Doors Not Closing Properly:** Inspect the door hinges and latches for any obstructions or misalignment. Ensure the frame is square and level.
- **Missing Parts:** If any parts were missing upon delivery, please contact customer support immediately with your purchase details.
- **Damage During Assembly:** If a part was damaged during assembly, assess if it affects the structural integrity or safety. Contact customer support for replacement parts if necessary.
