SAFETY INFORMATION

- Always assemble the chair according to the provided instructions.
- Do not exceed the maximum weight capacity of 350 lbs (158 kg).
- Be cautious when adjusting the chair's features to prevent injury.
- Ensure all bolts and screws are tightened securely before use and periodically check for looseness.
- Keep children and pets away during assembly.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Backrest
- Seat Cushion with Footrest

- Armrests (2)
- Gas Lift Cylinder
- Five-Star Base
- Casters (5)
- Mechanism Plate
- Lumbar Support Pillow
- Headrest Pillow
- Hardware Kit (screws, washers, Allen wrench)
- Instruction Manual

ASSEMBLY INSTRUCTIONS

The GTPLAYER Gaming Chair is designed for straightforward assembly. All necessary tools and clear instructions are included in the package. Follow the step-by-step guide provided with your chair for a hassle-free setup.

1. Attach the casters to the five-star base by pressing them firmly into the holes.
2. Insert the gas lift cylinder into the center hole of the five-star base.
3. Secure the mechanism plate to the underside of the seat cushion using the provided screws. Ensure the front of the mechanism faces the front of the seat.
4. Attach the armrests to the seat cushion using the designated screws.
5. Connect the backrest to the seat cushion and armrests, securing with screws.
6. Place the assembled seat onto the gas lift cylinder.
7. Attach the headrest and lumbar support pillows as desired.

Ensure all connections are tight before using the chair. Periodically re-tighten screws to maintain stability.

OPERATING INSTRUCTIONS

Your GTPLAYER Gaming Chair offers several adjustable features for personalized comfort.

Height Adjustment

To adjust the chair's height, locate the lever on the right side, beneath the seat. Pull the lever up while seated to lower the chair, or pull the lever up while standing to raise the chair. Release the lever at the desired height.

Recline Function

The backrest can recline from 90° (upright working position) to 170° (resting position). Pull the recline lever, typically on the right side of the seat, and lean back to the desired angle. Release the lever to lock the backrest in place.

INTERIOR DESIGN MORE SOFT AND STABLE

Image: Illustration of the chair's adjustable recline feature, showing angles for working, reading, watching, and resting.

Armrest Adjustment

The 3D armrests can be adjusted in various directions (height, forward/backward, pivot). Locate the buttons or levers on the armrests to unlock and adjust them to your preferred position. Release the button/lever to lock.

Footrest Operation

To extend the footrest, pull it out from beneath the seat. To retract, push it back in until it is fully stored.

360-Degree Swivel

The chair features a 360-degree swivel capability, allowing for easy rotation without moving the base.

MAINTENANCE

- **Cleaning:** For the breathable fabric, use a soft cloth with mild soap and water for spot cleaning. Avoid harsh chemicals or abrasive cleaners. Allow to air dry completely.
- **Hardware Check:** Periodically inspect all bolts and screws to ensure they are tight. Re-tighten as necessary to maintain stability and prevent squeaking.
- **Caster Care:** Keep casters free of hair and debris to ensure smooth rolling.

TROUBLESHOOTING

- **Chair feels unstable:** Ensure all assembly screws are fully tightened. Check that the gas lift is properly seated in the base.
- **Difficulty adjusting height:** Verify that the gas lift lever is fully engaged. If the gas lift is faulty, contact customer support for a replacement.
- **Backrest does not recline or lock:** Check the recline lever mechanism for any obstructions. Ensure it is fully engaged or disengaged as intended.
- **Squeaking noises:** Apply a small amount of silicone lubricant to moving parts, especially where metal components meet. Check and tighten all screws.
- **Seat cushion discomfort:** The chair features high-density sponge cushioning. If additional comfort is desired, a supplementary cushion can be used.

SPECIFICATIONS

Feature	Detail
Brand	GTPLAYER
Model Name	GT505F-2024
Color	Grey
Material	Textile (Breathable Fabric), High-Density Sponge
Product Dimensions (D x W x H)	21"D x 26"W x 54"H
