Sluban DZ6029

Sluban Mech Building Set DZ6029 Instruction Manual

1. Introduction

Welcome to the instruction manual for your Sluban Mech Building Set, Model DZ6029. This kit allows you to construct a detailed robot mecha model comprising 752 pieces. The finished model features fully articulated joints and comes with two interchangeable weapons, offering a versatile and engaging building experience.

2. Safety Information

- **Recommended Age:** This building set is recommended for individuals aged 6 years and up.
- **Small Parts Warning:** The kit contains small parts which may pose a choking hazard. It is not suitable for children under 3 years of age.
- **Adult Supervision:** Adult supervision is recommended during the assembly process, especially for younger builders, to ensure safe handling of all components.
- **Proper Disposal:** Dispose of all packaging materials responsibly.

3. Package Contents

Upon opening your Sluban Mech Building Set, please verify that all components are present:

- 752 Building Pieces (various shapes and sizes)
- 1 x Instruction Manual (detailed step-by-step guide)
- 1 x Sticker Sheet (for detailed aesthetic enhancements)
- 2 x Interchangeable Weapons (for customization)

4. Assembly (Setup)

Follow the included physical instruction manual for a detailed, step-by-step guide to assembling your Sluban Mech. The manual will illustrate each connection point and required piece.

1. **Preparation:** Unpack all pieces and organize them by color, size, or type as indicated in the manual. This will streamline the building process.
2. **Step-by-Step Construction:** Carefully follow the diagrams and instructions provided in the manual. Ensure each piece is firmly connected to create a stable structure.
3. **Articulated Joints:** Pay close attention to the assembly of articulated joints to ensure they function correctly and allow for a full range of motion.
4. **Sticker Application:** Apply the detailed stickers as directed in the manual to enhance the aesthetic appearance of

your mech.

5. **Weapon Assembly:** Assemble the two interchangeable weapons according to their specific instructions.

5. Operating the Model

Once assembled, your Sluban Mech model is ready for display and interactive posing.

- **Posing:** Utilize the fully articulated joints in the arms, legs, and torso to create dynamic and expressive poses. The joints are designed to hold various positions.
- **Weapon Interchange:** The two included weapons can be easily attached and detached from the mech's hands or designated attachment points, allowing for customization of its combat readiness.

6. Maintenance

To ensure the longevity and appearance of your Sluban Mech model, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the model with a dry, soft cloth to remove dust. Avoid using water, cleaning solutions, or harsh chemicals, as these may damage the plastic or stickers.
- **Storage:** Store the assembled model in a cool, dry place away from direct sunlight. Prolonged exposure to sunlight can cause discoloration or material degradation.
- **Handling:** Handle the model carefully, especially when posing, to prevent accidental detachment of pieces.

7. Troubleshooting

If you encounter any issues during or after assembly, please refer to the following common solutions:

- **Missing or Damaged Pieces:** If you find any missing or damaged pieces upon opening the set, please contact Sluban customer service immediately. Refer to the contact information provided in the original packaging or on the official Sluban website for assistance.
- **Loose Connections/Joints:** Ensure all building pieces are pressed firmly together during assembly. If a joint feels loose, carefully re-examine the connection points in the instruction manual and reassemble the section.
- **Difficulty Posing:** If the model does not hold a pose, check that all articulated joints are correctly assembled and fully engaged.

8. Specifications

Feature	Detail
Model Number	DZ6029

Number of Pieces	752
Recommended Age	6 years and up
Package Dimensions	8.82 x 6.26 x 3.58 inches
Item Weight	1.51 pounds
Assembled Product Dimensions	Approximately 11 x 6.2 x 2.6 inches
