Qecnato G2

Qecnato G2 Bluetooth Headset User Manual

Model: G2

INTRODUCTION

Thank you for choosing the Qecnato G2 Bluetooth Headset. This manual provides detailed instructions for setting up, operating, and maintaining your new headset. The G2 headset features advanced Bluetooth 5.3 technology for stable connections, Environmental Noise Control (ENC) for clear calls, and a comfortable, flexible design for extended wear.

WHAT'S IN THE BOX

Verify that all items are present in the package:

- Bluetooth Earpiece (1 unit)
- User Manual
- Charging Cable (Type-C)
- Wireless Charging Case
- Replaceable Ear Caps (S/M/L sizes)

PRODUCT FEATURES

- **Bluetooth 5.3 Technology:** Ensures quick, stable, and low-latency connections up to 15 meters (49 feet).
- **Environmental Noise Control (ENC) Mic:** Passively eliminates up to 75% of background noise for clear calls.
- **High-Fidelity Audio:** Features 14.2mm composite dynamic drivers with AAC and SBC audio encoding for immersive sound.
- **Extended Battery Life:** Up to 60 hours of standby time with the 400mAh charging case. Single earpiece provides approximately 12 hours of music time or 10 hours of talk time.
- **LED Digital Display:** Shows the remaining power of the charging case.
- **IP7 Waterproof Rating:** Provides protection against water immersion.
- **Ergonomic and Flexible Design:** Lightweight earpiece with soft silicone ear pads. Features a 360° rotatable ear hook and 180° rotatable arm for a comfortable and secure fit on either ear.
- **Smart Button Controls:** Independent volume and multimedia buttons for easy adjustment, call management, and voice assistant activation.
- **Voice Assistant Support:** Easily activate Siri or other voice assistants.
- **Dual Device Connection:** Connects to two devices simultaneously.

SETUP INSTRUCTIONS

1. Charging the Headset and Case

Before first use, fully charge the headset and its charging case.

- Connect the provided Type-C charging cable to the charging case and a USB power source.
- The LED digital display on the charging case will show the charging status and battery level.
- A full charge for the earpiece takes approximately 1.5 hours. The charging case also takes about 1.5 hours to fully charge.

2. Pairing with a Device

The Qecrato G2 headset uses Bluetooth 5.3 for quick and stable connections.

1. Ensure the headset is charged.
2. Turn on the headset. It will automatically enter pairing mode (indicated by a flashing LED light).
3. On your smartphone, tablet, or other Bluetooth-enabled device, go to the Bluetooth settings.
4. Search for available devices and select "Qecrato G2" from the list.
5. Once connected, the LED light on the headset will stop flashing.
6. The headset can connect to two devices simultaneously.

3. Adjusting for Comfort

The headset is designed for superior comfort and can be adjusted to fit either ear.

- The ear hook can rotate 360° to fit your left or right ear.
- The arm of the earpiece can rotate 180° for optimal positioning.
- Experiment with the included S/M/L ear caps to find the best fit for noise isolation and comfort.

Fit for Both Ears

Design reduces the burden on ears.

OPERATING INSTRUCTIONS

Button Functions

The Qecnato G2 headset features intuitive button controls for various functions.

Push-Button for Multi-Function

Image: Overview of headset button controls.

- **Power On/Off:** Press and hold the Power button.
- **Play/Pause Music:** Single press the Multi-function button.
- **Answer/End Call:** Single press the Multi-function button during an incoming call or active call.
- **Reject Call:** Press and hold the Multi-function button during an incoming call.
- **Volume Up/Down:** Use the dedicated Volume +/- buttons.
- **Next/Previous Track:** Press the Volume +/- buttons (specific press duration or double-tap may apply, refer to quick start guide if included).
- **Mute/Unmute:** Press the Mute button (if available, or a combination of volume buttons).
- **Activate Voice Assistant (Siri/Google Assistant):** Press and hold the Multi-function button for 1 second.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Qecnato G2 headset.

- **Cleaning:** Use a soft, dry cloth to wipe the headset and charging case. Do not use abrasive cleaners or solvents.
- **Water Resistance:** The headset is IP7 waterproof. This means it can withstand immersion in water up to 1 meter for 30 minutes. However, it is not recommended for swimming or prolonged submersion. Ensure the charging port is dry before charging.
- **Storage:** Store the headset in its charging case when not in use to protect it and keep it charged. Avoid extreme temperatures.
- **Ear Caps:** Regularly clean the ear caps with a damp cloth. Replace them if they become worn or damaged to maintain hygiene and sound quality.

TROUBLESHOOTING

If you encounter issues with your Qecnato G2 headset, refer to the following common solutions:

Problem	Possible Solution
Headset does not power on.	Ensure the headset is fully charged. Place it in the charging case and connect the case to power.
Cannot pair with device.	◦ Ensure Bluetooth is enabled on your device. ◦ Make sure the headset is in pairing mode (flashing LED). ◦ Move the headset closer to your device (within 15 meters). ◦ Forget "Qecnato G2" from your device's Bluetooth list and try pairing again. ◦ Restart both the headset and your device.
No sound or low volume.	◦ Adjust the volume on both the headset and your connected device. ◦ Ensure the headset is properly connected to your device. ◦ Check if the ear caps are correctly fitted and not blocked.

Problem	Possible Solution
Call quality is poor.	◦ Ensure the microphone is not obstructed. ◦ Move to an area with less background noise. ◦ Check the Bluetooth connection stability.
Charging case LED display is off.	Connect the charging case to a power source to check if it's charging. The display activates when charging or when the case is opened.

SPECIFICATIONS

Feature	Detail
Model Number	G2
