Package Contents

- Set of 3 Customized Stovetop Protector Liners
- Lifetime Warranty Card
- Care Instructions

2. Installation Instructions

Identifying Your Stove Model

It is crucial to verify your stove's model number to ensure proper fitment of the Premium Plus Stove Protectors. For GE Gas Range Model JGBS66REK6SS, the liners are custom-tailored. If you have a different model, search for 'Premium Plus' followed by your specific model number on Amazon.

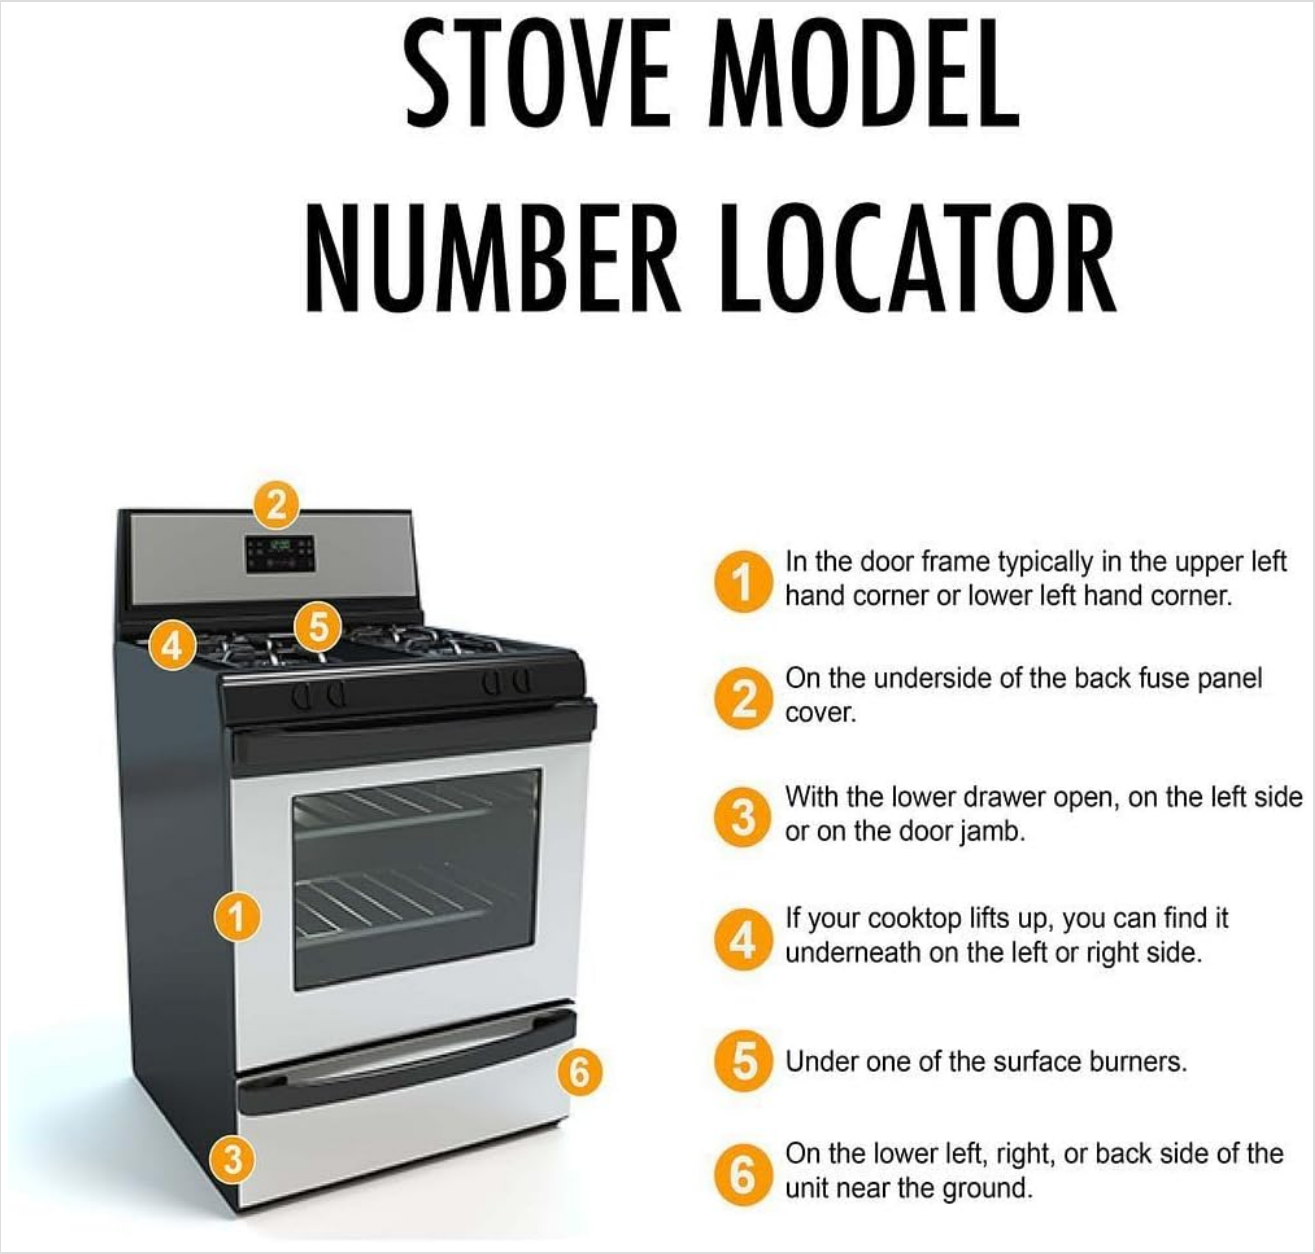

Image: Diagram showing common locations for stove model numbers: 1) In the door frame (upper left or lower left), 2) On the underside of the back fuse panel cover, 3) With the lower drawer open (left side or door jamb), 4) Under the cooktop (left or right side), 5) Under one of the surface burners, 6) On the lower left, right, or back side of the unit near the ground.

Step-by-Step Installation

Follow these three simple steps to install your stovetop protector liners:

1. **Step 1:** Remove all stovetop accessories, including grates and burner caps.
2. **Step 2:** Place the liners onto the stovetop. Start with the center piece, then overlap the side pieces to fully cover the stove's surface, aligning them with the burner openings.
3. **Step 3:** Reassemble the stovetop accessories (burner caps and grates) over the installed liners. Your stove is now protected and ready for use.

3. Cleaning and Care

Keeping your stovetop clean is simple with Premium Plus Stovetop Protector Liners. They are designed for easy cleaning and are reusable.

Cleaning Methods

- **Daily Upkeep:** For minor spills and grease, simply wipe the liners with a wet sponge or cloth.
- **Deeper Clean:** For more thorough cleaning, the liners are dishwasher-safe. Remove them from the stovetop and place them in your dishwasher.
