# TORRAS Smart Car Air Freshener

Model: CF12  
User Instruction Manual

## 1. PRODUCT OVERVIEW

The TORRAS Smart Car Air Freshener is an advanced ultrasonic mist diffuser designed to provide a pleasant and consistent fragrance experience in your vehicle. It features intelligent auto on/off functionality, a long-lasting battery, and a large fragrance capacity.

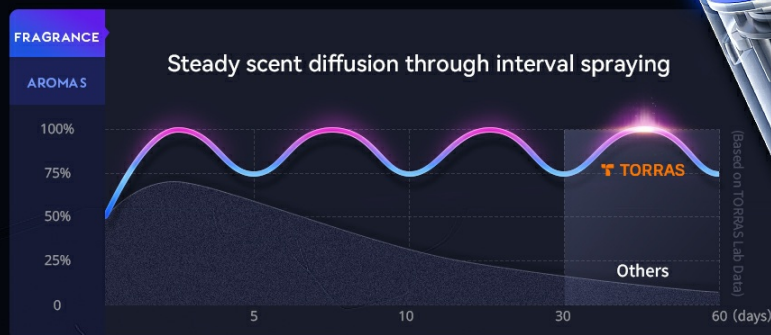

The TORRAS Smart Car Air Freshener diffusing mist in a vehicle's interior.

Key features include:

- **Upgraded Fountain-Style Diffusion:** Ensures even and long-lasting fragrance distribution.
- **60-Hour Runtime:** Equipped with a 700mAh battery for extended use on a single charge.
- **Smart Auto On/Off:** Automatically pauses when the car is off and resumes when the vehicle starts.
- **45ml Large Capacity:** Uses premium French Robert-certified fragrance, lasting up to 4 months.

## Patented Dual Diffusion Technology

Ultrasonic + High-Speed Fan, 30dB Quiet Design  
Evenly disperses fragrance for long-lasting relaxation.

Patented Dual Diffusion Technology for even scent dispersion.

*\*New product protected with bubble wrap.*

Contents of the TORRAS Smart Car Air Freshener package.

## 3. SETUP

### 3.1 Initial Charging

Before first use, fully charge the device using the provided USB Type-C cable. Connect the cable to the device and a compatible USB power source (adapter not included). The device has a 700mAh battery, offering up to 60 hours of continuous use on a full charge.

# Charge 1.5 hours lasts 60 days

700mAH — Triple the power, all in one

The device's 700mAh battery provides long-lasting power.

## 3.2 Installing Fragrance

Carefully open the device to insert the fragrance bottle. Ensure the bottle is securely seated to prevent leaks. The device is designed to work with specialized car fragrance refills to prevent clogging and ensure optimal performance.

The included Pure Cologne fragrance bottle.

# French Robert imported perfumes

Dior / CHANEL / Prada same-style fragrance.

Fragrances are French Robert imported and certified safe.

## 4. OPERATING INSTRUCTIONS

### 4.1 Power On/Off

To power on the device, press and hold the power button located on the top. The device will emit a blue light indicating it is active. To power off, press and hold the power button again.

### 4.2 Smart Auto On/Off Function

The device features an intelligent auto start/stop function. It automatically detects when your car is turned off and pauses diffusion after 5 minutes to save energy. When the vehicle starts, the diffuser automatically resumes operation without manual intervention.

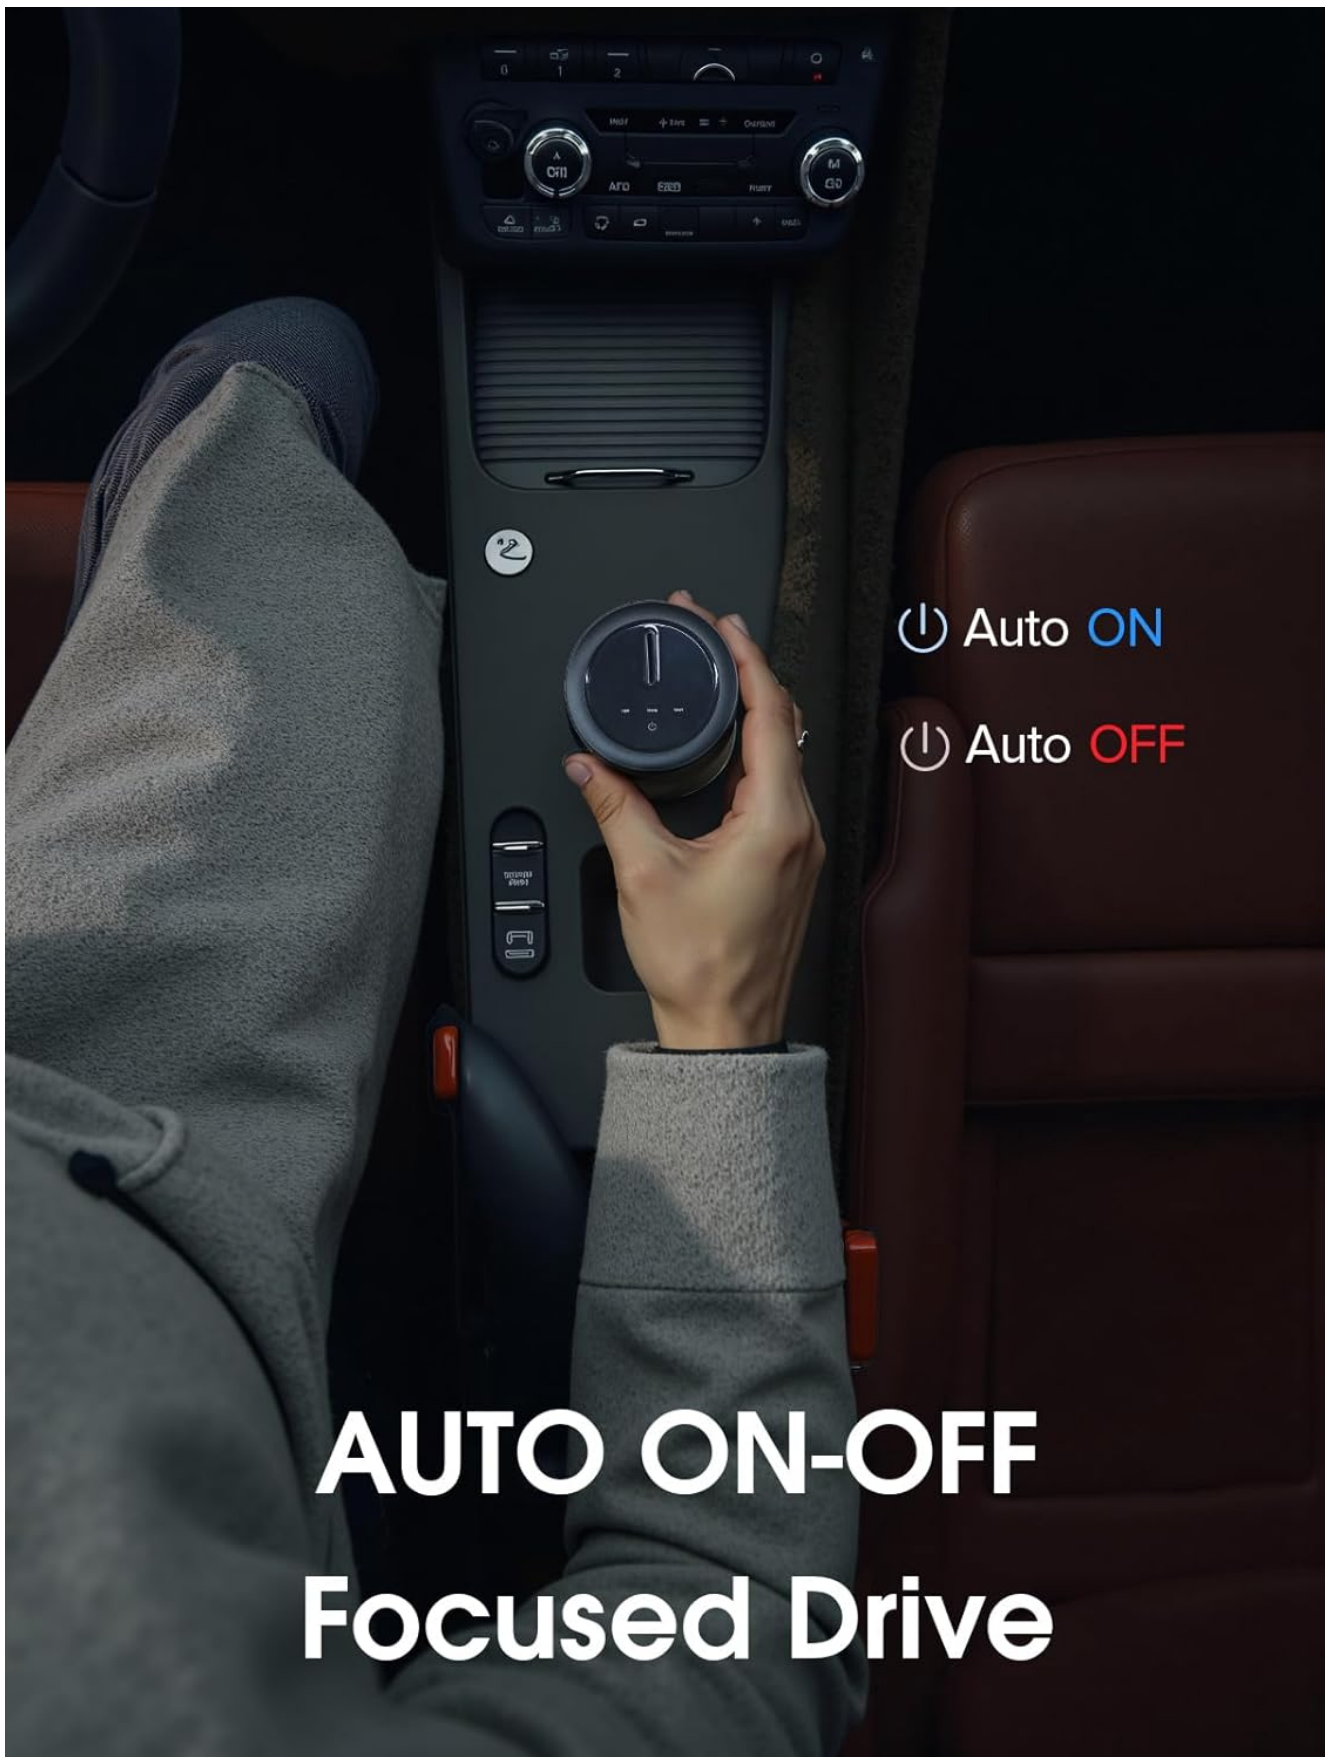

The Aerospace-Grade AI Auto On/Off feature provides effortless use.

### 4.3 Adjusting Fragrance Intensity

The device allows for adjustment of fragrance intensity. Refer to the specific controls on the top panel to cycle through available modes (e.g., low, medium, high) to suit your preference.

Adjusting the device for optimal fragrance diffusion.

## 5. MAINTENANCE

### 5.1 Cleaning the Device

To maintain optimal performance, periodically wipe the exterior of the device with a soft, dry cloth. Avoid using harsh

chemicals or abrasive materials. Do not submerge the device in water.

## 5.2 Fragrance Replacement

The 45ml fragrance bottle is designed to last up to 4 months. When replacing the fragrance, simply spray 60-80 times to transition to the new scent. The cotton stick features a spiral tube design for a secure fit, preventing poor spray performance due to looseness. For frequent fragrance changes, a dedicated screwdriver and cotton stick kit can be purchased.

**4 Months**

Open 1h Per Day,  
Scent Work 130 Days.

**45ML**

DESIGNED BY T&R  
FRENCH MODERN FRAGRANCE

Keep away from fire. Do not use near open flame. Avoid contact with eyes. If contact occurs, rinse thoroughly with water. Do not use if the cap is damaged or the bottle is leaking. For more information, please visit our website.

The 45ml fragrance bottle provides up to 4 months of scent.

## 6. TROUBLESHOOTING

If you encounter any issues with your TORRAS Smart Car Air Freshener, please refer to the common questions below:

- **Q: Do I need to change the cotton stick when replacing the fragrance?**

A: Our cotton stick features a spiral tube design to ensure a secure fit, preventing poor spray performance due to looseness. When switching fragrances, simply spray 60-80 times to transition to the new scent. For frequent fragrance changes, you can purchase a dedicated screwdriver and cotton stick kit.

- **Q: Can I use my own fragrance?**

A: This product uses ultrasonic diffusion technology, and using non-specialized perfumes may cause clogging or poor spray performance. Please only use our specialized car fragrance refills. We are constantly developing new scents, so don't hesitate to share your favorites with us!

### **Q Do I need to change the cotton stick when replacing the fragrance?**
