SETUP AND ASSEMBLY

Assembly of the GarveeHome Bar Stools is designed to be straightforward. Follow the included instructions and use the provided tools for efficient setup.

Key Assembly Tips:

- All parts are clearly labeled to simplify identification.
- When attaching the backrest support pieces, avoid overtightening the screws initially. This ensures proper alignment for the final backrest attachment. Once the backrest is in place, all screws can be securely tightened.

MAINTENANCE

To maintain the appearance and longevity of your bar stools:

- The metal frame features a waterproof and anti-corrosive coating. Wipe away dust and spills with a

soft, damp cloth.

- Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- Regularly check and tighten all screws to ensure stability.

TROUBLESHOOTING

If you encounter any issues during assembly or use, please review the assembly steps carefully. Ensure all screws are tightened appropriately (without overtightening backrest screws). For persistent problems, contact customer support.
