nanoblock NAN22917

nanoblock Pokémon Raichu Building Kit Instruction Manual

Model: NAN22917

1. PRODUCT OVERVIEW

This manual provides instructions for assembling the nanoblock Pokémon Raichu Building Kit, model NAN22917. This kit allows you to construct a detailed miniature model of Raichu using nanoblock pieces.

Image 1.1: Front view of the assembled nanoblock Raichu model. The model is constructed from small brown, yellow, white, and black building blocks, depicting Raichu's characteristic features.

- **Brand:** nanoblock
- **Model:** NAN22917
- **Character:** Raichu (Pokémon Series)
- **Number of Pieces:** Approximately 170
- **Assembled Height:** Approximately 2.20 inches (5.59 cm)
- **Difficulty Level:** 2 (on a scale where 1 is easiest and 5 is most challenging)
- **Recommended Age:** 15 years and up

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.

This product contains small building blocks that can pose a choking hazard. Keep all parts out of reach of young children. Adult supervision is recommended for younger builders within the recommended age range.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present in the package.

- nanoblock building pieces for Raichu (approximately 170 pieces)
- Instruction sheet (typically included within the box)

The product box includes a Bandai Namco warning label, indicating an officially licensed product.

4. SETUP AND PREPARATION

1. **Unpack:** Carefully open the product box and remove all contents.
2. **Organize Pieces:** It is recommended to sort the nanoblock pieces by color and size before starting. This will simplify the building process.
3. **Clear Workspace:** Ensure you have a clean, flat, and well-lit surface to work on. Due to the small size of the blocks, a stable environment is crucial to prevent loss of pieces.
4. **Review Instructions:** Familiarize yourself with the included instruction sheet. nanoblock instructions typically use visual diagrams to guide assembly.

Image 4.1: A nanoblock model held in a hand, illustrating the small scale of the building blocks and the finished product.

5. OPERATING (ASSEMBLY INSTRUCTIONS)

Follow the step-by-step visual instructions provided in the instruction sheet included with your kit. nanoblock assembly involves carefully connecting the small blocks to form the desired structure.

- **Start from the Base:** Most nanoblock models are built from the bottom up. Identify the base layer in the instructions and begin assembling there.
- **Layer by Layer:** Proceed layer by layer, ensuring each block is securely connected to the previous ones.
- **Color and Shape Matching:** Pay close attention to the color and shape of the blocks indicated in the

diagrams.

- **Patience is Key:** Due to the small size, assembly requires patience and precision. Take breaks if needed.
- **Difficulty Level:** This kit has a difficulty level of 2. While not the most complex, it still requires careful attention to detail.

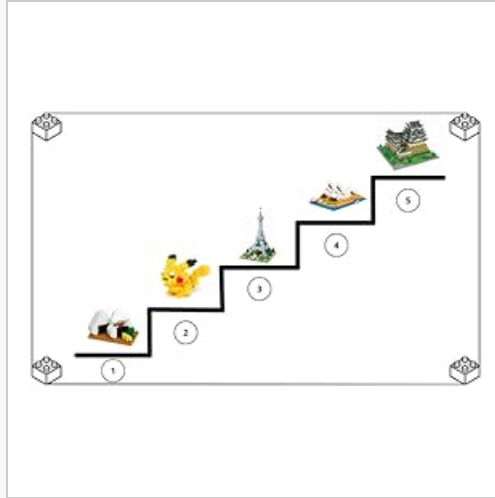

Image 5.1: An illustration showing different nanoblock models and their corresponding difficulty levels, providing context for the Raichu kit's difficulty level 2.

6. MAINTENANCE

Once assembled, your nanoblock Raichu model requires minimal maintenance.

- **Cleaning:** To clean the model, gently dust it with a soft brush or a dry cloth. Avoid using water or chemical cleaners, as these may damage the plastic.
- **Storage:** Store the assembled model in a stable location away from direct sunlight and extreme temperatures to prevent discoloration or warping of the blocks.
- **Disassembly:** If you wish to disassemble the model, carefully separate the blocks. Small tools like tweezers (not included) can assist in separating tightly connected pieces.

7. TROUBLESHOOTING

- **Missing Pieces:** If you believe you are missing pieces, double-check your workspace and the packaging. Due to their small size, pieces can be easily overlooked. Contact nanoblock customer support if pieces are genuinely missing.
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly. Apply gentle, even pressure. Avoid forcing blocks, as this can cause damage.
- **Model Instability:** If the model feels unstable during assembly, re-check the previous steps to ensure all connections are secure and blocks are placed according to the instructions.

8. SPECIFICATIONS

Feature	Detail
Product Dimensions (Assembled)	1.89 x 1.89 x 2.2 inches (4.8 x 4.8 x 5.6 cm)
Item Weight	2.11 ounces (59.8 grams)

Model Number	NAN22917
Manufacturer	Kawada
Recommended Age	15 years and up
Number of Pieces	170
Difficulty Level	2

9. WARRANTY AND SUPPORT

For information regarding product warranty, missing parts, or general inquiries, please refer to the contact information provided on the product packaging or visit the official nanoblock website.
