WLIVE 9-Drawer Dresser Instruction Manual

Model: ASNG116HX

INTRODUCTION

Thank you for choosing the WLIVE 9-Drawer Dresser. This modern and spacious wood dresser is designed to enhance your bedroom, living room, office, or hallway with its functional storage and elegant design. It features sturdy metal handles, ball-bearing slides for smooth drawer operation, and a durable engineered wood construction. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure long-lasting satisfaction with your product.

PRODUCT FEATURES

- **Modern Design:** A sleek and contemporary aesthetic with a grey oak finish, suitable for various interior styles.
- **Spacious Storage:** Features 9 drawers, including 6 middle drawers (14.29"D x 17.44"W x 5.75"H) and 3 large drawers (14.29"D x 17.44"W x 7.13"H), offering ample space for clothes, toys, blankets, and other household items.
- **Durable Construction:** Crafted from durable engineered wood, ensuring long-term use and scratch resistance.
- **Sturdy & Smooth Operation:** Each drawer is equipped with smooth metal slides for easy access. The thoughtful design allows drawers to open fully without tipping.
- **High Load Capacity:** Large drawers can hold up to 40 lbs, small drawers up to 30 lbs, and the wood tabletop can support up to 175 lbs.
- **Versatile Top Surface:** The top surface is ideal for placing a TV up to 75 inches or frequently used items.
- **Safety Features:** Includes an anti-tipping device to prevent shaking or tipping over, ensuring the safety of family members and pets.

SETUP AND ASSEMBLY

The WLIVE 9-Drawer Dresser requires assembly. Detailed installation instructions, coded parts, and accessories are included in the packaging to facilitate a smooth and accurate setup. It is recommended to assemble the dresser on a soft, clean surface to prevent scratches.

Assembly Steps Overview:

1. Unpack all components and verify against the parts list provided in the instruction manual.
2. Follow the step-by-step diagrams for attaching panels, drawer slides, and other structural elements.
3. Assemble the drawer boxes, ensuring all screws and fasteners are securely tightened.
4. Install the anti-tipping device to a wall stud for enhanced safety.
5. Insert the completed drawers into the dresser frame.

Assembly Video Guide:

For a visual guide on the assembly process, please refer to the official WLIVE installation video below. This video demonstrates each step, from unpacking to final drawer insertion.

OPERATING INSTRUCTIONS

The WLIVE 9-Drawer Dresser is designed for straightforward operation.

- **Opening/Closing Drawers:** Gently pull or push the metal handles to open and close the drawers. The ball-bearing slides ensure smooth and quiet operation.
- **Weight Distribution:** Distribute items evenly within the drawers to maintain balance and prevent strain on the slides. Adhere to the maximum load capacities: 40 lbs for large drawers, 30 lbs for small drawers.
- **Top Surface Use:** The top surface can hold up to 175 lbs. When placing a television, ensure it is centered and

stable.

MAINTENANCE

Proper maintenance will help preserve the appearance and functionality of your WLIVE dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish. For spills, wipe immediately.
- **Dusting:** Regularly dust the dresser with a dry, soft cloth to prevent dust buildup.
- **Drawer Slides:** Periodically check the drawer slides for any debris or dust that might hinder smooth operation. Clean if necessary.
- **Fasteners:** Over time, fasteners may loosen. Periodically check all screws and connections and tighten them as needed to maintain stability.
- **Avoid Direct Sunlight/Heat:** Prolonged exposure to direct sunlight or extreme heat can cause fading or warping of the wood. Position the dresser away from direct heat sources and windows if possible.

TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Loose screws on slides; debris in tracks; overloaded drawer.	Tighten all screws on drawer slides. Clean tracks of any debris. Reduce weight in the drawer.
Dresser feels wobbly or unstable.	Loose connections; uneven floor; anti-tip device not installed.	Check and tighten all assembly screws. Ensure the dresser is on a level surface. Install the anti-tip device as per instructions.
Drawers do not align properly.	Incorrect drawer slide installation; uneven assembly.	Review assembly instructions for drawer slide orientation (E Front/E Back). Ensure all panels are correctly aligned during assembly.
