GDFStudio King Size Platform Bed with Tall Wingback Headboard

Model: 322568 | Brand: GDFStudio

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your GDFStudio King Size Platform Bed. Please read all instructions carefully before beginning assembly and retain this manual for future reference. Proper assembly and care will ensure the longevity and safety of your bed frame.

SAFETY INFORMATION

- **Maximum Weight Capacity:** This bed frame is designed to support a maximum weight of **1000 pounds**, including the mattress and occupants. Do not exceed this limit.
- **Adult Assembly Required:** Assembly should be performed by at least two adults.
- **Keep Children Away:** Keep children and pets away from the assembly area to prevent injury.
- **Check All Connections:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary.
- **Use on Level Surface:** Always place the bed frame on a flat, level surface to ensure stability.
- **No Jumping:** Do not jump on the bed.

PACKAGE CONTENTS

Before assembly, ensure all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

- Headboard (1)
- Side Rails (2)
- Footboard (1)
- Support Legs (various)
- Wooden Slats (various)

- Hardware Pack (bolts, washers, nuts, ratcheting wrench)

Image: Overview of bed frame components and dimensions. Note the 54-inch headboard height and overall dimensions of 85.8"L x 83"W x 54"H.

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward and can typically be completed in under 30 minutes with two people. All necessary tools and hardware, including a ratcheting wrench, are provided.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
2. **Attach Side Rails to Headboard:** Connect the side rails to the headboard using the provided bolts and hardware. Do not fully tighten bolts until all major components are assembled.
3. **Attach Side Rails to Footboard:** Connect the other end of the side rails to the footboard. Ensure all connections are secure.
4. **Install Support Legs:** Attach any central support legs to the frame as indicated in the detailed diagram (not provided in this text, refer to included paper manual).
5. **Place Wooden Slats:** Lay the wooden slats across the bed frame. The durable slat system is designed to provide excellent mattress support without the need for a box spring. Secure the slats using the provided fasteners or velcro strips.
6. **Final Tightening:** Once all components are in place, fully tighten all bolts and screws using the ratcheting wrench.

A video tutorial for assembly is available. Please refer to the product listing or manufacturer's website for access.

OPERATING INSTRUCTIONS

- **Mattress Placement:** Place your King size mattress directly onto the wooden slats. A box spring is not required for this bed frame.
- **Recommended Mattress Thickness:** For optimal comfort and aesthetic, a mattress thickness of 9 inches or greater is recommended.
- **Weight Distribution:** Distribute weight evenly across the bed surface to maintain structural integrity.

MAINTENANCE

- **Cleaning:** For the upholstered fabric, spot clean only. Use a mild detergent and a damp cloth to gently blot any stains. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the headboard and frame with a soft, dry cloth.
- **Hardware Check:** Periodically (e.g., every 3-6 months) inspect all bolts and connections. Tighten any loose hardware to maintain stability and prevent squeaking.

TROUBLESHOOTING

- **Squeaking Noises:** If the bed frame squeaks, check all bolts and ensure they are securely tightened. Loose connections are the most common cause of noise.
- **Instability/Wobbling:** Ensure the bed is placed on a level surface. Verify that all support legs are making firm contact with the floor and that all frame connections are tight.
- **Slats Shifting:** If wooden slats shift, ensure they are properly seated in their designated positions and that any velcro or fasteners are engaged.

SPECIFICATIONS

Feature	Detail
Model Number	322568
Size	King

Product Dimensions (L x W x H)	85.8" x 83" x 54"
Material	Fabric, Metal
Headboard Material	Fabric
Color	Ivory
Maximum Weight Recommendation	1000 Pounds
Item Weight	106.9 Pounds
Required Assembly	Yes
Box Spring Required	No
Product Care Instructions	Spot Clean

WARRANTY INFORMATION

This GDFStudio product is covered by a **90-day manufacturer's warranty** from the date of purchase. This warranty covers defects in materials and workmanship under normal use. It does not cover damage resulting from improper assembly, misuse, accidents, or unauthorized modifications. Please retain your proof of purchase for warranty claims.

CUSTOMER SUPPORT

For assistance with assembly, missing parts, or warranty claims, please contact GDFStudio customer support. Refer to your purchase documentation or the GDFStudio official website for contact details.
