## 5. Music Playback Options

The Haomuren K1 supports various music playback methods:

- **Bluetooth:** Connect wirelessly to your smartphone, tablet, or PC.
- **TF Card:** Insert a TF (MicroSD) card into the designated slot on the back of the speaker to play stored music files.
- **Headphone Output:** Use the 3.5mm headphone jack for private listening.

## MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the speaker and microphones. Do not use liquid cleaners or abrasive materials.
- **Storage:** Store the device in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the device frequently. Charge the device regularly, even if not in use for extended periods.

## TROUBLESHOOTING

---

- **No Sound from Speaker:**

- Ensure the speaker is powered on and charged.
- Check the speaker's volume level.
- Verify that the speaker is correctly paired via Bluetooth to your device.
- If using a TF card, ensure it is inserted correctly and contains compatible audio files.

- **Microphone Not Working:**

- Ensure the microphone is powered on and charged.
- Check the microphone's volume level.
- Confirm the microphone is automatically paired with the speaker.

- **Bluetooth Disconnection:**

- Ensure the speaker and your device are within the effective Bluetooth range (typically 10 meters).
- Turn off and restart both the speaker and your device, then attempt to re-pair.
- Check for any interference from other wireless devices.

- **Distorted Sound:**

- Lower the volume on both the speaker and your connected device.
- Ensure the microphones are not too close to the speaker to avoid feedback.
- Check the audio source for quality issues.
