4. SETUP & INSTALLATION

4.1 Unpacking

Carefully remove all packaging materials. Inspect the appliance for any damage. Keep packaging materials away from children.

4.2 Placement

This wine fridge can be installed as a freestanding unit, built-in, or under-counter. Ensure adequate ventilation around the unit, especially at the rear and sides, to allow for proper heat dissipation.

- Avoid direct sunlight or heat sources.
- Place on a flat, stable surface capable of supporting the unit's weight when fully loaded.
- Allow at least 2-4 inches of space at the back and sides for air circulation if freestanding.
- For built-in installation, ensure cabinet dimensions match the product dimensions (22.4"D x 14.7"W x 33.9"H).
